

Department of Astronomy, University of Maryland Observatory Open House Schedule Spring 2005

Our *Open House* program will continue this spring just as it has for the last 30+ years. Come see local astronomers give a short 35-minute presentation about their research or other new developments in astronomy! The talk is then followed by observing through the telescopes, **weather permitting**.

Questions?

For more information, check out the Observatory webpages at <http://www.astro.umd.edu/openhouse> or call 301-405-6555.

All observatory events are free and do not require reservations for groups smaller than 10 people. If you have a group larger than 10 people, please call 301-405-6555 to make special arrangements at least two weeks in advance.

Date & Time	Speaker	Talk Title
5 January 8:00 pm	Kelly Fast	Huygens at Titan: Look out below!!!
20 January 8:00 pm	Dr. Lee Mundy	The Formation of Planets
