

Amy S. Steele

asteele@astro.umd.edu | 407-625-6559

EDUCATION

University of Maryland at College Park | MD

PhD in Astronomy | exp. Jun 2019

Philip E. Angerhofer Prize

GPA : 3.5

Wesleyan University | CT

MA in Astronomy | May 2014

Littell Prize

Williams College | MA

BA in Astronomy + Math | June 2008

Mellon Mays Undergraduate

Research Fellowship

PANELS

APS Conference for Undergraduate

Women in Physics : Jan 2016

MMUF Grad School Panel : Mar 2015

Clare Booth Luce Scholars Panel :

Jan 2015

Williams College Women in the

Sciences : Nov 2011

Williams College Science Alumni :

May 2009

PAPERS

Steele, A. S. et al. 2016

Marino, Sebastian et al. 2016

RESEARCH EXPERIENCE

Research Assistant : Aki Roberge

The dust around HD 181327.

NASA Goddard Space Flight Center | Present

MA Thesis : A. M. Hughes

Resolved mm- λ observations of debris disks.

Wesleyan University

Research Assistant : A. M. Hughes

Wesleyan University

WORK EXPERIENCE

Astronomy Laboratory Coordinator : University of TX at Arlington

Aug 2009 - Aug 2012

- Designed and taught labs
- Trained and supervised undergraduate lab assistants
- Public outreach and participation in professional activities.

Planetarium Technician and Host : Andrus

Planetarium, Hudson River Museum, Yonkers NY

Sep 2008 - April 2009

INVITED TALKS

Planetary Astronomy Late-afternoon Seminar at

UMCP — March 2016

Astronomy Seminar at Carnegie DTM — March 2016

CRESST Retreat — November 2015

Lunch Series at the CfA — May 2014
