

## Postdoctoral Position in High-Energy Astrophysics

[View](#)[Edit](#)[Revisions](#)

### Submission Information

**Publish Date:** Saturday, January 1, 2011  
**Weeks to Run:** 4 Weeks (About 1 month)  
**Archive Date:** Saturday, January 29, 2011

### Job Summary

**Job Category:** Post-doctoral Positions and Fellowships  
**Institution Classification/Type:** Large Academic  
**Institution/Company:** University of Maryland  
**City:** College Park  
**State/Province:** MD  
**Country:** United States of America

### Announcement

#### Job Announcement Text:

Applications are invited for a postdoctoral research associate in observational or theoretical high-energy astrophysics at the University of Maryland. The successful candidate will work with Professor Chris Reynolds. Candidates with a strong background and demonstrated research record in X-ray astronomy, the astrophysics of black hole systems, accretion disk theory, AGN feedback, or the physics of the intracluster medium are especially encouraged to apply. The successful candidate must have a Ph.D. in Physics, Astronomy or a related field by the start date of the position. The initial appointment will be for two years, renewable to a third contingent on funding and performance. A September 2011 start date is envisaged, but earlier starting dates are also possible.

To apply, please send a CV, bibliography, and statement of research interests/accomplishments (in PDF form) to Chris Reynolds by email at [chris@astro.umd.edu](mailto:chris@astro.umd.edu) by 31st January 2011. Please also arrange for three letters of recommendation to be sent to the same email address by 31st January 2011. The University of Maryland is an equal opportunity/affirmative action employer committed to excellence through diversity.

#### Included Benefits:

The University of Maryland's benefits package can be reviewed at: <http://www.uhr.umd.edu/benefits/>
