

MARYLAND DAY

EXPLORE OUR WORLD!

Join us for the 13th annual Maryland Day, a family-friendly event that features hundreds of interactive exhibits, workshops and live performances. Come and discover the best of our academics, athletics and the arts along with new fare like our health and fitness festival.

Plan Your Day: Use Our Learning Neighborhoods

Read through the program book and make note of events and activities that most interest you. To make it easier, we've divided the campus into "learning neighborhoods" listed below. Events are consolidated by areas of interest.

Maryland Day has something for everyone!

Students, Faculty and Staff: Bring your friends and family and show them why you are proud of your world-class university.

Bring Your Family and stay for the day. Events and activities for families and young children are marked with this symbol: 😊

Prospective Students: See why you should choose the best. Stop by the Mitchell Building between 10 a.m. and 4 p.m. with any questions related to Undergraduate Admissions. Prospective student (and parent) events and activities are marked with this symbol: 👁️

Alumni: Welcome back. Visit with fellow alumni at the Samuel Riggs IV Alumni Center, a beautiful home for all Maryland graduates. Alumni events and activities are marked with this symbol: 🏠

Sample Listing

11:30 a.m.-noon
12:30-1 p.m.

Music Technology at Maryland

Music Technology Lab, Clarice Smith Center

Learn how computers and synthesizers are used by composers and performers to create musical sound and printed music, offered by music graduate student Mark Nowakowski.

M

TERP TOWN CENTER

McKeldin Mall, home to the university's premier library and a magnet for campus activity, the Stamp Student Union and the surrounding area become Terp Town Center. Learn about our schools and colleges, catch live performances under the Big Top and find a bite to eat. Don't miss events from some of our research partners including the Smithsonian and National Archives. **Terp Town Center is highlighted in red on the map.**

THE BIG TOP

Join us under the Big Top on McKeldin Mall for live performances featuring talented UMD students and alumni. Enjoy some time at our main outdoor stage as UMD's student-run radio station, WMUC, mixes tunes between performances. **UNRL** 😊

10:30-11 a.m.

Scottish Country Dance

Royal Scottish Country Dance at Maryland showcases Scottish heritage. This social tradition is still danced in Scotland and around the world to the tunes of fiddles and bagpipes.

11-11:30 a.m.

Maryland Honor Guard Performance

Air Force ROTC cadets display their teamwork and talents through an expert demonstration of performance drill.

AFROTC, UGST

11:30 a.m.-noon

Off the Wall

Off the Wall is UMD's only student group exclusively dedicated to stand-up comedy. Its members appeared in "National Treasure 3: Return of the Treasure Goblin."

An Hour with UMD Children's Book Authors

Noon-12:30 p.m.

Jeff Kinney '93, bestselling author of the "Diary of a Wimpy Kid" series, Returns to Maryland

Bestselling author and cartoonist Jeff Kinney returns to his alma mater and home state to speak about his wildly successful "Diary of a Wimpy Kid" series. Jeff will talk about his time at the University of Maryland, the books and the making of "Wimpy Kid" movies. **BSOS, UNRL** 😊

12:30-1 p.m.

Laura Duksta '91 Empowers Children to Shine

Bring your children and join Laura as she shares her lauded school program "Self-Esteem Through Love: Empowering Our Children to Shine!" **BSOS, UNRL** 😊

1-1:30 p.m.

TerraPind Bhangra

Bhangra is a cultural folk dance from the Punjab region of India. TerraPind Bhangra, a new co-ed dance group on campus, strives to represent and share the rich artistry of Punjab at the university. *Balle Balle!*

1:30-2 p.m.

DeCadence A Capella

DeCadence is Maryland's newest a cappella group, featuring an eclectic repertoire.

2-2:15 p.m.

Enjoy the Generics

Don't miss Maryland's only all-male a cappella group as it performs all types of music, from rap and rock to pop and old-school classics.

2:30-3 p.m.

Krav Maga

Watch black-belt experts demonstrate the hand-to-hand combat system of Krav Maga, developed in Israel and used by Israeli Defense Forces. **ARHU, GIS**

3-3:30 p.m.

Breakdancing with the B-Terps

B-Terps is the UMD break-dance club. Battles are a defining element of the break-dance culture, so watch as some of our members take on one another under the Big Top!

3:30-4 p.m.

Filipino Dance

The Filipino Cultural Association's cultural dance team shows off new choreography by Don Verde as it celebrates Filipino culture.

Get the Facts on Insurance

The Maryland Insurance Administration regulates the business of insurance in the state. Representatives are on hand to distribute information regarding all types of insurance and address your questions and concerns. **UNRL**

Guess the Amount

Visit the Bursar's Office and win prizes if you guess the amount in the money jar. **BSUR**

Volunteer Opportunities for Seniors

Do you have time or skills to share? Stop by to learn about the many volunteer opportunities available on campus, and the benefits of joining the Senior Volunteer Service Corps. **CVS**

COLLEGE AND DEPARTMENT TENTS MCKELDIN MALL ALL-DAY EVENTS: 10 a.m.-4 p.m.

A. JAMES CLARK SCHOOL OF ENGINEERING

Engineers Without Borders

The award-winning chapter of Engineers Without Borders partners with disadvantaged communities to improve their quality of life through environmentally and economically sustainable engineering projects. Learn about new and completed projects in Burkina Faso, Ethiopia, Peru and Brazil. **ENGR**

CITY OF COLLEGE PARK

City of College Park-You Are Here

Welcome to the City of College Park, home of the University of Maryland. Meet city officials, civic organizations and regional recreation/tourist agencies. Learn about local services, resources and other public interests. **CCP**

COLLEGE OF ARTS AND HUMANITIES

11:30 a.m.-2:30 p.m.

Playing the Past

Get involved with retro gaming consoles and talk with students about the research projects we have involving the preservation of video games. **ARHU, MITH**

Around the World in 40 Languages

Using our green screen photo booth, have your picture taken in front of the country of your choice, then send an e-postcard to friends and family. **ARHU, NFLC**

Deep Thoughts by Honors Humanities

Come by to receive a provocative piece of wisdom from the greatest thinkers and sages in human history—and register to win a free Amazon Kindle on which you can access them all. **ARHU**

Explore ARHU

Meet students and advisers from the College of Arts and Humanities to learn how you can explore your passion, discover your purpose and feed your creativity through academic majors and other opportunities in the college. **ARHU** 🗺️

Philosophical Advice: \$.05

The philosopher is in. Bring your philosophical questions to members of our philosophy department. Nickels are free. **ARHU, PHIL**

Tel Aviv Graffiti Mural

Street art: You've seen it, now help make it. Come and help create a community mural and watch a visiting artist from Artists4Israel create a mural for peace. **ARHU, GIS**

The Middle East at Maryland

Have your name written in beautiful calligraphy. Learn how to say hello in Arabic and Persian. Savor some Middle Eastern foods. Find out more about the language flagship programs at UMD and meet current flagship students. **ARHU, SLLC** 😊

Write Your Name in Greek, Latin and More

Stop by to learn how to write your name and introduce yourself in a variety of languages including Greek, Japanese, Russian and more. **ARHU, CLAS, SLLC** 😊

COLLEGE OF BEHAVIORAL AND SOCIAL SCIENCES

10:15-11:30 a.m.

Meet New York Times Bestselling Author Laura Duksta '91

Laura Duksta will talk about her book "I Love You More" and her mission to generate the conversation of love around the world. Listen as she reads from her just-released second title, "You Are a Gift to the World, The World is a Gift to You." Stop by the Stamp Student Union Bookstore from 9:30 to 10 a.m. or the BSOS tent from 3 to 4 p.m. for a book signing with Laura. **BSOS, UNRL** 😊

1-2:30 p.m.

Jeff Kinney "Diary of a Wimpy Kid" Book Signing

Get up to two "Diary of a Wimpy Kid" books signed by Jeff Kinney. To accommodate as many people as possible, Jeff will be signing his name only. **BSOS, UNRL** 😊

A Model Excavation

The Department of Anthropology uses archaeology to increase understanding of the City of Annapolis' past. The project—Archaeology in Annapolis—has an interactive exhibit to show young visitors how to use archaeological methods to learn about the history of the world we live in. **BSOS**

Get to Know the College of Behavioral and Social Sciences

Meet deans, academic advisers, students and alumni. Learn about academic majors, research opportunities, internships, education abroad opportunities and other programs in the college. **BSOS** 🗺️

COLLEGE OF EDUCATION

10 a.m.-3 p.m.

Bubbles!

Meet student members of Kappa Delta Pi and hear them explain how bubbles are formed and why they float. While there, have a little fun and blow some bubbles of your own. **EDUC** 😊

11 a.m.-2 p.m.

Calling All College of Education Alumni

Stay connected with the college even after you have left the halls of Benjamin. Visit the college tent, meet your alumni chapter board members and learn about upcoming alumni events. Update your current contact information and receive a gift. **EDUC** 🗺️

11 a.m.-2 p.m.

Terp Trivia

Stop by the College of Education tent and play "Terp Trivia." Win a prize if you answer the question correctly. **EDUC**

Noon-1 p.m.

Meet and Beat the Deans and Department Chairs

Stop by the College of Education tent and challenge the deans and department chairs in a Maryland football game bean bag throw. Win a prize. **EDUC** 🗺️

College of Education Graduate Programs

Explore the different graduate education programs offered by the college in the areas of curriculum and instruction; human development, counseling and personnel; education leadership, higher education and international education; policy studies; measurement, statistics and evaluation; and special education. **EDUC** 🗺️

Thinking About Becoming a Teacher?

Learn about the undergraduate and graduate teacher certification programs in the College of Education. **EDUC** 🗺️

COLLEGE OF INFORMATION STUDIES

See the Future of Information

Cutting-edge iSchool research is transforming the way we manage and consume information. Faculty present talks on information security, social networking, online communities, information ethics and information policy, just to name a few topics. Please join us for ongoing talks and goodies. **CLIS**

DIVISION OF RESEARCH

Research Rocks!

Learn how research and technology is helping solve global problems and growing Maryland's technology-based economy. For friends and alumni, play "Who Wants to Win a University of Maryland Fun Meter." For children, experiment with candy to learn fundamental principles of science. Research does rock at Maryland! **UMRES** 😊

ENVIRONMENTAL SAFETY

Safety, a Part of Everything We Do

Let's have some fun, learning about how to be safe every day. Experience games, prizes and fun for all. **ENVS**

FACILITIES MANAGEMENT

Explore our World in 2030

Come get a view of the 2030 Facilities Master Plan update, which will provide a framework and vision for the campus over the next 20 years. Enjoy interactive activities that highlight how Facilities Management is involved in enhancing, reshaping and greening our campus for future generations. **FMGT**

FEAR THE TURTLE

What It Means to Be a Terp

Puzzle aficionados: Vie to put the turtle shell puzzle together first and win a prize. Also, learn the names of the 12 schools and colleges that comprise the university as well as some reasons why our students love being Terps. **UNRL**

GRADUATE SCHOOL

Test Your Luck and Learn About Graduate Education

Test your luck and learn about grad school. Explore our highly ranked programs, facilities and exciting location. Find out how graduate education at UMD can help you reach new heights. **GRAD** 🗺️

CAMPUS PROGRAMS & MARYLAND SUPPORTERS TENT MCKELDIN MALL ALL-DAY EVENTS: 10 a.m.-4 p.m.

Are you Ready for College?

Meet the staff of the Learning Assistance Service and Disability Support Service of the university's Counseling Center to learn what you need to do to be ready for college. Specific tips on the math placement exam, information for students with disabilities, and skills you'll need for success are available. **UMCC** 🗺️

Employment Opportunities

Explore our world of employment opportunities and see why UMD is a great place to work. Cheer the Turtle! **UHR**

Financial Fitness with PG Community Federal Credit Union

Visit staff from the Prince George's Community Federal Credit Union promoting financial fitness throughout Prince George's County and serving the financial needs of those who live, work, worship or volunteer in the county. Branches are located in Upper Marlboro, Largo, Beltsville and coming soon to Bowie. **UNRL**

Fun with Chinese Culture

Explore Chinese culture with the Confucius Institute. Discover your zodiac animal sign, receive a unique Chinese name, and try your luck with a traditional temple activity called "pick a stick." **CIM**

NATIONAL ARCHIVES**"What's Cooking Uncle Sam?"**

Step up to sign a copy of the Declaration of Independence, and before you leave, take a picture in the Rotunda for the Charters of Freedom with Uncle Sam. **NA**

PHILIP MERRILL COLLEGE OF JOURNALISM

10 a.m.-1 p.m.

Meet the ABC2 News Team

Come join ABC2 and meet television personalities from "the station that works for you in Baltimore." **JOUR, UNRL**

1-4 p.m.

Meet the ABC7 News Team

Meet the team that brings you the news on ABC7. **JOUR, UNRL**

Share Your Story

Grab a friend or family member and share your favorite memory of the University of Maryland. **JOUR** 📷

PUBLIC SAFETY**KidPrint: Fingerprinting Your Kids**

Bring your kids for photos and fingerprints by Department of Public Safety personnel. For more information, call 301.405.3555. **UMDPS** 😊

Police Exhibit on the Mall

See a display of police-related equipment staffed by public safety personnel. **UMDPS**

ROBERT H. SMITH SCHOOL OF BUSINESS**Discover the Smith School**

Discover the Smith School's top-ranked undergraduate and graduate business programs. Explore the Dingman Center, one of the first and leading entrepreneurial centers in the nation. Learn about the Quality Enhancement Systems and Teams, or QUEST, an honors program for business, engineering and College of Computer, Mathematical and Natural Sciences undergraduates. Engage in fun activities for the family. **BMGT** 📺

SCHOOL OF ARCHITECTURE, PLANNING AND PRESERVATION**Historic Preservation in Maryland and Washington, D.C.**

Join members of the Student Historic Preservation Organization to ask questions about the historic preservation program and historic preservation in Maryland and D.C. Children can color in their own house magnets while they are here. **ARCH** 😊

Shape Our Environment

Try hands-on activities to engage young people in designing our environment. **ARCH** 📺

Sustainable Maryland

Learn about Sustainable Maryland Certified, a new initiative designed to support Maryland's 157 municipalities as they look for cost-effective and strategic ways to protect their natural assets and revitalize their communities. **ARCH**

SCHOOL OF PUBLIC HEALTH

1-1:30 p.m.

Gymkana Gymnastics Exhibition

Enjoy a performance from the UMD Gymkana Troupe. These athletes will put on a high flying show full of gymnastics and acrobatics while demonstrating the importance and benefits of living a healthy drug-, alcohol- and tobacco-free lifestyle. **GYMK**

Better Than an Apple a Day

Receive a personal assessment of different health risk factors and learn how regular physical activity can reduce your risk of heart disease, hypertension, diabetes and osteoporosis. **KNES, SPH**

Dance to the Music

Learn a new fitness/dance routine to burn a few extra calories. No prior experience required. **KNES, SPH**

Surf's Up! Discover Your Inner Ear

Good balance is important not just for surfers and snowboarders. Poor balance leads to falls and injuries numbering in the millions annually. Try our Bongo board challenge and test your balance. **KNES, SPH**

This Is Public Health at Maryland

Place your face in a cutout photo showing people engaging in public health activities. Participants get a link to a website where they can see and download their pictures. **SPH**

We Like to Move It, by PESO

UMD's Physical Education Student Organization leads a variety of activities that are not only fun but good for developing physical fitness. **KNES, SPH**

SCHOOL OF PUBLIC POLICY**Trivia, Anyone?**

See the world through the eyes of public policy. Meet the deans and see how well you know world leaders, locations, flags and other trivia to win a prize. **PUAF** 📺

UNDERGRADUATE STUDIES

11 a.m.-1:30 p.m.

Honors Ambassadors

Discover the Honors College and meet current students. Learn about this living and learning community and take your picture as the "Honors Thinking Terp." Bring your camera for this opportunity to be in a picture cutout. **HONR, UGST** 📺

Asian American Studies Program

Learn about the program and the various publications and resources it offers. Last year, it introduced Census 2010. This year, come see the resulting census reports. Meet staff, play games and win prizes. **UGST** 📺

Discover the Gemstone Program

Meet students and staff from this undergraduate research program. Learn about current projects and join in an activity. **ENGR, GEM** 📺

Welcome to the Office of Undergraduate Studies

Visit us for information on Academic Achievement programs, College Park Scholars, the National Scholarship Office, First Year programs, the Maryland Center for Undergraduate Research, Beyond the Classroom, University Honors, Global Communities, ROTC programs, Letters and Sciences, Asian American Studies and more. **UGST** 📺

**ON OR NEAR THE MALL
EVENTS LISTED BY START TIME**

10-11 a.m.

Preparing for College

0135 Reckord Armory

An opportunity for middle school students to learn how to prepare for success in college. **OUA** 📺

10-11 a.m.

11 a.m.-noon

University Honors College: Preparing Students for the Future

Basement Lounge, Anne Arundel Hall

Learn about the university's excellent and lively Honors College for students with exceptional academic talents. Ask a dynamic panel of current Honors students all your questions. **HONR, UGST** 📺

10 a.m.-2 p.m.

"Because You Can't Stay in School Forever!"

Plaza entrance, Hornbake Library

Allow our caricature artists to create a snapshot of your child in their dream job and compete to win fun prizes! **CRCR** 😊 📺

10 a.m.-2 p.m.

Experience and Learn 10 Languages

Ground floor, St. Mary's Hall

Join the Language House for an exploration of international cultures in 10 languages and participate in cross-cultural activities. **ARHU, LANC, SLLC**

10 a.m.-2 p.m.

Make a Postcard!

First floor, Hornbake Library

Come to Hornbake Library and design your very own postcard. While you're there, visit the exhibit of historic postcards in the Hornbake gallery. **LIBR** 😊

10 a.m.-3 p.m.

Boot Camp

Front lawn, Cole Student Activities Building

A small-scale obstacle course coordinated by TerpVets and the UMD Army ROTC. Brief physical challenges—a pull-up bar, log sit up and other activities—will get you active at Maryland Day. **SSU, ROTC**

10 a.m.-3 p.m.

Phishing Pond

Mitchell Fields

Younger guests can play a "fishing" carnival game to win small prizes. The trophy wall illustrates the seriousness of phishing, with summary statistics of those who have been "caught" in the last year. Posters illustrating typical examples of "big phish" e-mail help guests recognize warning signs. **OIT** 😊

11 a.m.-noon

Graduate School Information Session

2122 Lee Building

Prospective students are invited to attend a brief presentation to learn about our highly ranked programs, facilities and exciting location. Includes an overview of the admissions process and funding opportunities. **GRAD** 📺

Noon-1 p.m.

My Maryland Information Session

0135 Reckord Armory

Undergraduate Admissions representatives offer an hour-long presentation about admission to the university for prospective students and their families. **OUA** 📺

Noon-1 p.m.

Transfer Student Information Session

Auditorium, Visitor Center

Want to transfer to UMD? Learn how to transfer credits and successfully complete the admissions process. **OUA** 📺

1-2 p.m.

Sesion Informativa en Español

Auditorium, Visitor Center

Una presentación de una hora sobre la Universidad para las familias y estudiantes que desean hacer sus estudios universitarios en la Universidad de Maryland. Prospective undergraduate students and their families are invited to an hour-long introduction to the university. **OUA, SPAN** 📺

1-4 p.m.

Katherine Anne Porter Room Open House

First floor, Hornbake Library

Curator of Literary Manuscripts Beth Alvarez will be available to give guided tours of the room. **LIBR**

2-3 p.m.

3-4 p.m.

My Maryland Information Session

Auditorium, Visitor Center

Undergraduate Admissions representatives offer an hour-long presentation about admission to the university for prospective students and their families. **OUA** 📺

**ON OR NEAR THE MALL
ALL-DAY EVENTS: 10 a.m.-4 p.m.****Anime!**

Ground floor, Hornbake Library

Enjoy a celebration of Japanese animation, sponsored by the Terrapin Anime Society and Nonprint Media Services. **LIBR**

Arboretum Postcards

McKeldin Mall

Look for photo opportunities across campus to snap a postcard view of Maryland Day in the campuswide Arboretum and Botanic Garden. Look for samples posted at www.arboretum.umd.edu. **FMGT**

Arboretum Spotlight: Shade Garden for Maryland Native Plants

Front lawn, Woods Hall

See and learn about native shade plants in their spring glory. The first 100 visitors receive a seed-grown wildflower for their own garden. Tours at 38 minutes after each hour 10:38 a.m.-3:38 p.m. **FMGT**

Beatles Marathon

Ground floor, Hornbake Library

Enjoy six solid hours of the Beatles, featuring films, music, interviews and documentary. **LIBR**

Broadcasting Archives Open House

Third floor, Hornbake Library

Tour the Broadcasting Archives reading room and see archival treasures documenting the history of public broadcasting and early commercial radio and television. **LIBR**

Buried Gems

Ground floor, Hornbake Library

Did you know that Disney made a sex-ed film? See it and other rare and/or hilarious shorts from the Nonprint and Broadcasting Archives' collections. **LIBR**

C is for Crayon

Third floor, Hornbake Library

Kids color their favorite "Sesame Street" characters at the National Public Broadcasting Archives booth. **LIBR** 😊

Campus Walking Tours

Mitchell Building

Explore the campus during a leisurely one-hour walk led by a student tour guide. Tours leave every half-hour. **OUA**

Click Here

Mitchell Fields

Guests can participate in a game show, answering questions using the same "clicker" technology that is used in classrooms across campus. **OIT**

Crochet the Turtle

Lobby, Hornbake Library

Learn how to crochet your own turtle bookmark, with instructors from A Tangled Skein in Hyattsville, Md. Patterns and supplies will be available. Classes start every 30 minutes, on the hour and half-hour. **LIBR**

Doing IT Right

Mitchell Fields

Stations showcase how evolving technologies have transformed the university from the '70s to the present day. OIT staff are on hand as tour guides and to interact with guests and answer questions. Guests can submit their wish lists for future technologies. **OIT**

East Asian Crafts and Culture

Fourth floor, McKeldin Library

Make origami figures; try your hand at traditional Chinese-character paper cutting; view demonstrations of calligraphy in Chinese, Japanese and Korean; and attend an East Asian cultural performance. **LIBR** 😊

Enjoy Music by MIX 107.3 and 105.9 The Edge

McKeldin Mall

Say hello to representatives from these popular D.C.-area radio stations. Special thanks to MIX 107.3 FM and 105.9 The Edge for their support of Maryland Day. **UNRL**

Explore the Adaptive Technology Lab

1103 & 1107 McKeldin Library

See video-relay communication, scrolling-text digitization and tactile graphics production. Learn how screen readers and screen magnifiers work and how software for dictation, notes organization and high-speed scanning assists students on campus. Create a tactile graphic souvenir. Decipher Braille. **UMCC** 😊

Fire and Emergency Services Training

Mitchell Fields

Experience firsthand how fire and emergency services have integrated 21st-century technology into training and operations. **MFRI**

The Smithsonian: Inspiring through Knowledge and Discovery

McKeldin Mall

From the shores of the Chesapeake to the edges of the universe, the Smithsonian helps us better understand the world we live in. Meet some of the Institution's curators, historians and scientists whose global research starts right here in Maryland. **SMITH**

**Technology Village**

Mitchell Fields

The Office of Information Technology showcases a variety of new technologies in partnership with Cisco, Avaya and Graybar. **OIT** 😊

What in the World?**Caption Writing Contest**

First floor, Hornbake Library

Test your comedic talents by creating crazy captions for images provided by the University Archives. Winners will receive a copy of our new pictorial book about the University of Maryland. **LIBR**

TERP TOWN CENTER

Fun at the Fountain!

McKeldin Mall

Children are invited to fish for terrapins in the ODK Fountain. Win prizes! **ODK** 😊

Internet Safety Made Fun for Families

Mitchell Fields

Come learn about Internet safety from Faux Paw, the Techno-Cat (the Internet Keep Safe Coalition's costumed character), and a team of information technology security experts. Experience interactive activities and literature on a variety of topics, including keeping kids safe online, protecting personal information and developing good IT security habits. **OIT** 😊

Make a Book & History of the Book

Library Tent, McKeldin Mall

View a display on the history of the book from Antiquity to the Digital Age. Make a miniature book, in Western or Eastern style, to take home. **LIBR**

Meet the Real Testudo

First floor, Hornbake Library

Visit the University Archives to check out the REAL Testudo and learn more about the history of UMD's mascot. **LIBR** 👁️

Mobility Applications Contest

Mitchell Fields

The Human-Computer Interaction Lab, the Dingman Center for Entrepreneurship and OIT are hosting the first Mobility Contest at Maryland. The winners will be announced at noon. All the applications are on display. **OIT**

Multi-ethnic Activity Zone

Plaza entrance, Hornbake Library

Take a historical journey through the United States with multi-ethnic trivia. Engage in games and activities to assess your knowledge and awareness of different cultures. Guests can design and color their own diversity flags. The OMSE team will provide an overview of department services. **OMSE** 😊

Nyumburu Cultural Extravaganza

Nyumburu Amphitheater

Dance team, tae kwon do demo, step teams, African dancers, gospel ensembles, student groups and professional artists perform. Join us for popcorn, cotton candy and snow cones. Children's activities take place on the terrace. **NYUM** 😊

Perform Your Own Radio Show

Third floor, Hornbake Library

Bring your best radio voice. Scripts, microphones and sound effects are provided. Participants get a tape of their radio debut. **LIBR** 👁️

Quidditch for Muggles

Club Sports Field

Join the UMD Quidditch team for a fun match of Quidditch, Muggle-style. This sport is based on the Harry Potter series, and although members don't fly, they still have quaffles, bludgers and even a snitch. **SSU** 😊

Residence Hall Tours

Lobby, Dorchester Hall

Join us for an inside look at living on campus! Meet members of the Department of Resident Life and get a tour of these traditional-style buildings. **DRL** 👁️

Storytelling for Children

Plaza entrance, Hornbake Library

iSchool students, faculty and staff tell original stories and read books for the young and young at heart. All children will receive a special treat. **CLIS** 😊

Stump the Curator

Maryland Room, Hornbake Library

Bring in your rare book treasures for informal appraisals from our rare-book curator. Learn how to research rare book values. **LIBR**

Take a Terrapin Home

First-floor lobby, Hornbake Library

Create your own diamondback terrapin craft. **LIBR**

Take-a-Break Tent for Families

Infant Studies Tent, McKeldin Mall

Parents with infants and young children are invited to take a break from the sun and fun. We'll have chairs, changing tables, juice and water to give parents and kids before hitting the next round of Maryland Day activities. **BSOS** 😊

STAMP STUDENT UNION EVENTS LISTED BY START TIME

10 a.m.-3 p.m.

Crafty Fun at the Art & Learning Center

Art & Learning Center, Stamp Student Union

Come out and enjoy Color Me Terp, spinart and other fun craft projects. **SSU** 😊

10 a.m.-3 p.m.

Letter Writing and Dress Up Like a Soldier

Prince George's Room, Stamp Student Union

Join us in writing thank-you letters to soldiers serving overseas. You can also try on vests, helmets and other clothing worn by military personnel. **SSU**

10 a.m.-3 p.m.

Recognizing Our Heroes

Prince George's Room, Stamp Student Union

Visit our display of the great strides UMD veterans and the university administration are making toward becoming a premier institution that serves veterans of the U.S. military. **SSU** 👁️

2-4 p.m.

LGBTQI Open House

Atrium, Stamp Student Union

Alumni, current students and faculty/staff celebrate what lesbian, gay, bisexual, transgender, queer, questioning and intersex have accomplished individually and collectively, while envisioning a more vibrant, active and cohesive community. **SSU**

STAMP STUDENT UNION ALL-DAY EVENTS: 10 a.m.-4 p.m.

Creative Problem Solving with Odyssey of the Mind

Outside, Stamp Student Union

The Odyssey of the Mind World Finals returns to Maryland May 26-30. Find out what the excitement is all about, and observe how creativity can be taught and learned! **CVS** 😊

Get In the Zone—TerpZone

TerpZone, Stamp Student Union

TerpZone will be offering half-price specials on bowling and billiards, cosmic bowling with color pins and prizes, and free PS3, Xbox 360 and Wii video gaming. **SSU** 😊

Kids Carnival

Grand Ballroom, Stamp Student Union

Join UMD student organizations to win prizes at carnival games, have your face painted, make arts and crafts and more. **SSU** 😊

No Time to Walk the Arboretum Tour? Watch it at the Stamp.

West Lounge, Stamp Student Union

Relax and watch a seasonal tour of the campus arboretum features and gardens without taking another step. Enjoy a relaxing vision of the landmarks and delightful nuances of the UMD landscape and its botanical complexity. The university is a member of the American Public Garden Association and a certified Tree Campus USA. **FMGT, SSU**

Photos with Kermit

Front of Stamp Student Union

Leave Maryland Day with a souvenir photo of you with Kermit the Frog and Jim Henson. The Office of Information Technology is taking photos at the Jim Henson commemorative statue throughout the day. **OIT** 😊 👁️

Student Talent Showcase

Baltimore Room, Stamp Student Union

See performances from some of our dance groups, improv troupes, musical ensembles, acappella groups and more. **SSU**

Health and Wellness Festival

Cooking Stage

This year the chefs from Dining Services focus on foods for wellness while adding fun to your kitchen. Serving as host is "Today" show nutrition/health expert and *New York Times* bestselling author Joy Bauer '86. Each of these healthy yet tasty dishes comes from Joy's own kitchen and is featured in her recipe book. Joy will host cooking segments at 11 a.m. and 2 and 3 p.m., and she'll present nutrition talks at 11:30 a.m. and 2:30 p.m. Lucky guests will receive samples. All events are on Hornbake Plaza. **DNSV**

11-11:30 a.m.

Tomato Cauliflower Soup

It's comfort food made healthy as Chef Thomas Schraa prepares a tasty soup that delivers fiber and other vegetable nutrients.

11:30 a.m.-noon

"Fountain of Youth in Your Grocery Cart"

You are what you eat! Joy Bauer knows how to use food to your advantage. She presents her top food picks for enhancing mood, improving skin and increasing memory—as well as preventing and managing heart disease and Type 2 diabetes.

Noon-12:30 p.m.

Chicken Lettuce Wraps

Chef Filipe Deogracia serves up this kid-friendly, protein-rich dish that's a delicious low-fat alternative to a standard wrap. Hosted by ABC 7.

1-1:30 p.m.

Spicy Pork Tacos

Chef John Gray prepares pork tacos with a little spice, sure to be a fantastic addition to any chef's weekly repertoire. Hosted by ABC 7.

2-2:30 p.m.

AJ's Mac and Cheese

Chef Ivory Kornegay prepares Joy's daughters' favorite dish, mac 'n' cheese.

2:30-3 p.m.

Top 10 Secrets for Losing Weight and Keeping it Off

From her *New York Times* bestselling book, "Your Inner Skinny," Joy presents her top 10 tricks for knocking off the pounds and keeping them off for life. She will leave you feeling motivated and well-armed to get started in the right direction.

3-3:30 p.m.

Oatmeal Cookies and Frozen Hot Chocolate

We've saved the best for last: Chef Larry Tumlin closes out the cooking stage with dessert, and his two offerings are tasty, healthy and fun.

ALL-DAY EVENTS: 10 a.m.-4 p.m.

COLLEGE OF AGRICULTURE AND NATURAL RESOURCES

Grow It Eat It

Save money and eat healthy this year with a vegetable garden. The Grow It Eat It campaign shows you how to start and care for a food garden.

Where Does Our Food Come From?

The Center for Food Safety and Security Systems presents an interactive game that teaches people about where their food comes from.

KIDS' TENT

Enjoy a variety of games including a bean-bag toss, balloon stamp, can knockdown and face painting. While there, let the students of Kappa Lambda Xi Multicultural sorority educate you about juvenile autism and decorate a portion of the autism quilt. 😊

MARYLAND-NATIONAL CAPITAL PARK AND PLANNING COMMISSION

The Maryland-National Capital Park and Planning Commission operates the public park systems, provides land-use planning for the majority of Montgomery and Prince George's counties and operates the public recreation program in Prince George's County. Learn about the programs, facilities and services available from M-NCPPC in both counties. 😊

PATHWAYS TO PEACE

Interfaith Council UMD

Sing, dance, laugh, pray! Experience the many faith traditions on campus as they share their unique and common ways to nurture your spirit and heal your soul. **BCWP**

Meet Returned Peace Corps Volunteers

Several UMD faculty and staff chose the Peace Corps as a pathway to peace, and some will be available to share their experiences with students and families. **BCWP, CRPP** 👁️

Minor in International Development and Conflict Management

Learn how Maryland students are finding new ways to solve global issues. While you visit our booth, explore the world with a trivia game. **BSOS, CIDCM** 👁️

Pathways to Peace

Come experience some of the many pathways to peace at UMD. We have games, prizes and interesting people to nurture your mental and spiritual health. **BCWP, BSOS, EDUC** 😊

Peace App

Download the new Pathways to Peace application for the iPhone. Find out where you can find peace and how you can participate in it at the university. **BCWP**

Students of Peace

Spin the Wellness Wheel and find out what makes or breaks your own peace. Win a prize. Students of Peace practice and spread a culture of peace at UMD. **BCWP**

There's Music in the Way You Move!

The Design Rhythmics Sonification Research Lab turns scientific information and data into music. See how your own body's movements reveal the music of life and the harmony of nature. **BCWP**

SCHOOL OF PUBLIC HEALTH

Healthy Mouths—Healthy Bodies

The head bone connects to the neck bones and the rest of our skeleton. Come learn about oral health and have an oral cancer exam. Healthy mouths—a matter of life and health.

Maryland Healthy Smiles Dental Program/DentaQuest

The Maryland Healthy Smiles Dental Program is Maryland's Medicaid Dental Program for children, pregnant women and Rare and Expensive Case Management adults. We're here to help Maryland families stay healthy. Come and learn more. **SPH**

Cholesterol Screening by Health Solutions

Wonder if your diet and exercise are enough to keep your cholesterol numbers down? Check it out with our friends from Health Solutions! **SPH**

Free Health Screenings

Guests can participate in a variety of health screenings located on or near the Plaza. Visit the School of Public Health Tent for more details. **SPH**

UNIVERSITY HEALTH CENTER

UMD Wellness Hut

Stop by our wellness hut, learn about sun safety, check your hydration level, get a blood pressure screening and peak flow reading, learn about healthy food choices and play with a fitness-friendly hula hoop. **UMHC** 😊

Noon-1 p.m.

Book Signing With Joy Bauer '86

Take home one of Joy's books or cookbooks signed by the author herself.

BIZ & SOCIETY HILL

Surround yourself with exhibits in architecture, business, education, public policy and the social sciences. This neighborhood also includes events in Memorial Chapel and on Chapel Fields, home to our ROTC programs. **Biz & Society Hill is highlighted in dark blue on the map.**

10 a.m.-3 p.m.

Amazing Animals

Lobby, Benjamin Building

Come meet the Student Council for Exceptional Children. Learn about your favorite animal and make your own animal to take home. **EDUC** 😊

10 a.m.-3 p.m.

Bookmark Bonanza

Benjamin Building

Visit the Student Educators of Young Children. Sing a song, listen to a story and make your own bookmark. **EDUC** 😊

10-11 a.m.

1-2 p.m.

College Math and the Math Placement Test Workshop

2102 Shoemaker Hall

This workshop addresses the differences between high school-level and college-level math classes. The discussion includes information on the math placement exam required for all incoming freshmen, tips for success and how to interpret the results. A question and answer session follows. *The 10 a.m. session will be in 0114 Shoemaker Hall and the 1 p.m. session will be in 2102 Shoemaker Hall.* **UMCC** 🗺️

10-11 a.m.

Effective Strategies for Common Behavioral Problems in Children

2102 Shoemaker Hall

Staff from the University Parent Consultation and Child Evaluation Service will address concerns from parents on how they might better handle their child's behavior difficulties. **UMCC**

10-11 a.m.

I Want to Be a Lawyer, FBI Special Agent, Audiologist, Psychologist

0130 Tydings Hall

Learn about majors, minors and other opportunities to enhance your academic curriculum in the College of Behavioral and Social Sciences. **BSOS** 🗺️

10 a.m.-3 p.m.

Learn Chinese

Lobby, Benjamin Building

Learn how to read, write and speak Chinese. Meet staff from the Center for Chinese Language Teacher Development and Certification and find out how you can become a teacher of Chinese. **EDUC** 🗺️

10 a.m.-3 p.m.

On the Wild Side

Lobby, Benjamin Building

Celebrate Maryland Day with the Teacher Education Association of Maryland Students by creating a mask of your favorite animal. **EDUC** 😊

10:30 a.m.-noon

Early Childhood Festival at the Center for Young Children

Center for Young Children

Welcome all Center for Young Children families and guests. Join us for "Goldilocks and the Three Bears" and "Nursery Rhymes and Rhythm" presented by Kaydee Puppets at 10:30 a.m. A sing-along with CYC's own "Mr. M," Eric Maring, follows at about 11:15 a.m. **CYC, EDUC** 😊

11 a.m.-noon

Are You Ready for College?

2102 Shoemaker Hall

Staff from the University Counseling Center host a workshop about what incoming freshmen need to know to be successful college students. Learn strategies and resources from college students. **UMCC** 🗺️

11 a.m.-noon

Pep Up with Positive Psychology

0114 Shoemaker Hall

This workshop presents principles, strategies and skills designed to help individuals increase their meaning, engagement and pleasure in life. **UMCC**

11:30 a.m.-noon

Music and the Chapel

Main Chapel, Memorial Chapel

The United Methodist Campus Ministry contemporary Christian choir, Harmony's Cross, performs. **MC**

Noon-1 p.m.

Career Workshop for Parents

0114 Shoemaker Hall

This session helps parents learn how to best help their child with future college major and career choices. Admission is limited. Beginning at 11 a.m., free admission tickets are available in the Counseling Center. **UMCC** 🗺️

Noon-1 p.m.

2-3 p.m.

Linking Your Interests to Potential Career Paths

2102 Shoemaker Hall

Take a career interest inventory, have it interpreted by a staff psychologist and discover possible career paths. Admission is limited to 50 people per session (minimum age: 16). Beginning at 11 a.m., free admission tickets will be available in the Counseling Center. **UMCC** 🗺️

Noon-1:30 p.m.

United Methodist Alumni and Friends Gathering

Memorial Chapel

The United Methodist Chaplaincy welcomes all alumni and friends back to the Chapel to catch up and meet current students. **MC** 🗺️

1-2 p.m.

Stress Management 101

0114 Shoemaker Hall

This session is designed to teach the basics of stress management, including a guided relaxation exercise, in hopes of providing you with a greater sense of pleasure, peace and well-being. **UMCC**

1:30-2:30 p.m.

Department of Resident Life Staff and Alumni Gathering

Multipurpose Room, Annapolis Hall

Join current and former Department of Resident Life staff to reconnect and interact. **DRL** 🗺️

1:30-2:30 p.m.

Student Panel: My Experience in the College of Behavioral and Social Sciences

0130 Tydings Hall

Current students studying the behavioral or social sciences discuss their experiences with prospective students and their families. **BSOS** 🗺️

3-4 p.m.

College Park Interfaith Concert

Main Chapel, Memorial Chapel

Experience the rich cultural diversity in College Park represented by the variety of religious music performed by on- and off-campus faith communities. **MC**

ALL-DAY EVENTS: 10 a.m.-4 p.m.

Air Force UH-1N Huey Helicopter

Chapel Fields

Come see one of the 1st Helicopter Squadron's UH-1N Huey helicopters. Talk to the air crew and find out what these Air Force warriors do. This crew is located at Andrews Air Force Base and conducts high-priority airlift and emergency medical evacuation missions in the Washington area, and supports the National Search and Rescue Plan. **ROTC, UGST** 🗺️

Army ROTC—Learn, Lead, Succeed!

Chapel Fields

Learn about future career opportunities as an U.S. Army officer and about all the training and educational opportunities ROTC offers. Talk to cadets in the program to see what the average day is like for them at UMD. Take part in fun and challenging activities. **ROTC** 🗺️

Baltimore Archaeology Project

Front lawn, Woods Hall

The Baltimore Archaeology Project focuses on the investigation of a village called Texas in Baltimore County, Md. The town was inhabited by Irish-American quarry laborers and their families between 1846 and 1930. Visit this exhibit to learn about its findings. **BSOS**

Bladensburg Archaeology Project

Front lawn, Woods Hall

The Maryland State Highway Administration, with the Department of Anthropology, conducted archaeological investigations of three sites in Bladensburg, Md. Come learn about the history of the former colonial port town and the battle fought there during the War of 1812. **BSOS**

Reports of wild-caught male fish possessing female sexual characteristics are showing up with surprising frequency. Hear from Lance Yonkos and Daniel Fisheron on the fascinating and perhaps alarming condition of these gender-confused fish. **AGNR**

SPORTS & REC ROW

Don't miss the fun- and energy-filled Sports & Rec Row. Full of variety, this area features some of our most challenging events. If you're a sports fan, this is the place to meet university coaches and student athletes. The neighborhood also includes events for alumni at the Riggs Alumni Center. **Sports & Rec Row is highlighted in gold on the map.**

9:30-10:30 a.m.

Emeritus Breakfast

Maryland Club, Riggs Alumni Center

Members of the Class of 1961 and prior are invited to a continental breakfast in the Maryland Club. Emeriti alumni life members are also invited to this event. **ALUM** 

10 a.m.-2 p.m.

Transportation-rama

Parking Lot G2, Regents Drive Garage

Come take a walk on the fun side with DOTS. Win prizes, candy, raffles and other great giveaways. Lots of family fun with games, arts and crafts and other activities. **DOT** 

11 a.m.-noon

Train Like the Terps

Glazer Auditorium, Gossett Football Team House

Enjoy a presentation by the Terps strength and conditioning and athletic training staffs on healthy eating and Terp-inspired workouts, followed by a tour of our football weight room. **ICA**

11 a.m.-3 p.m.

Family Fun Inflatables

Legacy Plaza, Riggs Alumni Center

Legacy Plaza is inflated with fun. Kids and adults alike can enjoy fun games. **ALUM**  

11 a.m.-3:30 p.m.

Bus Road-E-O

Parking Lot 11B

Cheer on our bus drivers as they compete to see who can best maneuver a bus obstacle course. Have you ever seen a bus-pulling contest? Meet the people who keep the campus moving. **DOT**

Noon-12:30 p.m.

12:30-1 p.m.

1-1:30 p.m.

Aerobics Demonstration

Team Performance

East Gym, Eppley Recreation Center

Discover how much fun burning calories can be. Watch an electrifying five-minute aerobic dance routine by the CRS group exercise instructor team. **CRS**

Noon-1 p.m.

Men's Basketball Team

Autograph Session

Main Floor, Comcast Center

Join Head Coach Gary Williams and four players from the men's basketball team for a photo and autograph session. One photo and autograph per person; line is limited to the first 500 people. Doors open at 10 a.m. Session begins at noon. **ICA**  

Noon-1 p.m.

Women's Basketball Team

Autograph Session

Main Floor, Comcast Center

Meet Head Coach Brenda Frese and four players from the women's basketball team. One photo and autograph per person; line is limited to the first 500 people. Doors open at 10 a.m. Session begins at noon. **ICA**  

1-3 p.m.

Young Alumni Barbecue

Moxley Gardens, Riggs Alumni Center

Alumni from the classes of 2000 through 2010 are invited to a free barbecue (while supplies last) in the Moxley Gardens to reunite and tailgate for the Spring Game. This event is for alumni association members. Remember to "carry the card" for easy entry. Young alumni can purchase memberships at the door to gain entry to this event. The Ford raffle winner will be announced at 3 p.m. **ALUM** 

Noon-5 p.m.

Maryland Spring Football Game and Autograph Session

Capital One Field at Byrd Stadium

Catch the Terps in action at their final scrimmage of the spring, and be among the first fans to meet Head Coach Randy Edsall and see the 2011 Terps. Before the game, meet the entire team on the concourse and get autographs and pictures with your favorite Terrapin student athletes. Limit one item per person. Gates open at noon, autograph session is from 12:30 p.m. to 1:30 p.m. and kickoff is at 3:30 p.m. **ICA**   

ALL-DAY EVENTS: 10 a.m.-4 p.m.

African American Storytelling Circle

The Department of American Studies hosts storytellers from the Lakeland Community Heritage Project in College Park. Hear residents talk about the historic community of Lakeland and learn how to start your own neighborhood history by collecting oral histories and family photographs. **AMST, ARHU**

Alumni Association Showcase and Members Hospitality Suite

Orem Hall Riggs, Alumni Center

Learn about all of the alumni clubs and chapters that have volunteer opportunities for you! Get up to date on the benefits of alumni association membership. Get information on the travel program, the brick campaign and other exciting opportunities. Members are invited to enjoy complimentary light refreshments. Don't forget to "carry the card" for admittance. **ALUM** 

Are You a Basket Case?

Indoors, School of Public Health Building

See if you have the nerves and control to meet a basketball free-throwing challenge. Get some shooting tips from kinesiology majors. **KNES, SPH**

Child Safety Seat Checks

Cole Student Activities Building

We conduct child safety checks and provide information on preventing childhood injuries. Call 301.405.3555 for reservations. **UMDPS** 

Climb the Beast

Adventure Complex, Eppley Recreation Center

Like climbing trees? Try our 60-foot-high climbing wall. Never climbed? Don't worry—this is a safe environment with experienced staff on hand to help. Participants must be at least 48 inches tall. **CRS**

Comcast Center Tours

Comcast Center

Tour the home of Terrapin Athletics. Learn about the men and women who have forged the Maryland Athletics program among the nation's elite as you stroll through the Terrapin Walk of Fame and History. **ICA**

Conquer the Tower

Adventure Complex, Eppley Recreation Center

Try out elements of Campus Recreation Services' Outdoor Recreation Center. The Tower is fun and challenging. Set your sights, grab the ropes and conquer. Participants must be at least 48 inches tall. **CRS**

Flatwater Kyaking

Natatorium, Eppley Recreation Center

Ever been kayaking? Try out a kayak in a shallow, nonthreatening environment. Skilled users are on site to help. **CRS** 

Football Clinic

Outside, Comcast Center

Minnesota Viking Madieu Williams '03 offers a football clinic for children ages 8-13. Pre-registration is required and there is a 300-participant limit. To register visit <http://tinyurl.com/madieucamp>. **SPH** 

Riggs Eats

Garden Terrace, Riggs Alumni Center

A selection of festival fare, including burgers, fries, hot dogs and barbecue, is available for purchase throughout the day. Stop by for lunch or a snack. **ALUM** 

Terptivities

Garden Terrace, Riggs Alumni Center

Terp-themed crafts and games are available on the Garden Terrace for future Terps and kids at heart. **ALUM** 

Veterans Center Open House

1120 Cole Student Activities Building

Join us for the grand opening of the new Veterans Center. Open all day with a special program at 1 p.m. **SSU**

Panel Discussion: Discover Undergraduate Degrees in the School of Public Health

1304 School of Public Health Building

Discover a career helping individuals and families choose healthy and active lifestyles. If you want variety in courses and career options, enjoy promoting healthy lives and communities, and are looking for excitement in school, come and learn about majors in community health, family science and kinesiology. **SPH** 

SCIENCE & TECH WAY

Science, whether physics, biology, engineering, chemistry or mathematics, is for everyone. Learn about laser technology and extreme robotics, then get blasted in the Glenn L. Martin Wind Tunnel. Explore skeletons, vibrations, modern electronic devices and the weather. Don't miss events with NASA's Goddard Space Flight Center and the National Institute of Standards and Technology. Science & Tech Way is highlighted in purple on the map.

10-11 a.m.

Get to Know the Programs in Biological Sciences

0226 H.J. Patterson Building

Interested in biology, medicine, dentistry, etc.? Meet the dean, chairs and advisers to learn about the biological sciences programs from the College of Computer, Mathematical and Natural Sciences. **CMNS**

10-11 a.m.

Get to Know the Programs in Computer, Mathematical and Natural Sciences

1101 Bioscience Research Building

Interested in astronomy, chemistry, computing, geology, math, physics or the atmosphere and oceans? Meet the dean, chairs and advisers to learn about these programs in the College of Computer, Mathematical and Natural Sciences. **CMNS**

10-11 a.m.

Meet the Computer Science Department

1115 Computer Science Instructional Center

Participate in an informational meeting with undergraduate staff and the department chair. Discover what it means to be part of a world-renowned program that actively includes students in ground-breaking research. **CMNS**

10:30-11:30 a.m.

Tour the Center for Nanophysics and Advanced Materials

Lobby, John S. Toll Physics Building

See where great physics happens. Meet in the Physics lobby. **CMNS, PHYS**

11:30 a.m.-1:30 p.m.

Liquid Nitrogen Ice Cream

Front lawn, John S. Toll Physics Building

You've had 31 flavors, but we bet you haven't had ice cream like this! MRSEC's homemade specialty tastes great and is safe for children of all ages—come try it (while supplies last). **CMNS, PHYS**

Noon-2 p.m.

Physics Open Mic Showcase

Front lawn, John S. Toll Physics Building

Join us for some good tunes, performed by Physics faculty, staff and students. **CMNS, PHYS**

1-2 p.m.

Cosmic Ray Lab Tour

Lobby, John S. Toll Physics Building

Come on a virtual journey as you tour our cosmic ray lab. Physicists work in the lab to build state-of-the-art particle detectors to fly on gigantic balloons in Antarctica. **CMNS, PHYS**

2-3 p.m.

Physics of Cancer

1201 John S. Toll Physics Building

Hear how physicists tackle the complex dynamics of cancer and learn about the new University of Maryland-National Cancer Institute Partnership for Cancer Technology. Given by Professors Michelle Girvan and Wolfgang Losert. **CMNS, PHYS**

ALL-DAY EVENTS: 10 a.m.-4 p.m.

367,000 Gallons of Outer Space

Neutral Buoyancy Research Facility

How can we learn about working in space without leaving Earth? The best way is to go underwater. Come see our 50-foot-wide, 25-foot-deep version of outer space. Watch space and undersea robots in a one-of-a-kind test facility. Learn about our close ties to NASA's Goddard Space Flight Center. For more details and demo schedules, check out www.ssl.umd.edu. **ENAE, ENGR**

A. James Clark School of Engineering Information Fair

Plaza, Jeong H. Kim Engineering Building

Discover the majors and opportunities that are available in the A. James Clark School of Engineering. **ENGR**

Ask an Astronomer

Front lawn, Glenn L. Martin Building

Astronomy faculty and students will be on hand to answer your perplexing astronomy-related questions. **ASTR, CMNS**

Bone Collector and Forensic Science

1168 Plant Sciences Building

Skeletons. Forensics. Can you piece together the facts from all that remains? **CMNS**

CMNS Science Hunt

Front lawn, Mathematics Building

Learn about the College of Computer, Mathematical and Natural Sciences. Complete the Science Hunt quiz and win a prize. **CMNS**

Center for Minorities in Science & Engineering Program

Plaza, Jeong H. Kim Engineering Building

Explore robotics and participate in hands-on activities and demonstrations. **ENGR**

Chemathon: Chemistry and the Law

G. Forrest Woods Atrium, Chemistry Building

Developments in chemistry are highlighted in a competition. View the talented work of high school students. **CHEM, CMNS**

Chemistry Fun for Kids of All Ages

Front of building, Chemistry Building

Have fun learning about chemistry from the American Chemical Society students. Learn the science of silly putty, see a trash can rocket into the air and much more. **CHEM, CMNS**

Chemistry Magic

Front entrance, Bioscience Research Building

This looks to be one explosive event. Can you shatter a rubber ball? Make putty? Will you see magic or chemistry? Have fun watching the chemists play. **CHEM, CMNS**

Comcast Multimedia Signal Processing Lab and Sony Studio-Theater

Innovation Hall of Fame, Jeong H. Kim Engineering Building

This demonstration provides visitors with hands-on experience in the latest multimedia research and education in electrical and computer engineering. See interactive demos on multimedia technologies and try out interesting projects from cutting-edge research. **ENEE, ENGR**

Come Dig It!

Outside, Geology Building

Come dig for shark teeth from the Chesapeake Bay. **CMNS, GEOL**

Discover Engineering

3201 J.M. Patterson Building

High school students interested in science, technology, engineering and math should participate. Participants receive information from engineering students and participate in hands-on activities. The registration form is available at www.discoverengineering.eventbrite.com. **ENGR, SWE**

Discover the Swamp

1162 Plant Sciences Building

Capture and observe the small aquatic creatures that are common in nearby wetlands. Learn about their behavior as they swim through water and climb on plants. **CMNS, ENTM**

Discovering Earth Dynamics

Outside, Geology Building

Why do earthquakes and volcanic eruptions occur on Earth? Learn the answers to these and other Earth dynamics questions through hands-on activities, including demonstrations of deep Earth convection, frictional sliding and ductile putty deformation. **GEOL**

Engineering in Action

Plaza, Jeong H. Kim Engineering Building

Visit our entertaining student-designed engineering projects. **ENGR**

Experience V911

Front lawn, Mathematics Building

Come see next generation public safety technology that is location-aware and uses real-time audio/video. Experience all this with a push of a button on a mobile device. **CMNS, CMSC**

Explore Life Questions with Biology Answers

1164 Plant Sciences Building

Who attacked Testudo? Solve the mystery with DNA. Crack the genetic code with a DNA bracelet. See how fast your brain can think. Explore human evolution by examining fossil skulls. **CMNS**

Explore Maryland's Weather and Climate

Front lawn, Glenn L. Martin Building

Build your own instruments to measure winds and rain fall amounts. Create a tornado in a bottle. **AOSC**

Explore the Jeong H. Kim Engineering Building

Rotunda, Jeong H. Kim Engineering Building

Tour the engineering building and explore the facility where cutting-edge research takes place throughout 31 state-of-the-art labs. Discover the exciting worlds of nanotechnology, microelectromechanical systems, transportation systems and space systems. The building itself is a lab including internal bridges, exposed systems and more. Tours leave on the hour. **ENGR**

Exploring Extraordinary Earth with ESSIC

Front lawn, Glenn L. Martin Building

Explore our ever-changing planet with Earth system scientists from UMD, NASA and NOAA. Participate in educational and entertaining Earth science-themed activities. **ESSI, NASA, NOAA**

Fire Lab Demos

3200 J.M. Patterson Building

See an astounding four-meter fire tornado. Also on display are a scale room fire, fire sprinkler sprays and smoke visualizations. **ENFP, ENGR**

Fire Show

Plaza, Jeong H. Kim Engineering Building

What's that mystery liquid that extinguishes fires? What makes a fire whirl? How many candle tricks can you do? Come see some amazing flames and learn about fire from our students and faculty. **ENFP, ENGR**

Germs! Five-Second Rule!

1171, 1168 Plant Sciences Building

Is the five-second rule true? How well do you wash your hands? How clean is a dog's mouth? Learn the truth. Use a special microscope to show the dirt. **CMNS**

Insect Petting Zoo

1161 Plant Sciences Building

Imagine tarantulas, exotic insects, scorpions, bees and millipedes longer than your hand for you to look at and touch—if you dare. **CMNS, ENTM**

Magnified Materials

1237 Jeong H. Kim Engineering Building

Tour the Nanoscale Imaging, Spectroscopy, and Properties Laboratory. Get up close and personal with common objects magnified greater than 10,000 times. Tours on the hour. **ENGR, ENMA**

Make a Microbe

Lobby, Bioscience Research Building

Life science games and fun: Make a microbe and take it home. **CMNS**

Make a Pet Rock

Outside, Geology Building

Show your creativity by making your own unique pet rock. **CMNS, CPS, GEOL**

Make and Take Mini Physics Demos

Front lawn, John S. Toll Physics Building

Make physics magic. Use common household ingredients to make slime and much more. **CMNS, PHYS**

Maryland Cooperative Autonomous Vehicle Systems

Plaza, Jeong H. Kim Engineering Building

Students from the autonomous robotics course exhibit several wheeled robots, designed to explore cooperative robotic systems. The robotic platforms are four-wheel-drive enabled, utilizing dual-core processing and optical and proximity-based sensors. **ENEE, ENGR**

Maryland Magma Makers

1108 Geology Building

Come watch hot magma made from rock right in front of your eyes. **CMNS, GEOL**

Maryland Optics Group

Plaza, Jeong H. Kim Engineering Building

See various kinds of lasers in action. Learn about new ways of using lasers for optical communication and sensing. Visit the Electrical and Computer Engineering table for demonstration information. **ENEE, ENGR**

Maryland Water Resources Research Center

Plaza, Jeong H. Kim Engineering Building

Explore new technology and more efficient methods for resolving local, state and national water resource problems. **ENCE, ENGR**

Materials Teaching Lab Demos

1135 Jeong H. Kim Engineering Building

Tour the Materials Teaching Lab, which allows students to study various materials and their mechanical, electrical and magnetic properties. See how a material breaks. Demos and tours on the half-hour. **ENGR, ENMA**

Materials in Modern Technology

2310 Jeong H. Kim Engineering Building

Tour the FabLab and see how modern electronic devices are made in this state-of-the-art clean room. Tours on the hour. **ENGR, ENMA**

Materials in Your Life

Plaza, Jeong H. Kim Engineering Building

Participate in interactive demonstrations and hands-on activities featuring materials used in modern technology. **ENGR, ENMA**

MdBioLab

Chemistry Building at Stadium Drive

Visit the MdBioLab, a vibrant, mobile hub of hands-on bioscience learning and training. Hear what Maryland high school students learn about biotechnology. **CMNS**

Meet the Engineering Dean: A Prospective Student Information Session

1110 Jeong H. Kim Engineering Building

Discover the academic programs and exciting opportunities that await you in the A. James Clark School of Engineering. **ENGR**

Microanalysis and Materials Characterization Laboratory

0122 and 0128 Glenn L. Martin Building

The CALCE Microanalysis and Materials Characterization laboratory presents state-of-the-art equipment and methods for conducting electronics failure analysis, accelerated testing and evaluating electronic parts, boards and assemblies. Learn about the levels of assembly of electronic products and how a team investigates reported failures in electronic products. **ENGR, ENME**

Microelectromechanical Systems

Plaza, Jeong H. Kim Engineering Building

See a "micro-motor" the size of a nickel, tiny optical switches for routing Internet traffic, biological sensors for trapping DNA and custom silicon lenses for focusing X-rays. Visit the Department of Electrical and Computer Engineering table for tour information. **ENEE, ENGR**

10:30-11:30 a.m.

Physics Is Phun

1412 John S. Toll Physics Building

Enjoy a real crowd-pleaser. Our renowned Physics is Phun program is great for all ages. **CMNS, PHYS**

Airplanes, Cars, Trucks, Sailboats, Submarines and Even Hurricanes: We Do It All!

Glenn L. Martin Wind Tunnel

Learn how the tunnel works and how it is used in aerodynamic studies. Experience a short blast in the Wind Tunnel. Tours start on the half-hour. Last tour begins at 3:30 p.m. **ENAE, ENGR**

SAIC: Smart People Solving Hard Problems

Plaza, Jeong H. Kim Engineering Building

Stop by to see how SAIC is working to solve problems of vital importance to the nation and the world. **ENGR**

Minerals and the Earth: The Stuff of Life*2118 Geology Building*

See and touch pieces of the planet's insides. These minerals, rocks and gems are the raw materials of life. **CMNS, GEOL**

Music Downloads—Behind the Scenes*1200 Jeong H. Kim Engineering Building*

Learn more about music information retrieval. **ENEE, ENGR**

Office of Advanced Engineering Education*Plaza, Jeong H. Kim Engineering Building*

Learn about the Professional Master of Engineering and Graduate Certificate in Engineering programs. See demonstrations of the Clark School's online and distance learning technology used in graduate programs for working engineers and technical professionals. **ENGR**

Physics Demos*Front lawn, John S. Toll Physics Building*

Use a bicycle to generate electricity or shoot a pencil through a block of wood. Try these and some of our other interactive demos. **CMNS, PHYS**

Plant Science and Landscape Architecture—Planting Seeds for a Better Tomorrow*Front plaza, Plant Sciences Building*

Enjoy a free planting activity for children. Learn how to grow a plant from a seed. Win a prize for playing the plant fun wheel. Learn about sustainability with a real greenroof doghouse. Play mini golf. See landscape architecture and garden models. Visit the USDA Animal Plant Health Inspection Service Information booth for brochures on insects, plant health and diseases, biotechnology, domestic plant programs, agriculture coloring books, pens and freebies. **AGNR**

Poly-Fun with Slime & Colors*Plaza, Jeong H. Kim Engineering Building*

Discover chemical engineering through an array of stimulating hands-on activities, including classical slime, super-soaker poly-gel, dancing black ink, Silly Putty and more. You make it, you take it. **ENCH, ENGR**

Pondering Planets*Front lawn, Mathematics Building*

What is a planet? The AstroTerps will help you explore the basic properties of planets in order to understand the current definition, as well as make your own definition of a planet. **ASTR, CMNS**

Probability and Chaos*Front lawn, Mathematics Building*

Demonstrations and exhibits illustrate the mathematical principles involved in probability and chaos theory with applications. **CMNS, MATH**

QUEST Honors Fellows Program*Plaza, Jeong H. Kim Engineering Building*

Students participating in QUEST (Quality Enhancement Systems and Teams) will describe their innovative engineering and business collaborations and project solutions. **ENGR**

R2D2 Meets Buzz Lightyear*1309 Jeong H. Kim Engineering Building*

Check out the Advanced Robotics Development Laboratory, and see robots for space exploration, undersea science and medical rehabilitation. Find out how space suits are made and tested. **ENAE, ENGR**

Respiratory Health*Plaza, Jeong H. Kim Engineering Building*

Measure your respiratory resistance with the airflow perturbation device. Talk about the latest advances in bioengineering. **BIOE, ENGR**

Shake It Up!*Plaza, Jeong H. Kim Engineering Building*

Use Legos and other supplies to build your own buildings, bridges or other structures, which will then be subject to simulated earthquakes on a shake table. See how long your design will last before crashing into pieces. **ENCE, ENGR**

Smoke Ring Cannons*Front lawn, John S. Toll Physics Building*

Make giant smoke rings with physics researchers. Two cannons make for amazing motion when rings collide. **CMNS, PHYS**

So You Want to Be a Helicopter Pilot?*Lawn, Manufacturing Building*

View the inside of a real (but grounded) helicopter. **ENAE, ENGR**

Solar Observing*Front lawn, Mathematics Building*

Take a safe look at the big yellow (or red, depending on the filter) ball in our sky through telescopes with observatory staff. **ASTR, CMNS**

National Institute of Standards and Technology*Front lawn, Mathematics Building*

The National Institute of Standards and Technology is a federal research agency working to improve the nation's economy and quality of life through standards and measurement science. Learn how careful measurement makes a difference in your life and advances science and technology in fields such as physics, biology and more. **CMNS**

Stabilizing an Inverted Pendulum*Innovation Hall of Fame, Jeong H. Kim Engineering Building*

See the undergraduate student-designed experiment that uses a computer controlled system to flip a pendulum into its unstable position and stabilize it there. **ENEE, ENGR**

Student-Designed Electric Guitar*Plaza, Jeong H. Kim Engineering Building*

We are developing new approaches to building guitar electronics that integrate the techniques and technologies from both electrical and computer engineering, including a modular preamp design developed by students. **ENEE, ENGR**

Take a Walk to the Moon*Parking Lot FF, Neutral Buoyancy Research Facility*

Wonder what it's like to explore the moon? Visit our Moonyard with lunar habitat and rover mockups. Drive simulated rovers, and watch space suit and robotic demonstrations. **ENAE, ENGR**

Terps Miniature Golf*Plaza, Jeong H. Kim Engineering Building*

Test your putting skills at the Engineering Alumni Chapter mini-golf hole. See if you can make a hole in one while learning about the engineering involved in golf. **ENGR**

Terps Racing*Plaza, Jeong H. Kim Engineering Building*

See the Formula-style and Baja race cars designed and built by engineering students. **ENGR, ENME**

Test Your Lung Function*Plaza, Jeong H. Kim Engineering Building*

Interactively test your pulmonary power. See demonstrations of state-of-the-art biomedical equipment used to measure respiratory resistance in humans. **BIOE, ENGR**

The Quantum World*John S. Toll Physics Building*

Explore the quantum world though the Joint Quantum Institute's exciting demonstrations. **CMNS, JQI, PHYS**

Rediscover NASA*Front lawn, Glenn L. Martin Building*

Blast beyond the world of rocket science. Just five miles from UMD, NASA's Goddard Space Flight Center, partnered with the College of Computer, Mathematical and Natural Sciences, is transforming human understanding of Earth and space through innovation, exploration and discovery. **CMNS**

USDA APHIS Plant Protection and Quarantine*Front plaza, Plant Sciences Building*

Plant Protection and Quarantine (PPQ) is a program within the Animal and Plant Health Inspection Service of the U.S. Department of Agriculture. PPQ representatives hand out information on their department, talk about protecting plant resources from harmful pests and diseases, provide information on recruitment and job opportunities and more. **AGNR**

W.M. Keck Foundation Laboratory for Combinatorial Nanosynthesis and Multiscale Characterization*1141 Jeong H. Kim Engineering Building*

Tour the lab and learn about combinatorial materials discovery, which rapidly increases the capacity to discover new materials. Tours on the hour. **ENGR, ENMA**

What Grown-ups Learn from Playing with Sandpiles*Front lawn, John S. Toll Physics Building*

Sand can flow like water, but we can't swim in it. We can build a sand castle, but it will suddenly crumble. Learn about the science of sand. **CMNS, PHYS**

Where Engineering Meets Nature: The Autonomous Vehicle Laboratory*3139 Jeong H. Kim Engineering Building*

Learn how engineers are replicating the sensory abilities of the fruit fly and brown bat, and mimicking the long-distance flight of albatrosses. This lab conducts research in all aspects of autonomy, flight dynamics, stability and control of biological and microrobotic systems, all inspired by biology and nature. **ENAE, ENGR**

ARTS ALLEY

Indulge your artistic talents and meet scores of student and faculty performers and artists showcased throughout this talented neighborhood. Performances and exhibits abound at the Clarice Smith Performing Arts Center and the Art/Sociology Building. Stop by the College of Journalism's new home, spectacular Knight Hall. **Arts Alley is highlighted in light blue on the map.**

9-10 a.m.

Welcome to Maryland!*Dekelboum Concert Hall, Clarice Smith Center*

Are you a prospective student interested in applying to the university? Join us for an informative session to give you and your family a comprehensive overview of the admissions process along with a glimpse of what it's like to be part of the UMD community. **OUA**

10-11 a.m.

Arts & Humanities Information Session for Prospective Students*Kay Theatre, Clarice Smith Center*

Explore your passion, discover your purpose and feed your creativity. With more than 50 majors and minors combined, you'll be encouraged and challenged to broaden your perspective: learn to speak Arabic; read Shakespeare, become globally engaged through cultural and language immersion programs intern at the Smithsonian. Hear from the admissions coordinator and current students about these and other exciting opportunities. **ARHU**

10-11 a.m.

Aspire to Be a Journalist?*1208 Knight Hall*

Gather information about our major and hear from current students. College representatives are available to answer questions about undergraduate programs. **JOUR**

10-11 a.m.

Meet the Dean for Undergraduate Studies*2203 Art/Soc Building*

Meet Donna Hamilton, dean for undergraduate studies, and other representatives of undergraduate education to learn about the academic majors at UMD, learning communities, Letters and Sciences for undeclared students and other programs and activities. **UGST**

10:15-11 a.m.

1:45-2:30 p.m.

Dance: The Choreographic Process*Dance Theatre, Clarice Smith Center*

Watch and learn about the creation of new dance with graduate dance students and faculty. **CSPA**

10:30-11:15 a.m.

UMD Community Band*School of Music Courtyard, Clarice Smith Center*

Faculty, staff and the community at large play in this energetic ensemble, directed by John Wakefield, past chair of UMD Bands. Canceled in the event of rain. **CSPA**

10:30-11:30 a.m.

1:30-2:30 p.m.

Garden Walk*Front of center, Clarice Smith Center*

Horticulturist Jeff Weiser guides you through the lovely gardens of the Clarice Smith Performing Arts Center landscape. Tours will depart from the main lobby entrance. **FMGT**

10:30-11:30 a.m.

Men's & Women's Chorus*Dekelboum Concert Hall, Clarice Smith Center*

Enjoy the joyful sounds of the UMD Men's and Women's Chorus, directed by Stephen Holmes and Scot Hanna-Weir. **CSPA**

10:30 a.m.-1:30 p.m.

Music, Dance and Theatre Admissions Info Table*Grand Pavilion, Clarice Smith Center*

Calling all aspiring artists: Become a Terp and hone your craft at UMD. Admissions representatives and graduate students from the School of Theatre, Dance, and Performance Studies are available to answer your questions. **CSPA**

10:45-11:30 a.m.

Percussion Ensemble*Gildenhorn Recital Hall, Clarice Smith Center*

Enjoy the rhythmic sounds of the Percussion Ensemble, directed by Lee Hinkle. **CSPA**

11-11:45 a.m.

Dance Improvisation*Dance Studio I, Clarice Smith Center*

Contemporary multimedia dance artist Sharon Mansur and dance students explore the creative flow between movement and music. **CSPA**

11 a.m.-noon

Asience*3736 Clarice Smith Center*

Discover, experience and enjoy significant works of Asian American theater. **CSPA**

11 a.m.-3 p.m.

Instrument Petting Zoo*Band Room, Clarice Smith Center*

Ever wanted to fiddle on a fiddle or toot your horn? The student chapter of the Music Educators National Conference offers an interactive, hands-on "zoo" chock full of musical instruments. **CSPA**

11 a.m.-3 p.m.

Arts Scholars Arts Festival*Cambridge Community Center*

This exhibition of solo and ensemble creative artwork includes live music and vocal performances, acting, original short films, fine art galleries and more. Join us for this annual celebration of art and community. **ARHU, CSPA, UGST**

ARTS ALLEY

11 a.m.-1 p.m.

Light Lab Showcase

3731 Clarice Smith Center

Theatre students give you an up-close and personal look into the wonders of theatrical lighting design. It promises to be an illuminating experience. **CSPA**

11 a.m.-1 p.m.

Sigma Alpha Iota Music Fraternity

Grand Pavilion, Clarice Smith Center

Student musicians from the nationally recognized music fraternity Sigma Alpha Iota fill the center's lobby with uplifting classical music. Performances at 11 a.m. and 12:30 p.m. **CSPA**

11 a.m.-1:30 p.m.

Prop and Paint Shop Tour

Prop and Paint Shop, Clarice Smith Center

Meet staff and student members of the center's Prop and Paint Shop to learn how scenery and props are created and finished. **CSPA**

11 a.m.-3 p.m.

Theatre Design Showcase

3730 Clarice Smith Center

Join talented costume and scenic design students as they display their best work. **CSPA**

11:15-11:45 a.m.

1-1:30 p.m.

Maryland Dance Ensemble

Dance Theatre, Clarice Smith Center

Experience a mini concert of dances from the Maryland Dance Ensemble repertory. **CSPA**

11:30 a.m.-noon

12:30-1 p.m.

Music Technology at Maryland

Music Technology Lab, Clarice Smith Center

Learn how computers and synthesizers are used by composers and performers to create musical sound and printed music, offered by music graduate student Mark Nowakowski. **CSPA**

Noon-12:45 p.m.

A Bit of Broadway

Gildenhorn Recital Hall, Clarice Smith Center

Theatre Professor Scot Reese and students present popular selections from the Broadway repertoire. **CSPA**

Noon-12:30 p.m.

1:30-2 p.m.

3-3:30 p.m.

Great Performances on the Boesendorfer Digital Piano

Michelle Smith Performing Arts Library, Clarice Smith Center

Watch and listen to the Boesendorfer digital-reproducing piano recreate the playing of great pianists from the 1920s. **CSPA, LIBR**

Noon-12:45 p.m.

1:15-2:15 p.m.

Hip-Hop Dance Workshop

Dance Studio I, Clarice Smith Center
