Observatory Open House Schedule

Summer 2010

Our *Open House* program will continue this summer just as it has for the last 46 years. Come see local astronomers give a short 30-minute presentation about their research or other new developments in astronomy! The talk is then followed by observing through the telescopes, weather permitting.

Observatory Open Houses are free. Families/individuals do not need reservations. However we ask that if you have a group larger than 10 people, please call 301-405-6555 to make special arrangements at least two weeks in advance. *Group tours are by appointment!*

Questions?

For more information, check out the Observatory webpages at www.astro.umd.edu/openhouse or call 301-405-6555.

Date & Time	Speaker	Talk Title
5 May 9:00 pm	Dr. Hannah Jang-Condell	Forming Exoplanets
