

Department of Astronomy, University of Maryland Observatory Open House Schedule Fall 2005

Our *Open House* program will continue this fall and winter just as it has for the last 30+ years. Come see local astronomers give a short 30-minute presentation about their research or other new developments in astronomy! The talk is then followed by observing through the telescopes, **weather permitting**.

Questions?

For more information, check out the Observatory webpages at <http://www.astro.umd.edu/openhouse> or call 301-405-6555.
