

Department of Astronomy, University of Maryland Observatory Open House Schedule Spring 2015

Our **Open House** program will continue this spring just as it has for the last 45+ years. Come see local astronomers give a short 30-minute presentation about their research or other new developments in astronomy! The talk is then followed by observing through the telescopes, **weather permitting**.

Questions?

For more information, check out the Observatory webpages at www.astro.umd.edu/openhouse or call 301-405-6555.

Observatory Open Houses are free. Families/individuals do not need reservations. However we ask that if you have a group larger than 10 people, **please** call 301-405-6555 to make special arrangements at least two weeks in advance.
