

# Department of Astronomy, University of Maryland Observatory Open House Schedule Summer 2004

Our *Open House* program will continue this summer just as it has for the last 30 years. Come see local astronomers give a short 30-minute presentation about their research or other new developments in astronomy! The talk is then followed by observing through the telescopes, **weather permitting**.

## Questions?

For more information, check out the Observatory webpages at <http://www.astro.umd.edu/openhouse> or call 301-405-6555.

All observatory events are free and do not require reservations for groups smaller than 10 people. If you have a group larger than 10 people, **please** call 301-405-6555 or email Elizabeth ([warnerem@astro.umd.edu](mailto:warnerem@astro.umd.edu)) to make special arrangements at least two weeks in advance.
