world

MARYLAND DAY 2010

explore our World!

Join us on **Saturday, April 24** for our 12th annual Maryland Day, a family-friendly event with **400 interactive exhibits, workshops and live performances.** Discover all that Maryland has to offer and see how our faculty, staff and students are creating **big ideas** that are addressing some of our nation's most important issues.

Plan Your Day:

Use Our Learning Neighborhoods

Read through the program book and make note of events and activities that most interest you. To make it easier, we've divided the campus into "learning neighborhoods" listed below (see map, page 11). Events are consolidated by areas of interest.

-  **terp town center** **2**
-  **global village** **4**
-  **sports & rec row** **5**
-  **ag day avenue** **6**
-  **biz & society hill** **7**
-  **science & tech way** **8**
-  **arts alley** **9**
- campus map** **11**

Maryland Day has something for everyone!

Students, Faculty and Staff: Bring your friends and family and show them why you are proud of your world-class university.

Bring Your Family and stay for the day. Events and activities for families and young children are marked with this symbol:

Prospective Students: See why you should choose the best. Stop by the Mitchell Building between 10 a.m. and 4 p.m. with any questions related to Undergraduate Admissions. Prospective student (and parent) events and activities are marked with this symbol:

Alumni: Welcome back. Visit with fellow alumni at the Samuel Riggs IV Alumni Center, a beautiful home for all Maryland graduates. Alumni events and activities are marked with this symbol:

Sample Listing

1 p.m.–2 p.m. _____ Time
2:30 p.m.–3:30 p.m. _____ If a time is not listed, it is an all-day event
Salsa Dance Workshop _____ Event Title
 Dance Studio I, Clarice Smith Center _____ Location
 Experience the Latin flavor and sensual moves of salsa dance in this beginners welcome workshop with Lucia Lima. _____ Event Description
¡Muy picante! Space is limited; arrive early.

CSPA _____ Prospective Students/Parents
 _____ Alumni
 _____ Children
 _____ Sponsoring Department

terp town center

McKeldin Mall, home to the university's premier library and a magnet for campus activity, the Stamp Student Union and the surrounding area become Terp Town Center. Learn about our schools and colleges, catch live performances under the Big Top and find a bite to eat. **Terp Town Center is highlighted in red on the map.**

the big top

Join us under the Big Top on McKeldin Mall for live performances featuring some talented Maryland students. Enjoy some time at our main outdoor stage as UM's student-run radio station, WMUC, mixes tunes between performances. **UNRL, SSU**

10–10:15 a.m. Maryland Day 2010 Opening Ceremony

Join us for the official opening of Maryland Day 2010. Enjoy a presentation of the colors by the Army and Air Force ROTC and opening remarks by President Mote and Director of Sports for ABC 7/WJLA-TV and alumnus Tim Brant. Testudo will also make a special appearance.

11 a.m.–11:30 a.m. Maryland Honor Guard Performance

Air Force ROTC cadets display their teamwork and talents through an expert demonstration of performance drill. **ROTC, UGST**

11:30 a.m.–noon Smooth Sounds of PandemoniUM

PandemoniUM is one of the co-ed a cappella groups on campus, currently enjoying its 16th anniversary. Enjoy its smooth blend, close harmonies and eclectic repertoire.

Noon–12:30 p.m. Enjoy a Dance Revolution

Revolutions Dance Ensemble is a diverse dance group on campus that primarily focuses on jazz, ballet, modern and lyrical styles of dance. Enjoy its new choreography for Spring 2010.

12:30 p.m.–1 p.m. Latin Flavor of the Tango Club

Enjoy one of Latin America's most popular dances, the tango. Performance and demonstration by the Tango Club.

1 p.m.–1:30 p.m. Scottish Country Dance

RSCD@UMD showcases Scottish Heritage through Scottish Country Dance. This social tradition is still danced in Scotland and around the world to the tunes of fiddles and bagpipes.

1:30 p.m.–2 p.m. Laugh with Erasable Inc.

Laugh until you cry with UM's only all-improv group. Audience members will have a chance to interact with the group.

2 p.m.–2:30 p.m. Nyumburu Jazz Club

The Nyumburu Jazz Club is a musical group consisting primarily of non-music majors dedicated to the performance of jazz music. Enjoy a wide variety of selections from jazz standards to more modern jazz fusion pieces.

2:30 p.m.–3 p.m. Pop Hits with the Treblemakers

A must-hear! Join us for a performance by the university's only all-female a cappella group singing a variety of pop hits.

3 p.m.–3:30 p.m. On Stage with Faux Paz

Catch the university's first co-ed a cappella group. Formed in 1992, it has performed around the country at schools, colleges, private events and competitions.

3:30 p.m.–4 p.m. Poetry Around the World

Enjoy a multilingual poetry reading with English translation by students and faculty from the School of Languages, Literatures, and Cultures.

CAMPUS PROGRAMS & MARYLAND SUPPORTERS TENT McKELDIN MALL ALL-DAY EVENTS: 10 a.m.–4 p.m.

Are You Ready for College?

Meet the staff of the Learning Assistance Service and Disability Support Service of the University's Counseling Center to learn what you need to do to be ready for college. **UMCC**

Employment Opportunities

Explore our world of employment opportunities and see why UM is a great place to work. Cheer the Turtle! **UHR**

Explore the Maryland-National Capital Park and Planning Commission

The Maryland-National Capital Park and Planning Commission operates the public park systems, provides land-use planning for the majority of Montgomery and Prince George's counties and operates the public recreation program in Prince George's County. Learn about plans for both counties. **UNRL**

Financial Fitness with PG Community Federal Credit Union

Visit staff from the Prince George's Community Federal Credit Union promoting financial fitness throughout Prince George's County and serving the financial needs of those who live, work, worship or volunteer in the county. **UNRL**

Get the Facts on Insurance in the State of Maryland

The Maryland Insurance Administration regulates the business of insurance in the state. Representatives will be on hand to distribute information regarding all types of insurance and address your questions and concerns. **UNRL**

Guess the Amount

Visit the Bursar's Office and win prizes if you guess the amount in the money jar. **BUSR**

COLLEGE AND DEPARTMENT TENTS McKELDIN MALL ALL-DAY EVENTS: 10 a.m.–4 p.m.

A. JAMES CLARK SCHOOL OF ENGINEERING

Discover the Gemstone Program
Meet students and staff from this undergraduate research program. Learn about current projects and join in an activity. **ENGR, GEM**

Engineers Without Borders

The award-winning chapter of Engineers Without Borders partners with disadvantaged communities to improve their quality of life through environmentally and economically sustainable engineering projects. Learn about new and completed projects in Burkina Faso, Ethiopia, Peru and Brazil. **ENGR**

CITY OF COLLEGE PARK/ PRINCE GEORGE'S COUNTY City of College Park—You Are Here!

Welcome to the City of College Park, home of the University of Maryland. Meet city officials, civic organizations and regional recreation/tourist agencies. Learn about local services, resources and other public interests. **CCP, UNRL**

Prince George's County Invites You to Live, Work and Play

Prince George's County is rich in heritage yet connected to tomorrow's technology. It is home to Six Flags America, FedEx Field, NASA's Goddard Space Flight Center and more. Whether for a conference or reunion or for an arts, sports or business event, we have a place for you. **PGCO**

COLLEGE OF ARTS AND HUMANITIES Around the World in 40 Languages

Using our green screen photo booth, have your picture taken in front of the country of your choice and then send an e-postcard to friends and family! **ARHU, NFLC**

Arts & Humanities Admissions

Explore your passion, discover your purpose and feed your creativity! With the college's more than 50 majors and minors, you'll be encouraged and challenged to broaden your perspective: Learn to speak Arabic; read Shakespeare; become globally engaged through cultural and language immersion programs; intern at the Smithsonian. Learn about these and other exciting opportunities. **ARHU**

Digital Humanities 101

Learn more about the Maryland Institute for Technology in the Humanities, the emerging field of the digital humanities and the new Digital Cultures & Creativity living and learning program in the Honors College. Watch demonstrations on a variety of new media technologies leading the field. **ARHU, MITH**

Philosophical Advice: \$.05

The philosopher is in. Bring your philosophical questions to members of our philosophy department. Nickels are free. **ARHU, PHIL**

Write Your Name in Greek, Latin and More!

Stop by to learn how to write your name and introduce yourself in a variety of languages. **ARHU, CLAS, SLLC**

COLLEGE OF BEHAVIORAL AND SOCIAL SCIENCES

A Model Excavation
Since 1981, the Department of Anthropology has been using archaeology to increase understanding of the city of Annapolis' past. An interactive exhibit shows young visitors how to unearth clues using archaeological methods to learn about the history of the world. **BSOS**

Get to Know the College of Behavioral and Social Sciences

Meet deans, academic advisors, students and alumni. Learn about academic majors and other programs in the college. **BSOS**

Historic Tour of the University

Join student guides as they lead a revealing tour of university grounds and share the school's rich history and most cherished traditions. Tours will leave from the BSOS tent on McKeldin Mall every hour beginning at 10 a.m. **BSOS**

COLLEGE OF EDUCATION

**10 a.m.–3 p.m.
Bubbles!**
Learn about the science of bubbles. Students of Kappa Delta Pi will explain how bubbles are formed and why they float. While there, have a little fun and blow some bubbles of your own. **EDUC**

11 a.m.–1 p.m. Get REAL, Read and Receive a Free Book

A research project entitled "Identification, Prediction, and Intervention in Adolescent Reading" will give away free science information books to children. The allotment is one book per child, and the child must be present to receive a book. Books will be given out beginning at 11 a.m. on a first-come first-served basis. **EDUC**

11 a.m.–2 p.m. Calling All College of Education Alumni

Are you a College of Education graduate? Then be sure to visit the college tent, meet your alumni chapter board members and learn about upcoming alumni events. Update your contact information to receive a special gift. **EDUC**

11 a.m.–2 p.m. Terp Trivia

Test your Terp knowledge by playing "Terp Trivia." Win a prize if you answer the question correctly. **EDUC**

1 p.m.–2 p.m. Meet and Beat the Deans and Department Chairs

Stop by to challenge the deans and department chairs in a Maryland football game bean bag throw. Win a prize! **EDUC**

College of Education Graduate Programs

Learn about the different graduate programs offered in a variety of areas. **EDUC**

Thinking About Becoming a Teacher?

Learn about the undergraduate and graduate teacher certification programs offered through the college. **EDUC**

COLLEGE OF INFORMATION STUDIES 11:30 a.m.–4 p.m.

iSchool Research is Transforming the Way People Connect with Information
iSchool research affects our society. Faculty will present talks on information security, social networking, online communities, information ethics and information policy, just to name a few topics. Please join us for ongoing talks and goodies. **CLIS**

DIVISION OF RESEARCH Research Rocks!

Learn how research and technology is helping solve global problems and growing Maryland's economy. While you visit our booth, play "Who Wants to Win a University of Maryland Fun Meter?" **UMRES**

ENVIRONMENTAL SAFETY Don't Learn Safety by Accident

Come meet our environmental, health and safety staff as they share their expertise. Enjoy games, prizes and helpful information for the whole family. **ENVS**

FACILITIES MANAGEMENT Go Green with Facilities Management

Discover how Facilities Management's nationally recognized programs are setting the sustainability standards for interior and exterior campus environments. Explore our interactive activities to see how we are involved in reshaping and greening our campus for future generations. **FMGT**

GRADUATE SCHOOL Photo Mystery Booth

Learn about graduate education at UM as you explore 10 mystery photos. They reveal exciting research, facility and educational opportunities for graduate students and faculty. **GRAD**

NATIONAL ARCHIVES Discovering the Civil War

Learn about the National Archives and the upcoming exhibit "Discovering the Civil War." Step up to sign a copy of the Declaration of Independence, and before you leave, take a picture in the Rotunda for the Charters of Freedom. **NA**

PUBLIC SAFETY KidPrint: Fingerprinting Your Kids

Bring your kids for photos and fingerprints by Public Safety personnel. For more information, call 301.405.3555. **UMDPS**

ROBERT H. SMITH SCHOOL OF BUSINESS Discover the Smith School

Discover the Smith School's top-ranked undergraduate and graduate business programs. Explore the Dingman Center, one of the first and leading entrepreneurial centers in the nation. Learn about the Quality Enhancement Systems and Teams, or QUEST, an honors program for business, engineering and College of Computer, Mathematical and Physical Sciences undergraduates. Engage in fun activities for the family. **BMGT**

SCHOOL OF ARCHITECTURE, PLANNING, AND PRESERVATION
Shape Our Environment

Try hands-on activities that engage young people and introduce them to our environment, including building a geodesic dome, constructing models and more. **ARCH** ♿ 🎓

SCHOOL OF PUBLIC HEALTH
Better Than an Apple a Day

Receive a personal assessment of different health risk factors and learn how regular physical activity can reduce your risk of heart disease, hypertension, diabetes and osteoporosis. **KNES, SPH**

Dance to the Music

Learn a new fitness/dance routine to burn a few extra calories. No prior experience required. **KNES, SPH**

Food-egories Game

Come play "Food-egories" to test your healthy food knowledge under the pressure of a ticking clock. **FMST, SPH**

Good Health Starts Here

Big ideas about enhancing your health start here. **HLSA, SPH**

Health Know-How

Is your health par for the course? The Department of Public and Community Health invites you to meet us on the green to see if your health and wellness know-how can bag you a hole in one. **HLTH, SPH**

Learn About the Center on Young Adult Health & Development

This new research center at the SPH focuses on identifying and addressing social, educational and health needs of 18 to 28-year-olds. Staff will be able to answer questions and provide information. **SPH**

Surf's Up! Discover Your Inner Ear

Good balance is important not just for surfers and snowboarders. Poor balance leads to falls and injuries numbering in the millions annually. Try our Bongo board challenge and test your balance. **KNES, SPH**

Test Your Health Literacy

How well can you understand a food label? What's really in your ice cream? Visit folks from the Center on Health Literacy to find out. **SPH**

We Like to Move It by PESO

UM's Physical Education Student Organization (PESO) will lead a variety of activities that are, not only fun but good for developing physical fitness. **KNES, SPH**

What's Next at the Osher Lifelong Learning Institute

Discover exciting opportunities for people ages 50-plus to pursue passions through lifelong learning. **HLSA, SPH**

SCHOOL OF PUBLIC POLICY
Trivia, Anyone?

See the world through the eyes of public policy. Meet the deans and see how well you know world leaders, locations, flags and other trivia to win a prize. **PUAF** 🎓

UNDERGRADUATE STUDIES
11 a.m.–1:30 p.m.
Honors Ambassadors

Discover the Honors College and meet current students. Learn about this living and learning community and take your picture as the "Honors Thinking Terp!" Bring your camera for this opportunity to be in a picture cut-out. **HONR, UGST** 🎓

Asian American Studies Program: Making Connections, Making it Count

Learn about the AAST minor and publications and Census 2010. After visiting our booth, go to the Asian American Literature Symposium at Taves Hall for cutting-edge literature. Prizes awarded to visitors of both! **UGST** 🎓

Welcome to the Office of Undergraduate Studies

Visit us for information on academic achievement programs, College Park Scholars, Scholars Alumni Association, National Scholarship Office, First Year programs, the Maryland Center for Undergraduate Research, Beyond the Classroom, University Honors, Global Communities Program, ROTC programs, Letters and Sciences, Asian American Studies and more. **UGST** 🎓

ON OR NEAR THE MALL
EVENTS LISTED BY START TIME

10 a.m.–11 a.m.

College 101: Understanding the College Admissions Process

0135 Reckord Armory
 Here's an opportunity to experience how college admissions decisions are made and what you can do to improve your college aspirations. **OUA** 🎓

Bring in your rare book treasures for informal appraisals from our rare-book curator. Learn how to research rare book values. **LIBR**

Take a Terrapin Home

First-Floor Lobby, Hornbake Library
Create your own diamondback terrapin craft. **LIBR** 🧑🏿

Take-a-Break Tent

Infant Studies Consortium Tent
Parents with infants and young toddlers are invited to take a break from the sun and fun. We'll have chairs, changing tables, juice and water to give parents and kids a chance to refresh before hitting the next round of Maryland Day activities. **BSOS** 🧑🏿

Terrapin Technology Store

Technology Tent, Hornbake Plaza
Stop by to see a variety of computers the Terrapin Technology Store has to offer students and staff. **OIT**

Terrapin Anime Society Showcase

0302H Hornbake Library
Enjoy a celebration of Japanese animation, sponsored by the Terrapin Anime Society and Nonprint Media Services. **LIBR**

East Asian Crafts and Culture

Fourth Floor, McKeldin Library
Make origami figures; try your hand at traditional Chinese-character paper cutting; view demonstrations of calligraphy in Chinese, Japanese and Korean; and attend an East Asian cultural performance. **LIBR** 🧑🏿

University Health Center

Health Center
Stop by our Purell Station, learn about sun safety, check your hydration level, get a blood pressure screening, learn about healthy food choices and play with a fitness-friendly hula hoop. **UMHC** 🧑🏿

Vietnam Protests at UM: Photographs from UM Libraries Collections

First-Floor Lobby, Hornbake Library
These dramatic images will flash you back to the Vietnam War era. If you were on campus then, please share your memories of this turbulent time in UM history at www.umvietnamwarprotests.blogspot.com. **LIBR M**

STAMP STUDENT UNION ALL-DAY EVENTS: 10 a.m.–4 p.m.

Alternative Breaks Open House

Atrium, Stamp Student Union
Visit students from the Alternative Breaks program at UM to see pictures and souvenirs from their projects all over the world, and participate in activities that simulate the issue each group addressed. **OCP, SSU**

Dell Presents Photos with Kermit

Front of Stamp Student Union
Take home a Dell souvenir picture of you with Kermit the Frog and Jim Henson at the commemorative statue. Enter a drawing for a chance to win a Dell prize. **SSU, UNRL** 🧑🏿

Kids' Carnival

Grand Ballroom, Stamp Student Union
Join our UM student organizations to win prizes at carnival games, have your face painted, make arts and crafts and more. **OCP, SSU** 🧑🏿

Maryland Day Gallery Hop

Stamp Gallery, Stamp Student Union
View art from talented UM Master of Fine Art students. At Stamp Gallery, see MIDPOINT, an exhibition by second-year MFA students. At the Art Gallery, view the MFA Thesis Show, the final exhibition for third-year students. **SSU**

Paint Your Own Turtle!

Art and Learning Center, Stamp Student Union
Paint your own ceramic turtle, do some spin art and check out the Art and Learning Center. **AALC, SSU** 🧑🏿

Student Talent Showcase

Baltimore Room, Stamp Student Union
Visit us to see performances from some of our dance groups, improv troupes, musical ensembles, a cappella groups and more. **OCP, SSU**

Support our Maryland Vets

Prince George's Room, Stamp Student Union
Join the Terp Vets as they create letters and drawings to UM students who have recently been deployed and to our alumni who are now serving abroad. Supplies are provided. **OCP, SSU**

Take a Break at TerpZone

TerpZone, Stamp Student Union
Spend some time in the TerpZone. Our facility features bowling, billiards, a video arcade and big-screen TVs. Enjoy half-off billiards and bowling all day. **OCP, SSU** 🧑🏿

Wii Fun with Cisco Systems

Mitchell Fields
Stop by the Cisco bus filled with high-tech equipment. Play Wii games with "Sesame Street" characters! Record Maryland Day memories and view them online. **OIT** 🧑🏿

global village

Come see international cooking demonstrations and get a taste of global cuisine. In this neighborhood you'll find out about Maryland's international partnerships and discover how the university offers higher education to students from around the world. Located on Hornbake Plaza, the Global Village is highlighted in blue on the map.

Big Ideas, Big World! Terps Around the Globe With Study Abroad

Celebrate the spread of Terps around the world—learn about all the places Maryland students are studying abroad. Enjoy internationally-themed games, gather fun facts, play with our giant globe and more. **OIP** 🧑🏿🌍

CASL Language Challenge

Test your skills in this exciting challenge from the Center for Advanced Study of Language. Take on friends and family in a race to identify languages from authentic sound clips. **CASL**

Fun with Chinese Culture

Have some fun with Chinese culture! Discover your Chinese zodiac animal sign, receive a unique Chinese name and try your luck with a traditional temple activity called "Pick a Stick." **CIM, IGCA** 🧑🏿

Global Communities Trivia Challenge

Test your knowledge of global geography and cultures for a chance to win a fantastic prize. Students from diverse cultural backgrounds will help you successfully navigate the trivia challenge. **GC, UGST**

Hello, World!

Enjoy a fun way to learn a language. Children can participate in a coloring activity for children with "hello" written in many languages. Learn to write your name in a new language. **IES** 🧑🏿

The Middle East at Maryland

Savor some Middle Eastern Baklava. Have your name written in beautiful calligraphy. Learn how to say hello, introduce yourself and write your name in Arabic and Persian. Find out more about the Language Flagship programs at UM. **ARHU, SLLC** 🧑🏿

University's Global Position

How is the University of Maryland positioning itself among world leaders in higher education? OIP provides information about UM's international initiatives along with interactive games for children. **OIP** 🧑🏿

Unstoppable Starts Here

Enjoy games and giveaways as you learn why the university is unstoppable. **UNRL**

Where in the World ...?

Visit the College of Agriculture and Natural Resources to find out where in the world your food comes from, where it's produced and all the places the college is involved. **AGNR**

International Cooking Stage

Once again, the internationally trained chefs of Dining Services bring a menu of home-style dishes to the stage. This year, the chefs focus on the bounty of Maryland's farms and waters. Their easy-to-make dishes take advantage of farmer's market finds, local seafood and backyard herb gardens. Joining the chefs on stage will be a variety of news anchors and reporters from ABC 7/WJLA-TV. Enjoy free samples while they last. **DNSV**

11 a.m.–11:30 a.m.

European Roasted Vegetable Salad
Chef Thomas Schraa prepares European roasted asparagus beet carrot salad with lime-chive-anchovy vinaigrette. All of these vegetables grow easily in Maryland's climate, making this salad easy, too.

Noon–12:30 p.m.

Mediterranean Bluefish
Chef John Gray dishes up Mediterranean sautéed bluefish with a port wine beurre blanc and Tuscan potatoes. This dish highlights our proximity to the Atlantic's vast fish varieties. Chef Gray's recipe makes an uncomplicated fancy dinner.

1 p.m.–1:30 p.m.

Eggplant Mushroom Tomato Soufflé
Chef Timothy Small prepares eggplant mushroom tomato soufflé with basil bruschetta. Several locations in Prince George's County produce a diverse crop of mushrooms including morels, boletus and chanterelles. Enjoy this simple soufflé using ingredients you can find or grow in your own back yard.

2 p.m.–2:30 p.m.

Crab Fritters with Pear Pepper Chutney
Blue crabs of the Chesapeake Bay are world-famous. Here, Chef Ivory Kornegay teaches you how to make delicious crab fritters that blend the cuisines of Maryland and India.

3 p.m.–3:30 p.m.

Raspberry Peach Crepes
Gathering berries is a fun summertime excursion, and Maryland hosts dozens of you-pick berry farms. Chef Larry Tumlin shares a classic dessert recipe using those luscious berries you'll pick this summer. He'll top it off with blackberry crème fraîche.

Join us on Saturday, April 24 for our 12th annual Maryland Day, a family-friendly event with 400 interactive exhibits, workshops and live performances.

第12届马里兰日活动将于4月24日星期六举行，这场大家庭式的友好聚会将有400场免费的互动展览、工作坊和现场表演，欢迎参加！

Acompáñanos a celebrar nuestro 12º Día de Maryland el 24 de abril, este es un evento para disfrutar con amigos y familiares. Tendremos 400 actividades gratis, exhibiciones, talleres y presentaciones en vivo.

تعالوا يوم السبت 24 أبريل، وشاركونا الاحتفال بالمهرجان السنوي الثاني عشر لجامعة ميريلاند، حيث الحدث الكبير الذي يضم أكثر من 400 جناح مجاني لمعارض تفاعلية، وورش عمل متنوعة، وعروض حية مباشرة تجذب و تناسب جميع أفراد العائلة.

global village

sports & rec row

Don't miss the fun- and energy-filled Sports & Rec Row. Full of variety, this area features some of our most challenging events. If you're a sports fan, this is the place to meet university coaches and student athletes. The neighborhood also includes events at the Riggs Alumni Center and the David C. Driskell Center. **Sports & Rec Row is highlighted in gold on the map.**

9 a.m.–10:30 a.m.

Emeritus Breakfast

Maryland Club, Riggs Alumni Center
Members of the Class of 1960 and prior are invited to a continental breakfast in the Maryland Club. Emeriti alumni will share breakfast with students from the Cause Maryland initiative. **ALUM M**

9 a.m.–noon

Football Clinic

Under the Overhang, School of Public Health Building
Minnesota Viking Madieu Williams '03 will offer a football clinic for children ages 8-13. Pre-registration is required and there is a 300-participant limit. Register online or download the registration form at <http://sph.umd.edu/events/footballhealth.pdf>. Registration deadline is April 18. **SPH** 🏈

10 a.m.–noon

Center for Young Children Early Childhood Festival

Center for Young Children
Welcome all Center for Young Children families and guests. Join us for "Jack and the Beanstalk" and "The Ugly Duckling," presented by Kaydee Puppets. A singalong with CYC's own "Mr. M.," Eric Maring, follows at about 11:15 a.m. **CVC** 🎭

10 a.m.–1 p.m.

Adult Oral Cancer Screening

Parking Area, School of Public Health Building
Doctors from the UM Baltimore Dental School will be on hand to provide comprehensive oral cancer exams. **SPH**

10 a.m.–2 p.m.

Dimensions Healthcare System

Parking Area, School of Public Health Building
Come by to meet some health professionals from DHS to answer your health questions and to receive some health screenings. **SPH**

10 a.m.–3 p.m.

Stress Reduction Workshops

0107 School of Public Health Building
Stress reduction workshops will be offered on a 15-minute rotation on the following topics: deep breathing, guided imagery, family stress reduction/education and brain stroking. **FMST, SPH**

10:30 a.m.–1:30 p.m.

CO Testing

Parking Area, School of Public Health Building
Whether or not you smoke, you may have carbon monoxide in your lungs as a result of just living on this planet. Find out how much with a simple test. **SPH**

11 a.m.–noon

Train Like the Terps

Glazer Auditorium, Gossett Football Team House
Enjoy a presentation by the Terps strength and conditioning and athletic training staffs on healthy eating and Terp-inspired workouts, followed by a tour of our football weight room. **ICA**

11 a.m.–3 p.m.

DHMH Educational Outreach

Parking Area, School of Public Health Building
Visit the Maryland Department of Health and Mental Hygiene's mobile unit, which will provide information on many health-related topics and answers to some of your health questions. **SPH**

11 a.m.–3 p.m.

Deamonte Driver Dental Project

Parking Area, School of Public Health Building
The Deamonte Driver Dental Project is a community partnership for children's oral health. Visit us at our mobile unit for a free dental health screening. **SPH** 🦷

11 a.m.–3 p.m.

Family Fun Inflatables

Legacy Plaza, Riggs Alumni Center
Legacy Plaza will inflate with fun. Guests can try a go at the bungee run or test their arms at the quarterback challenge. **ALUM M** 🎈

11 a.m.–3 p.m.

Visit the Governor's Wellmobile

Parking Area, School of Public Health Building
The mission of the Governor's Wellmobile Program is to provide episodic and common acute primary care services, health screenings and health education to uninsured and underserved Marylanders. **SPH**

11:30 a.m.–3:30 p.m.

Fairytales and Folklore

1205 Cambridge Community Center
Looking for a tale with a twist? Join the College Park Art Scholars for an interactive program of fabled myths, creatures and characters imaginatively inspired by legendary storybooks and tall tales. **ARHU, CPSA, UGST** 📖

Noon–1 p.m.

Men's Basketball Team Autograph Session

Main Floor, Comcast Center
Join Head Coach Gary Williams and four players from the men's basketball team for a photo and autograph session. One photo and autograph per person; the line will be limited to the first 500 people. Doors open at 10 a.m. **ICA**

Noon–1 p.m.

Women's Basketball Autograph Session

Main Floor, Comcast Center
Meet Head Coach Brenda Frese and four players from the women's basketball team. One photo and autograph per person; the line will be limited to the first 500 people. Doors open at 10 a.m. **ICA**

Noon–1:30 p.m.

Aerobics Demonstration Team Performance

East Gym, Eppley Recreation Center
Discover how much fun burning calories can be. Watch an electrifying five-minute aerobic dance routine by the Eppley Recreation Center's group exercise instructor team. Performance times are noon, 12:30 p.m. and 1 p.m. **CRS**

1 p.m.–2 p.m.

STI Jeopardy Game

School of Public Health Building–Indoor
Join the Sexually Transmitted Infection Community Coalition for an interactive Q-&A on sexual health. **SPH**

1 p.m.–2 p.m.

Talking to Your Kids About Sex

0302 School of Public Health Building
Need the right words to talk to your kids about an important topic? Join Anne Wiseman from the State Department of Health and Mental Hygiene who can help you find the way. **SPH**

1:30 p.m.–3:30 p.m.

Young Alumni Barbecue

Moxley Gardens, Riggs Alumni Center
Alumni ages 30 and under will be invited to a free barbecue in the Moxley Gardens to reunite and tailgate for the Red and White Game. **ALUM M**

4 p.m.–10:56 a.m.

Dance Marathon

Cole Field House
Enjoy this all-night, post-Maryland Day event. Dancers stay on their feet for 18 hours and 56 minutes to show support for the patients at Children's National Medical Center. Come enjoy live entertainment and see students making a difference! **DM**

ALL-DAY EVENTS: 10 a.m.–4 p.m.

Alumni Club and Chapter Showcase

Executive Patio, Riggs Alumni Center
Learn about all of the alumni clubs and chapters that have volunteer opportunities for you. Get up-to-date on the benefits of Alumni Association membership. **ALUM M**

April Pools Day

Outdoor Aquatic Ctr, Eppley Recreation Center
Enjoy the Outdoor Aquatic Center and learn how to be safe in and around swimming pools. Enjoy games, demonstrations and prizes. **CRS** 🏊

Cause Maryland

Wasmer Rotunda, Riggs Alumni Center
Student philanthropic groups will present exhibits that guests can vote on to determine who deserves a monetary prize to expand their efforts. **MFE M**

Child Safety Seat Checks

Cole Field House
We will be conducting child safety checks and providing information on preventing childhood injuries. Call 301.405.3555 for reservations. **UMDPS** 🛡️

Climb the Beast

Adventure Complex, Eppley Recreation Center
Like climbing trees? Try our 60-foot-high climbing wall. Never climbed? Don't worry—this is a safe environment with experienced staff on hand to help. Participants must be at least 48 inches tall. **CRS** 🦃

Comcast Center Tours

Comcast Center
Tour the home of Terrapin Athletics. Learn about the men and women who have forged the Maryland Athletics program among the nation's elite as you stroll through the Terrapin Walk of Fame and History. **ICA**

Free Health Screening and Health Fair

Under the Overhang, School of Public Health Building
School of Public Health students, faculty and volunteers will perform free health screenings and provide health information. **SPH** 🏠

Conquer the Tower

Adventure Complex, Eppley Recreation Center
Try out elements of Campus Recreation Services' Outdoor Recreation Center. The tower is fun and challenging. Set your sights, grab the ropes and conquer. Participants must be at least 48 inches tall. **CRS** 🏎️

Flatwater Kayaking

Natorium, Eppley Recreation Center
Ever been kayaking? Want to give it a try? Try out a kayak in a shallow, non-threatening environment. Skilled users on site to help. **CRS** 🐾

Greenhouse Tour

Front Lobby, Greenhouse
Visit the most technologically sophisticated research greenhouse facility on the East Coast. Tours begin every half-hour. Meet your tour guide at the front entrance lobby facing the Comcast Center. **AGNR**

Legacy Bricks and Terp Merchandise

Legacy Plaza Riggs, Riggs Alumni Center
A small sampling of alumni merchandise and information on participation in the Legacy Brick Campaign will be available throughout the day. **ALUM M**

Membership Hospitality Suite

AAI Conference Room, Riggs Alumni Center
Maryland Alumni Association members are invited to stop by for light refreshments. View samples and place orders for the official class ring. Don't forget to "Carry the Card" for admittance. **ALUM M**

Riggs Center Fifth Anniversary Photo Display

Rever Hall of Fame, Riggs Alumni Center
A timeline of photos will be on display showing highlights of the last five years in the Riggs Alumni Center. **ALUM M**

Riggs Eats

Garden Terrace, Riggs Alumni Center
A selection of festival fare, including burgers, fries, hot dog, and barbecue, will be available for purchase throughout the day. Stop by for lunch or a snack. **ALUM M**

Sports Spectacular & More

East Gym, Eppley Recreation Center
From Frisbee tosses to guessing how fast you can throw a ball, this event is fun for all. Events include physical education activities, basketball pop-a-shot, radar gun and a whole lot more. **CRS** 🏈

Terptivities

Garden Terrace, Riggs Alumni Center
Terp-themed crafts and games will be available on the Garden Terrace for future Terps and kids at heart. **ALUM M** 🎨

An Exhibition "William T. Williams: Variations on Themes"

David C. Driskell Center, 1207 Cole Field House

Visit the David C. Driskell Center to enjoy the "William T. Williams: Variations on Themes" exhibition curated by Dr. Lowery Stokes Sims, curator at the Museum of Arts and Design in New York City. Williams is an African American artist whose work is mainly in the abstract mode. Through the use of forms and colors, Williams expresses his life experiences and his artistic approach in paintings and works on paper. **ARHU, CSAD**

Noon–5 p.m.

Maryland Spring Football Game & Autograph Session

Capital One Field at Byrd Stadium

Experience a Maryland tradition. See the team in action at its final scrimmage of the spring and be among the first fans to see the 2010 Terps. Before the game, meet Head Coach Ralph Friedgen on the concourse and get autographs and pictures with the entire 2010 team. Limit one item per person. Gates open at noon; autograph session is from 12:30 p.m. to 1:30 p.m., and kickoff is at 3:30 p.m. **ICA**

ag day avenue

What began more than 150 years ago as the Maryland Agricultural College has grown into a world-class public research institution. Explore Ag Day Avenue to learn why the College of Agriculture and Natural Resources is not just about farming. Ag Day Avenue is highlighted in green on the map.

8:30 a.m.–10 a.m.

EGG-citing Start for Ag Day Alumni Breakfast

Animal Sciences Courtyard
College of Agriculture and Natural Resources alumni are invited to make their own omelets, honor past student leadership, celebrate scholarship donors and enjoy the 85th Ag Day! Reservations needed. Please call 301.405.2434. **AGNR**

10 a.m.–11 a.m.

Information Session for Prospective AGNR Students

0408 Animal Sciences Building
Explore the diverse science-based academic programs in the College of Agriculture and Natural Resources. Join us for an overview of our majors and hear from students. **AGNR**

10 a.m.–11 a.m.

Institute of Applied Agriculture's Admissions & More

1123 Jull Hall
An information session for prospective IAA students and their families focuses on admissions, majors and programs. By invitation. **AGNR**

ALL-DAY EVENTS: 10 a.m.–4 p.m.

4-H Environmental Sciences

Animal Sciences Courtyard
Talbot County 4-H will feature interactive science activities with an environmental theme as part of the annual SET promotion. **AGNR**

4-H Science, Engineering and Technology

Animal Sciences Courtyard
Enjoy hands-on activities to promote and highlight the Maryland 4-H science, engineering and technology programs being conducted across the state. **AGNR**

4-H Serving America's Youth!

Animal Sciences Courtyard
Come learn how Maryland 4-H partners with military installations in Maryland and Europe to provide hands-on learning for military youth and take the 4-H military challenge. **AGNR**

4-H Tech Team

Animal Sciences Building
Stop by and enjoy demonstrations by the 4-H Tech Team. **AGNR**

Academic Avenue

Concourse, Animal Sciences Building
At this information center for all the majors in the College of Agriculture and Natural Resources, pick up materials to discover how our big ideas will affect you. **AGNR**

Animal Science—Technology

Animal Sciences Courtyard
Learn about 4-H animal science and the use of technology with animal projects. **AGNR**

Answers to Your Garden, Lawn and Pest Questions

Animal Sciences Courtyard
Experts from the Home and Garden Information Center will help you solve garden and landscape problems and avoid expensive mistakes. **AGNR**

Bean Bag Throw with the Dietetic Interns

Animal Sciences Courtyard
Dietetic interns have a beanbag game for children with nutrition prizes. Everyone wins. **AGNR, NFSC**

Beekeeping—How Sweet It Is!

Front yard, Animal Sciences Building
BUMBA (Bowie and Upper Marlboro Beekeepers Association) presents beekeeping for everyone. An observation hive will be available to better explain hive social behavior and bee anatomy. **AGNR**

Block & Bridle Presents: Interactive Farm and Livestock Show

Campus Farm
Come and stop by the show arena where there is fun for all ages. Watch students compete with their pigs, sheep and cows and take home a fluffy stuffed animal of your own. **AGNR**

Bus Road-E-O

Parking Lot 11B
Cheer on our bus drivers as they compete to see who can best maneuver a bus obstacle course. Have you ever seen a bus-pulling contest? Meet the people who keep the campus moving. **DOT**

Butterfly Gardens

Animal Sciences Courtyard
Want to attract butterflies to your yard? Learn how to build a butterfly garden. Learn more about the Institute of Applied Agriculture's programs, including ornamental horticulture. **AGNR**

Calvert County Master Gardeners

Animal Sciences Courtyard
Gardening fun for everyone. **AGNR**

Collegiate 4-H

Animal Sciences Courtyard
Want to know more about 4-H? Science? Agriculture? Engineering? Learn how children ages 8-18 can get involved in the UM 4-H Club. Sign up today. **AGNR**

Equestrian Club Horse Show

Animal Sciences Showing
Explore the campus farm and our herd of horses. The Equestrian Club hosts a horse show that includes everything from trainer and flat classes to jumping. **AGNR**

FDA Center for Veterinary Medicine

Concourse, Animal Sciences Building
The FDA Center for Veterinary Medicine invites you to earn a prize by learning how we protect animal and public health. We'll have information about our summer internship and products we regulate. **AGNR**

Face Painting and Hand Puppets

Animal Sciences Courtyard
Meet the sisters of Sigma Alpha professional agricultural sorority to make a hand puppet and have your face painted. **AGNR**

Fidos for Freedom

Animal Sciences Courtyard
Meet a group of remarkable dogs that provide assistance and companionship to people with disabilities. **AGNR**

Food and Nutrition Information Center, USDA-National Agricultural Library

Animal Sciences Courtyard
The Food Nutrition and Information Center from USDA's National Agricultural Library will provide information on foods and nutrition. **NFSC**

Get Your Cotton Candy Here, Folks!

Animal Sciences Courtyard
Indulge your sweet tooth with the Department of Environmental Science and Technology. **AGNR**

Grilling with AGR

Animal Sciences Courtyard
Enjoy flame-broiled culinary delights while meeting and learning about Alpha Gamma Rho. **AGNR**

Grilling with Grads

Animal Sciences Courtyard
The Animal Sciences Graduate Student Association/Poultry Science Organization will barbecue chicken. **AGNR**

Growing with Grains

Animal Sciences Courtyard
Learn about grains, their role as the foundation of civilizations and how they're used in everyday life. Make a grain-art jar using five different grains that originated from around the globe and take it home. **AGNR**

Hands on Minds on: 4-H Volunteer Leader's Association

Animal Sciences Courtyard
Explore hands-on adventures with 4-H. Expand your mind to learn about urban and rural youth activities in the arts, sciences, health, agriculture and more. **AGNR**

Harry R. Hughes Center for Agro-Ecology

Annex, Animal Sciences Building
Games and materials to provide a greater understanding of Maryland's agriculture and forests. **AGNR**

HealthSmart Exhibit

Animal Sciences Courtyard
Members of the HealthSmart team will be on hand with easy-to-understand information and activities to help families take action to exercise, eat well and keep their homes healthy. **AGNR**

Historical Farm Relics Exhibit

Animal Sciences Building
Visit a mini outdoor museum to see antique farm equipment. View tractors, dairy equipment and more. Presented by the AGNR Student Council. **AGNR**

Horseshoe Decorating and Face Painting

Animal Sciences Barns
Join the Equestrian Club in decorating a lucky horseshoe to take home, or get your face painted. Events will begin after the horse show. **AGNR**

Kiss a Pig

Animal Sciences Showing
See your favorite faculty and staff from the College of Agriculture and Natural Resources pucker up to a pig. **AGNR**

Marshes + Mosquitoes = Mayhem?

Animal Sciences Courtyard
Draining wetlands to control mosquitoes may be less effective than taking action in your own back yard. **AGNR**

Maryland 4-H Robotics

Animal Sciences Courtyard
Experience the variety of robotics platforms that youth ages 5-18 are engaged in across the state. **AGNR**

Maryland 4-H Youth Development Program

Animal Sciences Courtyard
Discover the variety of innovative 4-H projects available across the state through interactive and hands-on activities geared toward youth ages 8–18. **AGNR**

Maryland Homes, Neighborhoods and Environment

Animal Sciences Courtyard
Do you value the environment? Want a chance to win an iPod shuffle? Help us understand the importance to Maryland residents of homes, neighborhoods and the environment by participating in an easy survey. **AGNR**

Maryland Operation: Military Kids

Animal Sciences Courtyard
Join Operation Military Kids as we support kids of deployed soldiers. Make a sign and take a picture or record a message in support of military families. The pictures and recordings will be assembled to make a montage of support. **AGNR**

Maryland Rural Enterprise Development Center

Animal Sciences Building
Explore starting your own rural business and supporting rural communities. **AGEX**

Money Smart Impact Team Exhibit

Animal Sciences Courtyard
The Money Smart exhibit offers tips and activities for youth and families, helping them to manage money wisely and to set meaningful financial goals. **AGNR**

Patuxent River 4-H Center Environmental Adventures

Animal Sciences Courtyard
Enjoy hands-on activities for all ages that promote environmental stewardship. **AGNR**

Pet Cooling Station

Animal Sciences Courtyard
The UM VetSci Club will be providing water for visiting pets. Feel free to stop by to get a drink for your furry friend and support the club. **AGNR**

Picture Yourself With a Horse

Animal Sciences Barns
Want to meet the campus horses? Come tour our barn in the afternoon or take your picture with one of our friendly guys! The event will begin after the horse show. **AGNR**

Plant Science and Landscape Architecture—Planting Seeds for a Better Tomorrow

Front Plaza, Plant Sciences Building
Learn about sustainability with a real green-roof doghouse. Play mini golf. See landscape architecture and garden models. See separate listing for tours of the Greenhouse Complex and the UM Arboretum and Botanical Garden. **AGNR**

Putting for Prizes

Animal Sciences Courtyard
The Institute of Applied Agriculture welcomes you and your children to sink a putt and win a prize. Parents will have the opportunity to learn about the institute's full range of two-year programs, including golf course management. **AGNR**

Saving Endangered Species Through Reproductive Sciences

Concourse, Animal Sciences Building
Talk to experts from the National Zoo about the science behind saving endangered species around the world. **AGNR**

See a Real Terrapin!

Animal Sciences Courtyard
See live diamondback terrapins. Learn how you can help protect local species and their habitats. Meet Samuel, a friendly 6-foot-long, 20-year-old gray rat snake, all in partnership with the Mid-Atlantic Turtle and Tortoise Society. **AGNR**

Slushies and Cookies

Animal Sciences Courtyard
Come by and visit the Food Science Club and get an ice cold slushy in a variety of flavors made with fresh frozen fruit. Or get an assortment of gourmet cookies prepared by the club. **AGNR**

Tackling Childhood Obesity Through Healthy Diet and Physical Activity

Animal Sciences Courtyard
Learn about the obesity epidemic among children and its devastating consequences. The Expanded Food and Nutrition Education Program provides information and training in Maryland to empower children, their families and communities to find sustainable solutions to address this critical health issue. **AGNR, NFSC**

Test Your 4-H Knowledge

Animal Sciences Courtyard
Stop by the Maryland 4-H Foundation booth to test your 4-H knowledge with our 4-H Plinko board. While playing learn how you can support youth to "Make the Best Better!" **AGNR**

The More Green, the More Clean

Animal Sciences Courtyard
We will use a rainfall simulator to demonstrate how various forms of vegetation, bare soil and pavement impact the quality of runoff water and the potential for water pollution during a rainstorm. **AGNR**

The Science of Gummy Worms

Animal Sciences Courtyard
Learn the science of gummy worms through a hands-on experiment for any age. **AGNR**

Transportation-Rama

Parking Lot G2, Regents Drive Garage
Come take a walk on the fun side with DOTS. Win prizes, candy, raffles and other great giveaways. Lots of family fun with games, arts and crafts and balloon animals. **DOT**

Trash Treasures

Animal Sciences Courtyard
One kid's trash is another kid's treasure. Kids of all ages are invited to create unique crafts using recycled materials. **AGNR**

Grow It Eat It

Animal Sciences Courtyard
Save money and eat healthy this year with a vegetable garden. The Grow It Eat It campaign will show you how to start and care for a food garden. **AGNR**

Frontiers in Science

Concourse, Animal Sciences Building
The Beltsville Agricultural Research Center is the largest and most diversified agricultural research center in the world. Discover how technologies developed in partnership with UM can impact the community. **AGNR**

USDA APHIS Plant Protection and Quarantine

Concourse, Animal Sciences Building
Plant Protection and Quarantine (PPQ) is a program within the Animal and Plant Health Inspection Service (APHIS) of the U.S. Department of Agriculture. PPQ will be handing out information about protecting plant resources from harmful pests and diseases, recruitment and job opportunities, and more. **AGNR**

University of Maryland Extension: Your Front Door to the University

Animal Sciences Courtyard
This event showcases UM Extension's outreach mission and effort; introduces the organization's new name and highlights the focus of its educational programs. **AGNR**

VA-MD Regional College of Veterinary Medicine

Animal Sciences Building
Learn about the exciting and diverse profession of veterinary medicine. **AGNR**

What Tree Is This?

Animal Sciences Building
Test your tree identification skills. Get an inside peek at our online forestry course. Ask about upcoming training opportunities. Check out our natural resource publications. Learn about the many great forestry programs the UM Extension has to offer. **AGNR**

What Types of Soils Do You Have at Home?

Lobby, Animal Sciences Building
Come use the new online Web Soil Survey to discover what types of soils are at your home or on your land. Guests will locate their land using an online mapping system, print and take home a map and description of the soils and have the opportunity to speak with a soil scientist. This event is sponsored by the Department of Environmental Science and Technology in partnership with the USDA Natural Resources Conservation Service. **AGNR**

Where Does the Water Go?

Animal Sciences Courtyard
Join UM Sea Grant Extension specialists at this hands-on demonstration table and learn about the path water takes as it moves from the land to the rivers. You'll be amazed at what you see. **AGNR**

4-H STATE COMMUNICATION CONTEST: ALL DAY

Headquarters & Registration

0104 Plant Sciences Building
4-H contestants for all communication contests register and receive room assignments. **AGNR**

Prepared Speeches

0200, 0209, 0215 Symons Hall
Maryland 4-H members demonstrate their public speaking skills with prepared speeches. **AGEX, AGNR**

Radio Spots

0118, 0120, 0122, 0125 Skinner Building
Maryland 4-H members demonstrate their public speaking skills by presenting 30-second radio spots. **AGEX, AGNR**

Extemporaneous Speeches

1111, 1113, 1115, 1117, 1119, 1125, 1130, 1140 Plant Sciences Building
Maryland 4-H members demonstrate their public speaking skills with extemporaneous speeches. **AGEX, AGNR**

Interpretive Speeches

1111, 1113, 1115, 1117, 1119, 1125, 1130, 1140 Plant Sciences Building
Maryland 4-H members compete for state titles in junior (ages 8-10), intermediate (ages 11-13) and senior (ages 14-18) categories. **AGEX, AGNR**

biz & society hill

Surround yourself with exhibits in architecture, business, education, public policy, journalism and the social sciences. This neighborhood also includes events in Memorial Chapel and on Chapel Fields, home to our ROTC programs. **Biz & Society Hill** is highlighted in brown on the map.

10 a.m.–3 p.m.

Amazing Animals

Lobby, Benjamin Building
Meet the Student Council for Exceptional Children. Learn about the animal of your choice and create a paper animal to take home. **EDSP, EDUC**

10 a.m.–3 p.m.

Bookmark Bonanza

Lobby, Benjamin Building
Visit the Student Educators of Young Children. Sing a song, listen to a story and make your own bookmark. **EDUC**

10 a.m.–3 p.m.

Celebration Shakers and Crowns

1315 Benjamin Building
Why do people wear crowns? Learn the answer to this question and work with the College of Education art students to design, create and embellish a special crown just for you. **EDUC**

10 a.m.–3 p.m.

Get Your Face Painted

1315 Benjamin Building
Celebrate Maryland Day with a terrapin, letter "M" or "Go Terps" painted on your face! Meet the art education faculty and work with art education students to select your design and have some fun. **EDUC**

10 a.m.–3 p.m.

On the Wild Side

Lobby, Benjamin Building
Celebrate Maryland Day with the Teacher Education Association of Maryland students by creating a mask of your favorite animal or character. **EDUC**

10 a.m.–3 p.m.

The Art of Optical Illusions

1315 Benjamin Building
Stop by the College of Education to explore a few optical illusions. Create eye-popping art projects of your own. **EDUC**

10:30 a.m.–11:30 a.m.

Exploring Society to Create a Better World

0130 Tydings Hall
Learn about majors, minors and other opportunities to enhance your academic curriculum in the College of Behavioral and Social Sciences. **BSOS**

11 a.m.–noon

Are You Ready for College?

0102 Francis Scott Key Hall
Staff from the University Counseling Center will host a workshop about what incoming freshmen need to know to be successful college students. Learn strategies and resources from college students. **UMCC**

11 a.m.–noon

Pep Up with Positive Psychology

0116 Francis Scott Key Hall
This workshop will present principles, strategies and skills designed to help individuals increase their meaning, engagement and pleasure in life. **UMCC**

11:30 a.m.–1:30 p.m.

United Methodist Alumni Gathering

Main Chapel
The United Methodist Chaplaincy welcomes all alumni back to the Chapel for fellowship and updates on the ministry. **MC**

Noon–1 p.m.

2 p.m.–3 p.m.

Linking Your Interests to Potential Career Paths

0102 Francis Scott Key Hall
Take a career interest inventory, have it interpreted by a staff psychologist and discover possible career paths. Admission is limited to 50 people per session (minimum age 16), so pick up your free admission ticket outside Francis Scott Key Hall room 0102 anytime after 11 a.m. **UMCC**

1 p.m.–2 p.m.

College Math and the Math Placement Test Workshop

0102 Francis Scott Key Hall
This workshop will address the differences between high school-level and college-level math classes. The discussion will include information on the math placement exam required for all incoming freshmen, tips for success and how to interpret the results. A Q-and-A session will follow the workshop. **UMCC**

1 p.m.–2 p.m.

Stress Management 101

0116 Francis Scott Key Hall
This session is designed to teach you the basics of stress management, including a guided relaxation exercise, in hopes of providing you with a greater sense of pleasure, peace and well-being. **UMCC**

1:30 p.m.–2:30 p.m.

Department of Resident Life Staff and Alumni Gathering

Multipurpose Room, Annapolis Hall
Join current and former Department of Resident Life staff to reconnect and interact. **DRL**

Noon–1 p.m. 2 p.m.–3 p.m.

Career Workshop for Parents

0116 Francis Scott Key Hall
This session will help parents learn how to best help their child with future college major and career choices. Admission requires a free admission ticket, which can be picked up outside Francis Scott Key room 0106 starting at 11 a.m. **UMCC**

ALL-DAY EVENTS: 10 a.m.–4 p.m.

Air Force UH-1N Huey Helicopter

Chapel Fields
Come see one of the 1st Helicopter Squadron's UH-1N Huey helicopters. Talk to the air crew and find out what these Air Force warriors do. This crew is located at Andrews Air Force Base and conducts high-priority airlift and emergency medical evacuation missions in the Washington area, and supports the National Search and Rescue Plan. **ROTC, UGST**

Celebrating 40 Years of Excellence

Front Lawn, Tydings Hall
Meet the scholars, alumni and students who have been an integral part of the African American Studies Department as we celebrate 40 years of academic excellence, scholarly research and teaching. **BSOS**

Center for American Politics and Citizenship

Front Lawn, Tydings Hall
Learn about the Center for American Politics and Citizenship, which provides citizens and policy-makers with research on critical issues related to the nation's political institutions, processes and policies. **BSOS**

Chesapeake Bay Crabs, Oysters and Culture

Front Lawn, Woods Hall
Crabs and oysters are important to Chesapeake Bay culture and ecosystems. The exhibit showcases the anthropology department's ongoing research on the human dimensions of Chesapeake Bay restoration. **BSOS**

Comprehensive Assessment and Intervention Program

Front Lawn, Tydings Hall
The Comprehensive Assessment and Intervention Program offers free screening assessments for shyness in children and teenagers, and conducts community-based research on how parents and teenagers relate to each other. **BSOS**

Great Oaks of Maryland—Grow Something Awesome!

Chapel Fields
Come to the large oak tree down the hill from the Chapel where you'll find seedlings from area trees that are either noteworthy in size or uncommon in the landscape. New for this year: trees given away in pairs to maximize viable offspring. Come and discuss the multiple services they provide you and your community. Similar seedlings sell for as much as \$60. Get yours free. **AGNR**

10 a.m.–3 p.m.

Learn Chinese

Lobby, Benjamin Building
Visit the College of Education lobby to meet the coordinator of the Center for Chinese Language Teacher Development and Certification, and learn how to write and speak a few words in Chinese. **EDUC**

Hear the Turtle

Front Lawn, Tydings Hall
Discover advanced hearing technology. Connect to your iPod or your cell phone. Learn about assistive devices, cochlear implants and speech perception. **BSOS**

Hillel Open House

Hillel Center
Join Hillel for Shabbat services at 9:30 a.m. followed by lunch at 12:15 p.m. Lunch reservations are required and can be made at www.marylandhillel.org/shabbat. Tours of the center will be held on the hour beginning at 2 p.m. **HC**

History of the Chapel: A 57-Year Journey

Foyer Chapel, Main Chapel
The memorial stands in honor of alumni who are U.S. veterans. Visit us to see a timeline of artifacts and images representing the architecture, veterans, religious life, chapel quilt and original student petition that established this beloved building. **MC**

Immigrants in the Maryland Landscape

Front Lawn, Woods Hall
A video of immigrant residents of Prince George's County and descriptive panels on the history of immigration to the region will engage the public in reflections on the contemporary United States. **BSOS**

Maryland Psychotherapy Clinic and Research Lab

Front Lawn, Tydings Hall
Research has conclusively shown that psychotherapy is effective. Come learn more about our clinic, which offers individual psychotherapy to people experiencing difficulties with relationships, depression/anxiety, grief and the meaning of life. **BSOS**

Music and the Chapel

Main Chapel
Enjoy the impressive acoustics at Memorial Chapel as student performing groups share their talent. Performances begin at 11:30 a.m. **MC**

Test Your Terrorism IQ

Front Lawn, Tydings Hall
Join the National Consortium for the Study of Terrorism and Responses to Terrorism, or START, to learn about the similarities and differences between what people commonly perceive to be true about terrorism and what research has shown to be fact. **BSOS**

science & tech way

Science, whether physics, biology, engineering, chemistry or mathematics, is for everyone. Learn about laser technology and extreme robotics, then get blasted in the Glenn L. Martin Wind Tunnel. Explore skeletons, vibrations, modern electronic devices and the weather and find out why physics is fun. Don't miss some out-of-this-world events with NASA's Goddard Space Flight Center. **Science & Tech Way** is highlighted in purple on the map.

8:30 a.m.–1 p.m.

Discover Engineering

3201 J.M. Patterson Building

High school students interested in science, technology, engineering and math should participate. Receive information from engineering students and participate in hands-on activities. The registration form is available at www.eng.umd.edu/SWE/programs.htm. **ENGR, SWE** 🎓

10 a.m.–11 a.m.

Meet the Dean of Computer, Mathematical and Physical Sciences

1115 Computer Science Instructional Center

Sit in on an informative meeting hosted by the dean, department chairs, staff and current students. Learn about our highly ranked departments, world-class faculty, numerous student support services and undergraduate participation in exciting research. **CMPS** 🎓

10 a.m.–noon

1 p.m.–3 p.m.

Fire Lab Demos

3200 J.M. Patterson Building

Come to our laboratories and see an astounding four-meter fire tornado. Also on display will be a scale room fire, fire sprinkler sprays, and smoke visualizations. **ENFP, ENGR**

10 a.m.–1:30 p.m.

Chemathon: The Chemistry of Energy & the Environment

G. Forrest Woods Atrium, Chemistry Building

Developments in chemistry will be highlighted in a competition. View the work of talented high school students. **CHEM, CLFS**

10 a.m.–3 p.m.

Explore the Jeong H. Kim Engineering Building

Rotunda, Jeong H. Kim Engineering Building
Tour the engineering building and explore the facility where cutting-edge research takes place throughout the 31 state-of-the-art labs. Discover the exciting worlds of nanotechnology, microelectromechanical systems, transportation systems and space systems. The building itself is a lab including internal bridges, exposed systems and more. Tours leave on the hour. **ENGR** 🎓

10 a.m.–3 p.m.

Insect Petting Zoo

1161 Plant Sciences Building

Imagine tarantulas, exotic insects, scorpions, bees and millipedes longer than your hand for you to look at and touch—if you dare. **CLFS, ENTM** 🦋

10:30 a.m.–11:30 a.m.

Meet the Dean of Chemical and Life Sciences

1101 Bioscience Research Building

Medicine, dentistry, biology, chemistry, neuroscience, environmental science, biotech industry or graduate research. Where will a degree in chemical or life sciences take you? **CLFS** 🎓

10:30 a.m.–11:30 a.m.

Ultra-Cold and Really Cool

John S. Toll Physics Building

UM's Joint Quantum Institute and Physics Frontier Center will conduct tours of selected laboratories in the Toll Building and nearby locations. Among the highlights, visitors can study a single atom trapped in a cage of electrical and magnetic fields and see how scientists created conditions much colder than outer space. Protective glasses are provided and required. **CMPS, JQI, PHYS**

10:30 a.m.–11:15 a.m.

11:30 a.m.–12:15 p.m.

Meet the Engineering Dean: A Prospective Student Information Session

1110 Jeong H. Kim Engineering Building

Discover the academic programs and exciting opportunities that await you in the A. James Clark School of Engineering. **ENGR** 🎓

10:30 a.m.–11:30 a.m.

12:30 p.m.–1:30 p.m.

Physics Is Phun: Sound and Light

1412 John S. Toll Physics Building

Enjoy a real crowd pleaser. Our renowned Physics is Phun program is great for all ages. **CMPS, PHYS** 🦋

11:30 a.m.–noon

Tour the Center for Nanophysics and Advanced Material

Lobby, John S. Toll Physics Building

See where great physics happens. Meet in the Physics lobby. **CMPS, PHYS**

11:30 a.m.–1:30 p.m.

Liquid Nitrogen Ice Cream

Front Lawn, John S. Toll Physics Building

You've had 31 flavors, but we bet you haven't had ice cream like this. MRSEC's homemade specialty tastes great and is safe for children of all ages. Come try it (while supplies last). **CMPS, PHYS** 🦋

1 p.m.–2 p.m.

Cosmic Ray Lab Tour

Lobby, John S. Toll Physics Building

Come on a virtual journey as you tour our cosmic ray lab. Physicists work in the lab to build state of the art particle detectors to fly on gigantic balloons in Antarctica. **CMPS, PHYS**

2 p.m.–3 p.m.

The Complex Dynamics of Cancer: A Physics Perspective

1201 John S. Toll Physics Building

Professors Wolfgang Losert and Michelle Girvan will give a description of their current research. Come hear the physics perspective on this big issue. **CMPS, PHYS**

ALL-DAY EVENTS: 10 a.m.–4 p.m.

367,000 Gallons of Outer Space

Neutral Buoyancy Research Facility

How can we learn about working in space without leaving Earth? The best way is to go underwater. Come see our 50-foot-wide, 25-foot-deep version of outer space. Watch space and undersea robots in a one-of-a-kind test facility. Learn about our close ties to NASA's Goddard Space Flight Center. For more details and demo schedules, check out ssl.umd.edu. **ENAE, ENGR**

A. James Clark School of Engineering Information Fair

Plaza, Jeong H. Kim Engineering Building

Discover the majors and opportunities that are available in the A. James Clark School of Engineering. **ENGR** 🎓

Airplanes, Cars, Trucks, Sailboats, Submarines and even Hurricanes: We Do It All!

Glenn L. Martin Wind Tunnel

Learn how the tunnel works and how it is used in aerodynamic studies. Experience a short blast in the Wind Tunnel. Last tour begins at 3:30 p.m. **ENAE, ENGR**

Ask an Astronomer

Front Lawn, Glenn L. Martin Building

Astronomy faculty and students will be on hand to answer your perplexing astronomy-related questions. **ASTR, CMPS**

Bone Collector & Forensic Science

1164 Plant Sciences Building

Skeletons. Forensics. Can you piece together the facts from all that remains? **CLFS**

CMPS Science Hunt

Front Lawn, Mathematics Building

Learn more about the College of Computer, Mathematical and Physical Sciences. Complete the Science Hunt quiz by collecting answers from each of the college departments' presentations and demonstrations. You will receive a prize and be entered in a raffle to win an iPod Touch. **CMPS** 🎓

Carbon Footprint? But I Didn't Step in Anything

Lobby, Bioscience Research Building

Using fluorescent lamps and carpooling isn't the whole solution. What affects your footprint? How can you reduce it? Try your hand at building a windmill. **CLFS**

Center for Minorities in Science & Engineering Program

Plaza, Jeong H. Kim Engineering Building

Explore robotics and participate in hands-on activities and demonstrations. **ENGR** 🎓

Chemistry Fun for Kids of All Ages

Front of Building, Chemistry Building

Have fun learning about chemistry. Learn the science of Silly Putty, see a trash can rocket into the air and much more. **CHEM, CLFS** 🦋

Chemistry Magic

Front of Building, Bioscience Research Building

This looks to be one explosive event. Can you shatter a rubber ball? Make putty? Will you see magic or chemistry? Have fun watching the chemists play. **CHEM, CLFS** 🦋

Comcast Multimedia Signal Processing Lab and Sony Studio-Theater

Innovation Hall of Fame, Jeong H. Kim Engineering Building

This demonstration provides visitors with hands-on experience in the latest multimedia research and education in electrical and computer engineering. See interactive demos on multimedia technologies and try out interesting projects from cutting-edge research. **ENEE, ENGR**

Come Dig It

Outside, Geology Building

Come dig for freshwater shark teeth from the Chesapeake Bay. **CMPS, GEOL** 🦋

Discover the Swamp

1162 Plant Sciences Building

Capture and observe the small aquatic creatures found in nearby wetlands. Learn about their behavior as they swim through water and climb on plants. **CLFS, ENTM**

Engineering in Action

Plaza, Jeong H. Kim Engineering Building

Visit our entertaining student-designed engineering projects. **ENGR** 🎓

Experience V911

Front Lawn, Mathematics Building

Come see next-generation public safety technology that is location-aware and uses real-time audio/video. Experience all this with a push of a button on a mobile device. **CMPS, CMSC**

Fire Show

Plaza, Jeong H. Kim Engineering Building

What's that mystery liquid that extinguishes fires? What makes a fire whirl whirl? How many candle tricks can you do? Come see some amazing flames and learn about fire from our students and faculty. **ENFP, ENGR**

Fun with Illusions

Lobby, John S. Toll Physics Building

What you see is NOT what you get. Learn about the physics behind optical illusions through interactive demonstrations. **CMPS, PHYS**

Germs: Don't Get 'em! Don't Spread 'em!

1171, 1172 Plant Sciences Building

Test how well you wash your hands. A special microscope shows the dirt. Learn how quickly germs can spread and how to prevent them from spreading to you. **CLFS**

Magnified Materials

1237 Jeong H. Kim Engineering Building

Tour the Nanoscale Imaging, Spectroscopy, and Properties Laboratory. Get up close and personal with common objects magnified greater than 10,000 times. Tours on the hour. **ENGR, ENMA**

Make a Microbe

Lobby, Bioscience Research Building

Life science games and fun. Make a microbe and take it home. **CLFS** 🦋

Make a Pet Rock

Outdoor, Geology Building

Show your creativity by making your own unique pet rock. **CMPS, CPS, GEOL** 🦋

Make and Take Mini Physics Demos

Front Lawn, John S. Toll Physics Building

Make physics magic. Use common household ingredients to make slime and much more. **CMPS, PHYS** 🦋

Maryland Cooperative Autonomous Vehicle Systems

Plaza, Jeong H. Kim Engineering Building

Students from the autonomous robotics course will exhibit several wheeled robots. The robotic platforms are four-wheel-drive enabled, utilizing dual-core processing and optical and proximity-based sensors. **ENEE, ENGR**

Maryland Magma Makers

1108 Geology Building

Come watch hot magma made from rock right in front of your eyes. **CMPS, GEOL**

Maryland Optics Group

Plaza, Jeong H. Kim Engineering Building

See various kinds of lasers in action. Learn about new ways of using lasers for optical communication and sensing. Visit the Electrical and Computer Engineering table for demonstration information. **ENEE, ENGR**

Maryland Water Resources Research Center

Plaza, Jeong H. Kim Engineering Building

Explore new technology and more efficient methods for resolving local, state and national water resource problems. **ENEE, ENGR**

Materials Teaching Lab Demos

1135 Jeong H. Kim Engineering Building

Tour the Materials Teaching Lab, which allows students to study various materials and their mechanical, electrical and magnetic properties. See how a material breaks. Demos and tours on the half-hour. **ENGR, ENMA**

Materials in Modern Technology

2310 Jeong H. Kim Engineering Building

Tour the FabLab. See how modern electronic devices are made in this state-of-the-art clean room. Tours on the hour. **ENGR, ENMA**

Materials in Your Life

Plaza, Jeong H. Kim Engineering Building

Interactive demonstrations and hands-on activities featuring materials used in modern technology. **ENGR, ENMA**

Meissner Effect Demo

John S. Toll Physics Building

The Joint Quantum Institute and the Physics Frontier Center will demonstrate the Meissner Effect. **CMPS, JQI, PHYS**

Microelectromechanical Systems

Plaza, Jeong H. Kim Engineering Building

See a micro-motor the size of a nickel, tiny optical switches for routing Internet traffic, biological sensors for trapping DNA and custom silicon lenses for focusing X-rays. Visit the Electrical and Computer Engineering table for tour information. **ENEE, ENGR**

Learn About Severe Weather at the ABC 7 Storm Chaser

Front Lawn, Mathematics Building

Come meet ABC 7/WJLA-TV and News Channel 8 reporters and get an up-close look at the ABC 7 Storm Chaser. **UNRL**

MdBioLab

Stadium Drive, Chemistry Building

Visit the MdBioLab, a vibrant hub of hands-on bioscience learning and training. Hear what Maryland high school students learn about biotechnology. **CLFS** 🎓

BAE Systems: A Pioneer in Technology

Plaza, Jeong H. Kim Engineering Building

BAE Systems Inc. is an international company engaged in the development, delivery and support of advanced defense and aerospace systems in the air, on land, at sea and in space. Learn how BAE provides support and service solutions for current and future defense, intelligence and civilian systems. **ENGR, UNRL**

Minerals and the Earth: The Stuff of Life

2118 Geology Building
See and touch pieces of the planet's insides. These minerals, rocks and gems are the raw materials of life. **CMPS, GEOL**

Office of Advanced Engineering Education

Plaza, Jeong H. Kim Engineering Building
Learn about the Professional Master of Engineering and Graduate Certificate in Engineering programs designed for working engineers, as well as our custom short courses, workshops and license reviews. **ENGR**

Physics Demos

Front Lawn, John S. Toll Physics Building
Use a bicycle to generate electricity or shoot a pencil through a block of wood. Come try these and some of our other interactive demos. **CMPS, PHYS**

Poly-Fun with Slime & Colors

Plaza, Jeong H. Kim Engineering Building
Discover chemical engineering through an array of stimulating hands-on activities, including classical slime, Super Soaker poly-gel, dancing black ink, Silly Putty and more. You make it, you take it. **ENCH, ENGR**

Pondering Planets

Front Lawn, Mathematics Building
What is a planet? The AstroTerps will help you explore the basic properties of planets in order to understand the current definition, as well as make your own definition of a planet. **ASTR, CMPS**

Probability and Chaos

Front Lawn, Mathematics Building
Demonstrations and exhibits illustrate the mathematical principles involved in probability and chaos theory with applications. **CMPS, MATH**

R2D2 Meets Buzz Lightyear

1309 Jeong H. Kim Engineering Building
Check out the Advanced Robotics Development Laboratory, and see robots for space exploration, undersea science and medical rehabilitation. Find out how space suits are made and tested. **ENAE, ENGR**

Respiratory Health

Plaza, Jeong H. Kim Engineering Building
Measure your respiratory resistance with the airflow perturbation device. Talk about the latest advances in bioengineering. **BIOE, ENGR**

Shake It Up!

Plaza, Jeong H. Kim Engineering Building
Use Legos and other supplies to build your own buildings, bridges or other structures, which will then be subject to simulated earthquakes on a shake table. See how long your design will last before crashing into pieces. **ENCE, ENGR**

Smoke Ring Cannons

Front Lawn, John S. Toll Physics Building
Make giant smoke rings with physics researchers. Two cannons make for amazing motion when rings collide. **CMPS, PHYS**

So You Want to Be a Helicopter Pilot?

Lawn, Manufacturing Building
View the inside of a real (but grounded) helicopter. **ENAE, ENGR**

Solar Observing

Front Lawn, Mathematics Building
Take a safe look at the big yellow (or red, depending on the filter) ball in our sky through telescopes with observatory staff. **ASTR, CMPS**

Spectacular Space Science

Front Lawn, Glenn L. Martin Building
The universe is closer than you think. It begins right here with the partnerships between the researchers in UM's College of Computer, Mathematical and Physical Sciences and NASA's Goddard Space Flight Center. Stop by to explore comets, black holes, the sun, moon and universe with scientists and team members from those missions and projects. **ASTR, CMPS, JSI**

Exploring Extraordinary Earth!

Front Lawn, Glenn L. Martin Building
Explore our ever-changing planet with Earth system scientists from UM, NASA, and NOAA. Build your own instruments to measure winds and rain fall amounts. Harvest water and learn about the water cycle. Participate in these and other Earth science-themed activities. **AOSC, CMPS, ESSI, GEOL**

Explore Life Questions with Biology Answers

Hornbake Plaza
Puzzle over a killer disease. Play a game to save an endangered species. Color and reveal secrets of the brain. **CLFS**

Stabilizing an Inverted Pendulum

Innovation Hall of Fame, Jeong H. Kim Engineering Building
See the undergraduate student-designed experiment that uses a computer-controlled system to flip a pendulum into its unstable position and stabilize it there. **ENEE, ENGR**

Student-Designed Electric Guitar

Plaza, Jeong H. Kim Engineering Building
We are developing new approaches to building guitar electronics that integrate the techniques and technologies from both electrical and computer engineering, including a modular preamp design developed by students. **ENEE, ENGR**

Terps Racing

Plaza, Jeong H. Kim Engineering Building
See the Formula-style and Baja race cars designed and built by engineering students. **ENGR, ENME**

Take a Walk to the Moon

Parking Lot FF, Neutral Buoyancy Research Facility
Wonder what it's like to explore the moon? Visit our Moonyard with lunar habitat and rover mockups. Drive simulated rovers and watch space suit and robotic demonstrations. **ENAE, ENGR**

Terps Miniature Golf

Plaza, Jeong H. Kim Engineering Building
Test your putting skills at the Engineering Alumni Chapter mini-golf hole. See if you can make a hole in one while learning about the engineering involved in golf. **ENGR M**

Test Your Lung Function

Plaza, Jeong H. Kim Engineering Building
Interactively test your pulmonary power. See demonstrations of state-of-the-art biomedical equipment used to measure respiratory resistance in humans. **BIOE, ENGR**

What Grown-ups Learn from Playing with Sandpiles

Front Lawn, John S. Toll Physics Building
Sand can flow like water, but we can't swim in it. We can build a sand castle, but it will suddenly crumble. Learn about the science of sand. **CMPS, PHYS**

Where Engineering Meets Nature: The Autonomous Vehicle Laboratory

3139 Jeong H. Kim Engineering Building
Learn how engineers are replicating the sensory abilities of the fruit fly and brown bat and mimicking the long-distance flight of albatrosses! This lab conducts research in all aspects of autonomy, flight dynamics, stability and control of biological and microrobotic systems, all inspired by biology and nature. **ENAE, ENGR**

arts alley

Indulge your artistic talents and explore scores of student and faculty performers and artists who will be showcased throughout this talented neighborhood. Performances and exhibits abound at the Clarice Smith Performing Arts Center and the Art/Sociology Building. Stop by the College of Journalism's new home, spectacular Knight Hall. **Arts Alley** is highlighted in light blue on the map.

9 a.m.–10 a.m.

Welcome to Maryland!
Dekelbom Concert Hall, Clarice Smith Center
Are you a prospective student interested in applying to the university? Join us for an informative session to give you and your family a comprehensive overview of the admissions process along with a glimpse of what it's like to be part of the UM community. **OUA**

10 a.m.–11 a.m.

Arts & Humanities Admissions
Kay Theatre, Clarice Smith Center
With the college's more than 50 majors and minors, you'll be encouraged and challenged to broaden your perspective: Learn Arabic; read Shakespeare; become globally engaged through cultural and language immersion programs; intern at the Smithsonian. Hear from the admissions coordinator and current students about these and other opportunities! **ARHU**

10 a.m.–11 a.m.

Aspiring to Be a Journalist?
1208 Knight Hall
Gather information about our major and hear from a student panel. College representatives will be available to answer questions. **JOUR**

10 a.m.–11 a.m.

Get to Know the Dean for Undergraduate Studies
2203 Art/Soc Building
Meet Donna Hamilton, dean for Undergraduate Studies, and other representatives of undergraduate education to learn about the academic majors at UM, learning communities, Letters and Sciences for undeclared students and other programs and activities. **UGST**

10:15 a.m.–10:45 a.m.

10:45 a.m.–11:15 a.m.
11:15 a.m.–11:45 a.m.
Rhythmic Movement Games
Dance Studio II, Clarice Smith Center
Kids and parents alike will enjoy this on-your-feet, groove-to-the-beat fun. Kick off your shoes and come along. **CSPA**

10:30 a.m.–11:15 a.m.

1:30 p.m.–2:15 p.m.
Department of Dance: The Choreographic Process
Dance Theatre, Clarice Smith Center
Watch and learn about the creation of new dance with Department of Dance graduate students and faculty. **CSPA**

10:30 a.m.–11:30 a.m.

Men's & Women's Chorus
Dekelbom Concert Hall, Clarice Smith Center
Enjoy the joyful sounds of the UM Men's and Women's Chorus directed by Stephen Holmes and Timothy Reno. **CSPA**

10:30 a.m.–2:30 p.m.

Music, Dance and Theatre Admissions Info Table
Grand Pavilion, Clarice Smith Center
Calling all aspiring artists! Become a Terp and hone your craft at UM. Admissions representatives and graduate students from the university's dance, music and theatre departments will be available to answer your questions. **CSPA**

10:30 a.m.–11 a.m.

Noon–12:30 p.m.
Sigma Alpha Iota Music Fraternity
Grand Pavilion, Clarice Smith Center
Student musicians from the nationally recognized music fraternity Sigma Alpha Iota will fill the center's lobby with uplifting classical music. **CSPA**

10:30 a.m.–11:15 a.m.

UM Community Band
School of Music Courtyard, Clarice Smith Center
Faculty, staff and the community at large play in this energetic ensemble directed by John Wakefield, past chair of UM Bands. Canceled in the event of rain. **CSPA**

10:45 a.m.–11:30 a.m.

Percussion Ensemble
Gildenhorn Recital Hall, Clarice Smith Center
Enjoy the rhythmic sounds of the Percussion Ensemble directed by Lee Hinkle. **CSPA**

11 a.m.–11:30 a.m.

11:30 a.m.–noon
12:30 p.m.–1 p.m.
Music Technology at Maryland
Music Technology Lab, Clarice Smith Center
Learn how computers and synthesizers are used by composers and performers to create musical sound and printed music, offered by doctoral student Rob Collier. **CSPA**

11 a.m.–11:45 a.m.

Hip-Hop Dance Workshop
Dance Studio I, Clarice Smith Center
Get your groove on with Joe's Movement Emporium. Beginners welcome! Space is limited; arrive early. **CSPA**

11 a.m.–1 p.m.

"Jeopardy!" The Journalistic Way
1101 Knight Hall
Who, what, when, where, how and why? Test your knowledge and skills about journalism and current events. **JOUR**

11 a.m.–noon

Asience
3736 Clarice Smith Center
Don't miss the opportunity to discover significant works of Asian American theater. **CSPA**

11 a.m.–1 p.m.

Light Lab Showcase
Light Lab, Clarice Smith Center
Department of Theatre students give you an up-close and personal look into the wonders of theatrical lighting design. It promises to be an illuminating experience. **CSPA**

11 a.m.–1:30 p.m.

Prop and Paint Shop Tour
Prop and Paint Shop, Clarice Smith Center
Meet staff and student members of the center's prop and paint shops to learn about how scenery and props are created and finished. **CSPA**

11 a.m.–3 p.m.
