

MARYLAND DAY 2012

EXPLORE OUR WORLD!

Plan Your Day: Use Our Learning Neighborhoods

Read through the program book and make note of events and activities that most interest you. To make it easier, we've divided the campus into "learning neighborhoods" listed below. Events are consolidated by areas of interest.

- 
TERP TOWN CENTER 2
 McKeldin Mall, home to the university's premier library and a magnet for campus activity, the Stamp Student Union and the surrounding area become Terp Town Center. Learn about our schools and colleges, catch a live performance under the Big Top and find a bite to eat. Don't miss our village of international events in front of Holzapfel Hall. *Terp Town Center is highlighted in red on the map.*
- 
BIZ & SOCIETY HILL 5
 Surround yourself with exhibits in business, public policy and the social sciences. Check out a variety of events for prospective students and parents. This neighborhood also includes events in Memorial Chapel and on the Chapel Fields. *Biz & Society Hill is highlighted in dark blue on the map.*
- 
SCIENCE & TECH WAY 6
 Science, whether physics, biology, engineering, chemistry or mathematics, is for everyone. Learn about laser technology and extreme robotics, then get blasted in the Glenn L. Martin Wind Tunnel. Explore skeletons, outer space, modern electronic devices and the weather. *Science & Tech Way is highlighted in purple on the map.*
- 
ARTS ALLEY 7
 Indulge your artistic talents and meet scores of student and faculty performers and artists showcased throughout this talented neighborhood. After taking in performances at the Clarice Smith Performing Arts Center head over to the Art/Sociology and Architecture buildings to see more creative events. Activities by the College of Journalism and College of Education are also in this area. *Arts Alley is highlighted in light blue on the map.*
- 
AG DAY AVENUE 9
 What began more than 150 years ago as the Maryland Agricultural College has grown into a world-class public research institution. Explore Ag Day Avenue to learn why the College of Agriculture and Natural Resources is not just about farming. *Ag Day Avenue is highlighted in green on the map.*
- 
SPORTS & REC ROW 10
 Don't miss the fun- and energy-filled Sports & Rec Row. Full of variety, this area features some of our most challenging events. If you're a sports fan, this is the place to meet university coaches and student athletes. The neighborhood also includes events for alumni at the Riggs Alumni Center. *Sports & Rec Row is highlighted in gold on the map.*
- CAMPUS MAP** 11

Maryland Day has something for everyone!

Students, Faculty and Staff: Bring your friends and family and show them why you are proud of your world-class university.

Bring Your Family and stay for the day. Events and activities for families and young children are marked with this symbol:

Prospective Students: See why you should choose the best. Stop by the Mitchell Building between 10 a.m. and 4 p.m. with any questions related to undergraduate admissions. Prospective student (and parent) events are marked with this symbol:

Alumni: Welcome back. Visit with fellow alumni at the Samuel Riggs IV Alumni Center, a beautiful home for all Maryland graduates. Alumni events and activities are marked with this symbol:

Celebrating Our Land-Grant Mission

This year marks the 150th anniversary of passage of the Morrill Act designating the University of Maryland and others as land-grant universities. For this year's program, the university is celebrating its rich land-grant heritage. Learn about our service to the state through our programs in agriculture, engineering, entrepreneurship and more. Events celebrating the land-grant are marked with this symbol:

Sample Listing

11:30 a.m.-noon _____ Time
 12:30-1 p.m. _____ If a time is not listed, it is an all-day event

Music Technology at Maryland _____ Event Title
Music Technology Lab, Clarice Smith Center _____ Location

Learn how composers and performers use computers and synthesizers to create musical sound and printed music, offered by music graduate student Mark Nowakowski. _____ Event Description

CSPA    _____

_____ Prospective Students/Parents
 _____ Alumni
 _____ Children
 _____ Sponsoring Department
see list of sponsoring departments below

Sustainability on Maryland Day

The university is committed to making Maryland Day an environmentally sustainable event. Help us reduce our environmental impact:

- Bring a reusable bottle and fill it at our indoor water fountains or outdoor watering stations.
- Place all recyclables in our blue recycling bins. There's no need to sort. Put your food waste and napkins in our green composting bins.
- Consider carpooling or taking Metro to our event.

To learn about all our Maryland Day sustainability initiatives, visit the Sustainability section of our website.

A LIST OF OUR SPONSORING DEPARTMENTS, PAGE BY PAGE

AGEX Ag Extension Service 9	CRS Campus Recreation Services 4, 10	GEOL Geology 6, 7	NOAA National Oceanic and Atmospheric Administration 6
AGNR College of Agriculture and Natural Resources 9	CSAD David C. Driskell Center for the Study of African Diaspora 8	GIIS Gildenhorn Institute for Israeli Studies 2	NYUM Nyumburu Cultural Center 4
ALUM Alumni Association 10	CSPA Clarice Smith Performing Arts Center 7, 8	GRAD Graduate School 2, 3	ODK Omicron Delta Kappa 3
AMST American Studies 2, 8	CVS Conferences and Visitor Services 2, 3	GYMK Gymkana 3	OIT Office of Information Technology 3, 4
AOSC Atmospheric and Oceanic Science 6	CYC Center for Young Children 10	HIST History 2	OMSE Office of Multi-Ethnic Student Education 4
ARCH School of Architecture, Planning, and Preservation 3, 8	DNSV Dining Services 4	HONR Honors College 3	OS Office of Sustainability 2
ARHU College of Arts and Humanities 2, 3, 10	DOT Transportation 6, 8	ICA Intercollegiate Athletics 10	OUA Office of Undergraduate Admissions 3, 7
ARTH Art History & Archaeology 8	DRL Resident Life 4, 5, 8	JOUR Philip Merrill College of Journalism 2, 3, 8	PHIL Philosophy 2
ARTT Art 8	EDUC College of Education 2, 8, 10	JOI Joint Quantum Institute 7	PHYS Physics 6, 7
ASTR Astronomy 6, 7	ENAE Aerospace Engineering 6, 7	KNES Kinesiology 3	PPOL School of Public Policy 3
BCWP Bahá'í Chair for World Peace 4	ENCE Civil and Environmental Engineering 6, 7	LANC Language House/Language Center 3	ROTC Air Force and Army ROTC 2, 3, 5
BIOE Bioengineering 7	ENCH Chemical Engineering 7	LASC Latin America Studies Center 8	SLLC School of Languages, Literatures, and Cultures 2, 3
BMGT Robert H. Smith School of Business 3	ENEE Electrical and Computer Engineering 6, 7	LIBR Libraries 2, 3, 4,	SMITH Smithsonian 3
BSOS College of Behavioral and Social Sciences 2, 3, 4, 5	ENFP Fire Protection Engineering 6	LSM Language Science at Maryland 5	SPAN Spanish and Portuguese 3
BUSR Office of the Bursar 2	ENGL English 8	MATH Mathematics 7	SPH School of Public Health 3, 4, 10
CASL Center of the Advanced Study of Language 5	ENGR A. James Clark School of Engineering 2, 3, 6, 7	MITH Maryland Institute for Technology in the Humanities 2	SSU Stamp Student Union 4, 5
CCP City of College Park 3	ENMA Materials Science and Engineering 6, 7	MC Memorial Chapel 5	SWE Society of Women Engineers 6
CHEM Chemistry 6	ENME Mechanical Engineering 6	MCI Maryland China Initiative 3	UGST Office of Undergraduate Studies 2, 3, 5, 8, 10
CIM Confucius Institute 3	ENTM Entomology 6, 7	MFRI Maryland Fire and Rescue Institute 3, 4	UMCC Counseling Center 2, 5
CLAS Classics 2	ENVS Environmental Safety 2	MSC Michelle Smith Collaboratory 8	UMHC Health Center 4
CLIS College of Information Studies 2	ESSI Earth System Science Interdisciplinary Center 6	NAC National Archives 2	UMDPS Public Safety 3, 10
CMNS Computer, Mathematical and Natural Sciences 6, 7	FMGT Facilities Management 2, 3, 5, 8, 10	NACS Neuroscience and Cognitive Science 5	UMRES Division of Research 2
CMSC Computer Science 6, 7	FMSC Family Science 3	NASA NASA's Goddard Space Flight Center 6	UNRL University Relations 2, 3, 4, 8
CPSA College Park Scholars in the Arts 10	GC Global Communities 3	NFLC National Foreign Language Center 2	VPSA Office of the Vice President of Student Affairs 3, 4
CRPP Career Center and President's Promise 3	GEM Gemstone Program 3	NFSC Nutrition and Food Sciences 9	

TERP TOWN CENTER

Multi-ethnic Activity Zone

Plaza entrance, Hornbake Library
Take a journey around the globe through games and activities to assess your knowledge of different cultures. Guests can also create their own multicultural arts and crafts. The Office of Multi-Ethnic Student Education team will provide an overview of its services. **OMSE**

Nyumburu Cultural Extravaganza

Nyumburu Amphitheater
Dance team, step teams, African dancers, gospel ensembles, student groups and professional artists perform. Join us for popcorn, cotton candy and sno-cones. Children's activities take place on the terrace. **NYUM ☺**

Perform Your Own Radio Show

Third floor, Hornbake Library
Bring your radio voice. Scripts, microphones and sound effects are provided. Participants get a tape of their radio debut. **LIBR**

Phishing Pond

Mitchell Fields
Younger guests can play a "fishing" carnival game to win small prizes. The trophy wall illustrates the seriousness of phishing, with statistics of those who have been "caught" in the last year. Posters illustrating typical examples of "big phish" email will help guests recognize warning signs. **OIT ☺**

Quidditch for Muggles

Engineering Fields
Join the UMD Quidditch team for a fun Muggle-style match. This sport is based on the Harry Potter series, and although members don't fly, they still have quaffles, bludgers and even a snitch. **SSU ☺**

Residence Hall Tours

Dorchester Hall
Join us for an inside look at living on campus! Meet members of the Department of Resident Life and get a tour. **DRL 👁**

Safety Preparedness Quiz

Mitchell Fields
Draw an age-appropriate safety preparedness question. If you answer correctly, you'll receive a prize for being prepared. **MFRI**

Stump the Curator

Maryland Room, Hornbake Library
Bring in your rare book treasures for informal appraisals from our rare-book curator. Learn how to research rare book values. **LIBR**

Take-a-Break Tent for Families

Infant Studies tent, McKeldin Mall
The Infant and Child Studies Consortium offers parents with infants and young children an opportunity to take a break from the sun and fun. We'll have chairs, changing tables, juice and water for parents and kids before they hit the next round of Maryland Day activities. **BSOS ☺**

Take a Terrapin Home

First floor, Hornbake Library
Create your own diamondback terrapin craft. **LIBR ☺**

Technology Town

Mitchell Fields
The Office of Information Technology showcases a variety of new technologies in partnership with Cisco, Dell and Graybar. **OIT**

Welcome to the iSchool! Information Session for Admitted Students and Their Families

2119 Hornbake Library
Newly admitted students are invited to meet the students, faculty and staff of the iSchool and learn helpful hints to prepare for your first semester. For more information and to RSVP, call 301.405.2038. **LIBR**

Wii Fun with Cisco Systems

Mitchell Fields
Stop by the Cisco tent filled with high-tech fun. Play Wii games with "Sesame Street" characters. Record Maryland Day memories and view them online. Register to win cool prizes. **OIT ☺**

STAMP STUDENT UNION EVENTS LISTED BY START TIME

11 a.m.-2:30 p.m.
Environmental Film Festival
Hoff Theater, Stamp Student Union
Gain perspectives on environmental and sustainable practices at this green-themed film festival. Bring your lunch, sit back and enjoy one or more of the following films: 11 a.m., "Bag It;" 12:30 p.m., "Extreme Commuting;" 1 p.m., "Carbon Nation;" 2:30 p.m., "Nourish: Food + Community." **VPSA**

11 a.m.-4 p.m.
Paint a Terp and Other Fun Crafts
Art & Learning Center Stamp Student Union
The Art & Learning Center invites you to enjoy fun craft activities. Paint your own Terp to bring home (while supplies last). **SSU ☺**

STAMP STUDENT UNION ALL-DAY EVENTS: 10 a.m.-4 p.m.

Adele H. Stamp—Person, Place, Legend
Colony Ballroom, Stamp Student Union
Have you ever wondered who Adele H. Stamp was? Discover more about Adele's life by viewing photos from her youth and from her days as a dean, reading love letters she received, and examining excerpts from her travel diaries. **SSU**

Balloon Artist
Stamp Student Union
Take home a balloon creation from Mike the Balloon Guy. The line will end at 3 p.m. **SSU ☺**

Stamp Gallery Exhibition

Stamp Gallery, Stamp Student Union
Stop by the Stamp Gallery for a special opening of this year's student- and staff-curated exhibit featuring three national artists, selected by the students. **SSU**

Get in the Zone—TerpZone

TerpZone, Stamp Student Union
TerpZone will offer half-price specials on bowling and billiards, cosmic bowling with color pins and prizes, and free PS3, Xbox 360 and Wii video gaming. **SSU ☺**

Homecoming 2012 Theme Announced

Stamp Student Union
Stop by to learn the theme of the Homecoming 2012 celebration. Photo opportunities available. **SSU**

Kids Carnival

Grand Ballroom, Stamp Student Union
Win prizes at carnival games, have your face painted, make arts and crafts and more with student organizations. **SSU ☺**

Letter Writing and Dress Up

Like a Soldier
Prince George's Room, Stamp Student Union
Join us in writing thank-you letters to soldiers serving overseas. You can also try on vests, helmets and other clothing worn by military personnel. **SSU ☺**

Recognizing Our Heroes

Prince George's Room, Stamp Student Union
Visit our display of the great strides UMD veterans and the university administration are making toward becoming a premier institution that serves veterans of the U.S. military. **SSU**

Student Talent Showcase

Baltimore Room, Stamp Student Union
See performances from student dance groups, improv troupes, musical ensembles, a cappella groups and more. **SSU ☺ 👁**

Health and Wellness Festival

Maryland's Classic Cuisine

Join the University of Maryland chefs as they update classic Maryland dishes to reflect today's trend toward healthy, local and sustainable cuisine. Ingredients in these recipes utilize the best of Maryland's fields, farms, streams and the Chesapeake Bay. "Today" show nutrition/health expert and *New York Times* bestselling author Joy Bauer '86 will host the 1 p.m. cooking segment and present a nutrition talk at 1:30 p.m. Meet reporters from the ABC 2 news team who will host all other cooking segments. Lucky guests will be treated to samples. All events are on Hornbake Plaza. **DNV**

11-11:30 a.m.
Chèvre Croquettes on Spring Field Greens
Prepared by Chef Thomas Schraa, this fresh salad is a perfect way to showcase Maryland's vegetable and dairy farms. Goat cheese offers more protein and calcium than cheese from cows. The combination of calcium, protein and greens is a refreshing low-glycemic meal.

Noon-12:30 p.m.
Wild Mushroom Tartlettes with Goat Cheese and Bacon
Chef Ivory Kornegay demonstrates that even healthy recipes can get a kick of satisfying flavor from bacon. Wild mushrooms from Maryland's forests are packed with antioxidants and minerals. These tarts are an easy way to bring something tasty and different to the table while enforcing portion control.

1-1:30 p.m.
Ricotta Hotcakes with Strawberry Compote
Pancakes and strawberries—everyone loves them. Chef Will Rogers uses ricotta cheese to lighten up the pancakes making something ethereal and good. Strawberries spooned over top make this dessert perfect. Applying good portion control means never having to deny yourself anything, including dessert.

2-2:30 p.m.
Café Metropolis' Smoked Rockfish Chowder
Chef Rob Fahey's soup will prove a filling and healthy alternative to a three-course meal. The chowder is packed with heart-healthy fish, nutrient-packed vegetables and delicious fruit. Adding fruits like apples is a great way to add fiber while giving a sweet flavor to tempt children.

3-3:30 p.m.
Smoked Chicken Potpie with Sweet Potato Pastry
Reimagining comfort food to make it healthy and delicious means using new ingredients like beta carotene-rich sweet potatoes. Chef John Gray mixes fresh vegetables, fat-free chicken stock and smoked chicken inside a crispy crust of sweet potato pastry. This dish will tempt the taste buds without breaking the calorie bank.

ALL-DAY EVENTS: 10 a.m.-4 p.m.

CAMPUS RECREATION SERVICES
10:30-11 a.m.
Zumba Demonstration
Join Campus Recreation Services zumba instructors for this high energy Latin-inspired dance workout, perfect for Terps of all ages and skill levels. **CRS ☺**

Stress-Free Family Time
Learn how to turn screen time into family time with fun and healthy alternatives to the TV. Come play together and relieve stress with games and art. **CRS ☺**

Terp Quest Fun in 5
Do you have five minutes and want to try something with the whole family? Join our Terp Quest Summer Day Camp counselors for quick fun and laughter galore. Ever play Alaskan baseball? How many ways can you use a rubber chicken? We have the answers. **CRS ☺**

KIDS' TENT
Carnival for Autism Awareness
Bring your kids to play beanbag toss, win prizes like puzzle-piece Silly Bandz and get temporary tattoos. While there, learn about juvenile autism with the ladies of Kappa Lambda Xi Multicultural Sorority Inc. **UNRL ☺**

MARYLAND-NATIONAL CAPITAL PARK AND PLANNING COMMISSION
Explore Local Public Recreation
The Maryland-National Capital Park and Planning Commission operates the public park systems, provides land-use planning for the majority of Montgomery and Prince George's counties and operates the public recreation program in Prince George's County. Learn about the programs, facilities and services available from M-NCPPC. **UNRL**

PATHWAYS TO PEACE
Interfaith Council
Sing, dance, laugh, pray. Experience the many faith traditions on campus as they share their unique and common ways to nurture your spirit and heal your soul. **BCWP**

Pathways to Peace
Come experience some of the many pathways to peace at the university with fun, interactive games and interesting ideas to nurture your spiritual and mental health. **BCWP**

SCHOOL OF PUBLIC HEALTH
Adult Oral Cancer Screening
Doctors from the University of Maryland School of Dentistry will provide comprehensive oral cancer exams. **SPH**

Learn About Your Sexual Health
The Sexually Transmitted Infections Community Coalition is a partnership of more than 30 public and private groups in the metro D.C. area that have a common interest in reducing the impact of sexually transmitted infections. **SPH**

Maryland Healthy Smiles Dental Program/DentaQuest
The Maryland Healthy Smiles Dental Program is Maryland's Medicaid dental program for children, pregnant women and rare and expensive case management (REM) individuals. **SPH**

Put Your Face on Testudo!
Maryland Wishes will take a picture of your face in a life-size cutout of this famous reptile. This student organization helps raise funds to grant the wishes of children living with life-threatening medical conditions. **SPH ☺**

STI Testing
Non-print Media Services, ground floor, Room B, Hornbake Library
The Sexually Transmitted Infections Community Coalition of Metropolitan Washington, D.C., will provide testing. **SPH**

Sustainable Food and Gardening
Come visit some campus groups dedicated to promoting sustainable food and agriculture. Related student-led organizations will display ongoing projects, activities and work promoting sustainable food and agriculture. Learn about food, take home recipes and try some samples. **SPH**

UNIVERSITY HEALTH CENTER
Health Information and Screening
Test your knowledge on hydration and general nutrition for a chance to win a prize. Get a free blood pressure screening and check your peak flow level. Learn about the importance of sun safety and how to properly apply sunscreen. **UMHC**

1:30-2 p.m.
Joy's Top 10 Super Foods
Cooking Stage
Bestselling author and NBC's "Today" show health expert, Joy Bauer '86 MS, RD, will present her top nutrient-rich foods for increasing energy, revving metabolism, boosting mood and memory—and enhancing heart health. **SPH**

SCIENCE & TECH WAY

10-11 a.m.
Get to Know the College of Computer, Mathematical, and Natural Sciences
1101 Bioscience Research Building
Astronomy, atmosphere and oceans, biology, biochemistry, chemistry, computing, geology, math, physics. Pre-medicine, pre-dental, pre-health! Meet the dean and advisers to learn about these programs. **CMNS**

10 a.m.-1:30 p.m.
Chemath-The Human Body: Better Biology through Chemistry
G. Forrest Woods Atrium, Chemistry Building
Developments in chemistry are highlighted in this competition. View the talented work of high school students. **CHEM, CMNS**

10 a.m.-1:30 p.m.
Discover Engineering
3201 J.M. Patterson Building
High school students interested in science, technology, engineering and math can get information from engineering students and participate in hands-on activities. The registration form is available at www.discoverengineering.eventbrite.com. **ENGR, SWE**

10 a.m.-2 p.m.
Fun with the Department of Transportation Services
Regents Drive Garage
Stop by the DOTs office at Regents Drive for family fun. **DOT**

10 a.m.-3 p.m.
Insect Petting Zoo
1161 Plant Sciences Building
Imagine tarantulas, exotic insects, scorpions, bees and millipedes longer than your hand for you to look at and touch—if you dare. **CMNS, ENTM**

10 a.m.-3 p.m.
Where Engineering Meets Nature: The Autonomous Vehicle Laboratory
3139 Jeong H. Kim Engineering Building
Learn how engineers are replicating the sensory abilities and flight mechanics of insects. This lab conducts research in all aspects of autonomy, flight dynamics, stability and control of biological and microrobotic systems, all inspired by biology and nature. **ENAE, ENGR**

10:30-11:15 a.m.
11:30 a.m.-12:15 p.m.
Meet the Engineering Dean: A Prospective Student Information Session
1110 Jeong H. Kim Engineering Building
Discover the academic programs and opportunities that await you in the A. James Clark School of Engineering. **ENGR**

10:30-11:30 a.m.
Noon-1 p.m.
Physics Is Phun
1412 John S. Toll Physics Building
Our renowned Physics Is Phun program is great for all ages. **CMNS, PHYS**

11 a.m.-noon
Explore Computer Science
1115 Computer Science Instructional Center
Prospective computer science students and those interested in the field can join faculty and staff from the department to learn about the curriculum and program offerings. Hear from current students about this exciting field with a demonstration as well as a panel to answer your questions. **CMSC**

11 a.m.-2 p.m.
Liquid Nitrogen Ice Cream
Front lawn, John S. Toll Physics Building
You've had 31 flavors, but we bet you haven't had ice cream like this. The Materials Research Science and Engineering Center's homemade specialty tastes great and is safe for children of all ages (while supplies last). **CMNS, PHYS**

11 a.m.-3 p.m.
Make and Take Mini Physics Demos
Front lawn, John S. Toll Physics Building
Make physics magic. Use common household ingredients to make slime and much more. **CMNS, PHYS**

11 a.m.-4 p.m.
Maryland Optics Group
Plaza, Jeong H. Kim Engineering Building
See various kinds of lasers in action. Learn about new ways of using lasers for optical communication and sensing. Tours leave from the Department of Electrical and Computer Engineering table. Check at the table for exact times. **ENEE, ENGR**

Noon-2:30 p.m.
Explore Virtual Reality!
1234 Jeong H. Kim Engineering Building
The VRLab enables the design of smart structures in a virtual environment based on automatic virtual environment (CAVE) technology. Thirty-minute tours begin at noon and 1 and 2 p.m. **ENGR, ENME**

1-2 p.m.
Cosmic Ray Lab Tour
Lobby, John S. Toll Physics Building
Come on a virtual journey as you tour our cosmic ray lab. Physicists in the lab are building state-of-the-art particle detectors to fly on gigantic balloons in Antarctica. **CMNS, PHYS**

2-3 p.m.
UMD at the Large Hadron Collider
1201 John S. Toll Physics Building
An epic scientific exploration is under way, using the largest, most complicated research facility ever devised. Hear an overview of the Large Hadron Collider from one of the UMD physicists who is part of the elite worldwide collaboration. **CMNS, PHYS**

ALL-DAY EVENTS: 10 a.m.-4 p.m.

25 Feet to Outer Space
Neutral Buoyancy Research Facility
Maryland is the only university in the world with a giant water tank for studying how to work in the weightlessness of space. See demonstrations of space and deep sea robots, space suits, and award-winning student projects in autonomous underwater robotics. **ENAE, ENGR**

Engineering Information Fair
Plaza, Jeong H. Kim Engineering Building
Discover the majors and opportunities that are available in the A. James Clark School of Engineering. **ENGR**

Ask an Astronomer
Front lawn, Glenn L. Martin Building
Astronomy faculty and students will be on hand to answer your perplexing astronomy-related questions. **ASTR, CMNS**

Bicycle Valet
Regents Drive Garage
Start and end Maryland Day on the right wheel. Ride your bicycle to campus and take advantage of the free bicycle valet and tune up stations brought to you by the Department of Transportation, bikeUMD and the Campus Bike Shop. **DOT**

Bone Collector and Forensic Science
1168 Plant Sciences Building
Skeletons. Forensics. Can you piece together the facts from all that remains? **CMNS**

Science Hunt
Front lawn, Glenn L. Martin Building
Learn about the College of Computer, Mathematical, and Natural Sciences. Complete the science hunt quiz and win a prize. **CMNS**

Chemistry Fun for Kids of All Ages
Front of Chemistry Building
Have fun learning about chemistry from American Chemical Society students. Learn the science of Silly Putty, see a trash can rocket into the air and much more. **CHEM, CMNS**

Chemistry Magic
Front entrance, Bioscience Research Building
This looks to be one explosive event. Can you shatter a rubber ball? Make putty? Will you see magic or chemistry? Have fun watching the chemists play. **CHEM, CMNS**

Concrete Canoe
Plaza, Jeong H. Kim Engineering Building
Step inside the UMD chapter of the American Society of Civil Engineers' canoe. It floats in water and is made entirely of concrete. See our student-made steel bridge, too, and learn about both competitions. **ENCE, ENGR**

Cosmic Comets
Front lawn, Glenn L. Martin Building
Deep Impact/EPOXI mission team members will be making dry ice comets and answering questions about the missions. **ASTR, CMNS**

Discovering Earth Dynamics
Outside, Geology Building
Why do earthquakes and volcanic eruptions occur on Earth? Learn the answers to these and other Earth dynamics questions through hands-on activities, including demonstrations of deep Earth convection, frictional sliding and ductile putty deformation. **GEOL**

ESSIC! Earth System Science and Climate Change
Front lawn, Glenn L. Martin Building
Explore our planet with Earth system scientists from the university, NASA and the National Oceanic and Atmospheric Administration. Participate in educational and entertaining Earth science-themed activities. View our magic planet (science on a sphere). **ESSI, NASA, NOAA**

Engineering in Action
Plaza, Jeong H. Kim Engineering Building
Visit our entertaining student-designed engineering projects. **ENGR**

Engineers Without Borders
Plaza, Jeong H. Kim Engineering Building
The UMD chapter of Engineers Without Borders partners with disadvantaged communities to improve their quality of life through environmentally and economically sustainable engineering projects. Learn about ongoing projects and see a demonstration. **ENCE, ENGR**

Extreme Robotics
1309 Jeong H. Kim Engineering Building
See advanced robots being developed for deep space, the ocean and medical rehabilitation. See the prototype of a robot that will fly around the International Space Station, or a robot arm that can descend three miles into the ocean. See space suits too. **ENAE, ENGR**

Fire Lab Demos
3200 J.M. Patterson Building
Come to our laboratories and see an astounding 4-meter-tall fire tornado. Also on display will be a small-scale room fire, smoke visualizations and fire sprinkler sprays. **ENFP, ENGR**

Fire Show
Plaza, Jeong H. Kim Engineering Building
What makes a fire whirl whirl? How many candle tricks can you do? Why doesn't the dollar bill burn? Come see some amazing flames and learn about fire from students and faculty. **ENFP, ENGR**

Fossil Dig
Outside, Geology Building
Dig in the Department of Geology sand pit and uncover millions of years of history. Find fossils up to 400 million years old and, of course, shark teeth. **GEOL**

Germies! Five-Second Rule
1171, 1168 Plant Sciences Building
Is the five-second rule true? How well do you wash your hands? How clean is a dog's mouth? Learn the truth using a special microscope. **CMNS**

Hurricanes, Airplanes, Cars, Trucks, Sailboats and Submarines: We Do It All
Glenn L. Martin Wind Tunnel
Tour the Glenn L. Martin Wind Tunnel. Learn how the tunnel works and how it is used in aerodynamic studies. Experience a short blast in the Wind Tunnel. The last tour begins at 3:30 p.m. **ENAE, ENGR**

Hynet and SEIL Lab Demonstrations
Engineering Annex Building
We demonstrate the ease with which an adversary can masquerade as a genuine WiFi access point. She or he can steal information in sensitive transactions such as online banking and confidential emails. We show how to counter these types of threats. **ENEE, ENGR**

The Jeong H. Kim Engineering Building
Rotunda, Jeong H. Kim Engineering Building
Tour the engineering building and explore the facility where cutting-edge research takes place. Discover the exciting worlds of nanotechnology, microelectromechanical systems, transportation systems and space systems. The building itself is a lab including internal bridges, exposed systems and more. Tours leave on the hour. **ENGR**

The Keystone Program
1201/1215 J.M. Patterson Building
See the great hovercrafts that freshman engineering students made as part of the "Keystone" Introduction to Engineering Design course. Tours are hourly, and the last one begins at 3 p.m. **ENGR**

Life Questions with Biology Answers
1164 Plant Sciences Building
Who attacked Testudo? Crack the genetic code with a DNA bracelet. See how fast your brain can think. Explore human evolution by examining fossil skulls. **CMNS**

Magnified Materials
1237 Jeong H. Kim Engineering Building
Tour the Nanoscale Imaging, Spectroscopy, and Properties Laboratory. Get up close and personal with common objects magnified greater than 10,000 times. Tours begin on the hour. **ENGR, ENMA**

Make a Microbe
Lobby, Bioscience Research Building
Life science games and fun: Make a microbe and take it home. **CMNS**

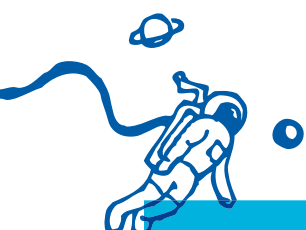

Maryland Water Resources Research Center
Plaza, Jeong H. Kim Engineering Building
Explore new technology and more efficient methods for resolving local, state and national water resource problems. **ENCE, ENGR**

Maryland's Weather and Climate
Front lawn, Glenn L. Martin Building
Build your own instruments to measure winds and rainfall amounts. Create a tornado in a bottle. **AOSC, CMNS**

Materials Teaching Lab Demos
1135 Jeong H. Kim Engineering Building
Tour the Materials Teaching Lab, which allows students to study various materials and their mechanical, electrical and magnetic properties. See how a material breaks. Tours begin on the hour. **ENGR, ENMA**

Materials in Modern Technology
2310 Jeong H. Kim Engineering Building
Tour the FabLab! See how modern electronic devices are made in this state-of-the-art clean room. Tours begin on the hour. **ENGR, ENMA**

Materials in Your Life
Jeong H. Kim Engineering Building Plaza
Interactive demonstrations and hands-on activities feature materials used in modern technology. **ENGR, ENMA**

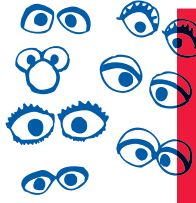

Explore NASA
Front lawn, Glenn L. Martin Building
Just five miles from UMD, NASA's Goddard Space Flight Center is transforming human understanding of Earth and space through innovation, exploration and discovery. Experience cutting-edge innovations in engineering and technology that will propel us to the future and beyond. **CMNS, NASA**

At Home on the Moon
Next to Neutral Buoyancy Research Facility
See Chelonia, an experimental habitat for studying how astronauts will live and work on the Moon or Mars. Watch ongoing research on how astronauts in space suits use robots to explore planets. Drive a rover on the Moon. **ENAE, ENGR**

ARTS ALLEY

Noon-2 p.m.
Costume Shop
Costume Shop, Clarice Smith Center
Join members of the costume shop staff for a tour of the shop and a behind-the-scenes look at costume design and preparation. Sew cool! **CSPA**

1-1:45 p.m.
Brazilian Bach!
Gildenhorn Recital Hall, Clarice Smith Center
Enjoy a concert of music comprising a fusion of Brazilian, classical and jazz styles. It will be performed by the group FUSAO, which features flutists Kathleen Trahan and Camille Delaney and composer, singer and pianist John Christopher Urquiaga. **CSPA**

1-2 p.m.
Sepia Sculptress by Caroline Clay
Cafritz Foundation Theatre, Clarice Smith Center
Actress Caroline Clay performs her solo show on 19th-century African-American sculptor Edmonia Lewis, who now, as a bird in the afterlife, fights to keep her wings and her legacy. **CSPA**

1-2 p.m.
Men's and Women's Choruses
Dekelboun Concert Hall, Clarice Smith Center
Enjoy the rousing sound of voices raised in song. The UMD Women's and Men's Choruses offer an engaging and wide-ranging concert of choral music. **CSPA**

1:30-2 p.m.
Arboretum Spotlight: Clarice Smith Performing Arts Center landscape
Front of Center, Clarice Smith Center
Arboretum staff will be at the main entry plaza to answer your questions about the supporting role of the expansive landscapes at the center. **FMGT**

1:30-2 p.m.
Dance MFA Showcase
Dance Theatre, Clarice Smith Center
MFA dancers XueJuan Feng, Stephanie Miracle and Jessie Laurita-Spanglet perform. **CSPA**

1:30-2:30 p.m.
Kidsmusicart
Prince George's Suite, Clarice Smith Center
Make music with your family and two experienced early-childhood music educators. The experts from Kidsmusicart, who teach here, will lead this fun activity for kids ages 2-6. Join in as we play instruments, sing and chant, fingerplay and dance with scarves and learn about music in a fun and age-appropriate way. **CSPA** 😊

1:45-2:15 p.m.
Thai Bodywork Class
Studio 1, Clarice Smith Center
Thai Bodywork (Thai yoga massage or nuad boran) is an ancient healing art that incorporates acupressure, yoga-like stretching and working with the breath to release energy blockages in the body and enhance well-being. It is performed on a mat on the floor in lightweight comfortable clothing. In this class we will be both giving and receiving the bodywork. No previous experience necessary. Come in comfortable clothes with a yoga mat (if you have one) and ready to relax. **CSPA**

2-2:45 p.m.
A Bit of Broadway
Gildenhorn Recital Hall, Clarice Smith Center
Theatre Professor Scot Reese and students present popular selections from the Broadway repertoire. **CSPA**

11 a.m.-3 p.m.
Be a News Anchor with WUSA-TV Channel 9
Herblock Room, 1206 Knight Hall
Meet news anchors from CBS, WUSA-TV in Washington, D.C., to get the inside scoop on doing interviews that inform and excite the public. You'll even take your turn in front of the camera during a mock newscast and get a copy of your news debut. **JOUR, UNRL** 👁

11:30 a.m.-noon
Architecture in Schools-Learn About Architecture
1101 Architecture Building
See the work of aspiring architects who are learning what it takes to make and architectural design. **ARCH**

Noon-1 p.m.
Sustainability, Smart Growth, Green Building and More
1101 Architecture Building
Learn about sustainability and why it's important to all of us. Find out what the campus is doing and what you can do in your home and community. Continuing education credits will be offered. **ARCH**

Noon-1:30 p.m.
Coming Home: A Sports Journalism Panel
Richard Eaton Theater, 1208 Knight Hall
Maryland alumni thriving in the world of sports journalism return to share their experiences and how their time on campus prepared them for their careers. **JOUR**

12:30-2 p.m.
You Be the Curator!
4213 Art/Sociology Building
Amaze your friends and family with your hidden curatorial talent. Try your hand at designing a virtual exhibition with the Art Gallery's director using pieces from its permanent collection. **ARHU, MSC**

1-3 p.m.
Connect with the Kinect
0113 Queen Anne's Hall
Come join us for a hands-on workshop led by students in the Digital Cultures and Creativity program. We'll explore the connections between art and emerging digital technologies through the use of Kinect. **ARHU** 👁

1-2:30 p.m.
MFA Exhibition
2202 Art/Sociology Building
Listen to MFA candidates from the Department of English present their work in this special Maryland Day preview. **ARHU, ENGL**

2-3 p.m.
Kevin Clash, Puppeteer of Elmo
Kay Theatre, Clarice Smith Center
Please join "Sesame Street's" senior puppet coordinator and Muppet captain, Kevin Clash, for this special Maryland Day appearance. Mr. Clash will bring a special guest with him and will answer questions from the audience. He will also talk about his recent autobiography, "My Life as a Furry Red Monster: What Elmo Has Taught Me About Life, Love and Laughing Out Loud," and his award-winning film, "Being Elmo: A Puppeteer's Journey." All adults and children must have a ticket. Reservations begin April 17. Go to claricesmithcenter.umd.edu or call 301.405.2787. **CSPA** 😊

2:15-2:45 p.m.
Movement Poetry project
Dance Theatre, Clarice Smith Center
Dancers and the audience will create moving poetry with Adriane Fang. **CSPA**

2:15-2:45 p.m.
Gamer Symphony Orchestra
Dekelboun Concert Hall, Clarice Smith Center
The Gamer Symphony Orchestra is the first collegiate ensemble in the country to draw its repertoire from video game soundtracks. The ensemble works to bring new audiences to orchestral performances. **CSPA**

2:30-3 p.m.
FlamencoRobics
Studio 1, Clarice Smith Center
Exercise in the spirit of flamenco. Take part in a passionate aerobic workout to fabulous music. **CSPA**

3-3:30 p.m.
DanceSport: Cardio Ballroom Class
Dance Studio 2, Clarice Smith Center
Laurie Meer, U.S. National Pro-am and Am-Am Ballroom dance champion, will teach an aerobic, no-partner ballroom dance class. **CSPA**

3-3:30 p.m.
Vaudevilal: Old Is the New New
Dance Theatre, Clarice Smith Center
"Vaudevilal: Old Is the New New" asks, "What Is American dance?" and tries to figure it out. You can join in. Enjoy high-energy music from common to swing to live strings. **CSPA**

1-3 p.m.
Philip Merrill College of Journalism Alumni Reception
Great Hall, Knight Hall
Join fellow alums and the college's faculty and staff for an afternoon reception. **JOUR** 🗺

2:30-4 p.m.
Virtual D.C. Latino Tour
4213 Art/Sociology Building
Take an electronic field trip with this Latino-themed, student-produced tour of Washington, D.C., commemorating landmarks, monuments, memorials and the presence of the Latino community in the United States. **AMST, ARHU, ARTH**

ALL-DAY EVENTS: 10 a.m.-4 p.m.

Amazing Animals
Lobby, Benjamin Building
Come meet the Student Council for Exceptional Children. Learn about your favorite animal and make your own animal to take home. **EDUC** 😊

African American Art Exhibit
1207 David C. Driskell Center, Cole Student Activities Building
Enjoy the "Successions: Prints by African American Artists from the Jean and Robert Steele Collection," which features 62 prints by more than 45 artists, including Romare Bearden, Elizabeth Catlett, David C. Driskell, Jacob Lawrence, Faith Ringgold and William T. Williams. **ARHU, CSAD**

Bookmark Bonanza
Benjamin Building
Visit the Student Educators of Young Children. Sing a song, listen to a story and make your own bookmark. **EDUC** 😊

Caricature Artist
Tawes Plaza
Stop by to have your portrait drawn by a professional caricature artist. **ARHU**

Chalk Talk
Tawes Plaza
Inscribe your favorite quotations on Tawes Plaza in chalk. Stop by the Department of English table, refer to anthologies and literature collections, and leave behind your favorite poetry or prose quotation. **ARHU, ENGL** 😊

1309 Art/Sociology Building
See works by students in the Art Honors Thesis Program. **ARHU, ARTT**

3-3:45 p.m.
Koto Ensemble
Dekelboun Concert Hall, Clarice Smith Center
Adjunct faculty artist Kyoko Okamoto directs university students and Koto Society members during this celebration of the majestic koto, a stringed instrument that originated in China and came to Japan in the 8th century. **CSPA**

3-4 p.m.
The Peacherine Ragtime Orchestra
Gildenhorn Recital Hall, Clarice Smith Center
Hear the Peacherine Ragtime Orchestra, America's premier collegiate ragtime orchestra, founded at the University of Maryland. Director Andrew Greene and the orchestra will take you on a trip through vintage American popular music, followed by a presentation of Charlie Chaplin's classic film, "The Immigrant." **CSPA**

ALL-DAY EVENTS: 10 a.m.-4 p.m.

Bicycle Valet
Front of Clarice Smith Center
Start and end Maryland Day on the right wheel. Ride your bicycle to campus and take advantage of the free bicycle valet and tune-up stations brought to you by the Department of Transportation Services, bikeUMD and the Campus Bike Shop. **DOT**

Digital Projection and Drawing Marathon
2314 Art/Sociology Building
Help art students and faculty create a wall-size drawing while we project digital videos. This experimental mural will be fun for the whole family. All materials will be provided—just bring your creativity. **ARHU, ARTT** 😊

Discover Latin America
Tawes Plaza
Discover Latin America's connection to the Maryland community. Listen to Latin music, watch live dance performances and travel with our students to the Amazon, rural Ecuador and cyberspace. **ARHU, LASC**

Get Your Face Painted
1315 Benjamin Building
Celebrate Maryland Day with a Terrapin, letter "M" or "Go Terps" painted on your face. Meet College of Education students to select your design and have fun. **EDUC** 😊

Learn Chinese
Lobby, Benjamin Building
Learn how to read, write and speak Chinese. Meet staff from the Center for Chinese Language Teacher Development and Certification and find out how you can become a teacher of Chinese. **EDUC** 👁

Michelle Smith Collaboratory for Visual Culture
4213 Art/Sociology Building
Explore new media technologies throughout the day in the Department of Art History's visualization lab. "Visit" London's Olympic Games, curate an art exhibition and tour D.C.'s Latino landmarks. **ARHU, MSC**

On the Wild Side
Lobby, Benjamin Building
Celebrate Maryland Day with the Teacher Education Association of Maryland Students by creating a mask of your favorite animal. **EDUC** 😊

Residence Hall Tours
Lobby, Denton Hall
Join us for an inside look at living on campus. Meet members of the Department of Resident Life and get a tour of traditional-style buildings. **DRL** 👁

Spotlight on English Alumni
Tawes Plaza
Complete a survey, provide a profile and reconnect with the Department of English. **ARHU, ENGL** 🗺

OUTSIDE OF THE CLARICE SMITH CENTER

10-11 a.m.
Aspire to Be a Journalist?
Richard Eaton Theater, 1208 Knight Hall
Gather information about our major and hear from current students. College representatives are available to answer questions about undergraduate programs. **JOUR** 👁

10-11 a.m.
Graduate Programs in Journalism
Gene Roberts Room, 3202 Knight Hall
Explore graduate programs in journalism at the Merrill College. College representatives are available to answer questions and give tours of Knight Hall. **JOUR** 👁

10-11 a.m.
Meet the Dean for Undergraduate Studies
2203 Art/Sociology Building
Meet Donna Hamilton, dean for undergraduate studies, and other representatives of undergraduate education to learn about the academic majors at Maryland, learning communities, Letters and Sciences for undeclared students and other programs and activities. **UGST** 👁

10-11:30 a.m.
The Olympic Games: Past and Present
4213 Art/Sociology Building
Go for the gold! Visitors to this session in the Michelle Smith Collaboratory for Visual Culture have a unique opportunity to see the sites of the Olympics in Google Earth on a massive scale. Come see the site of Olympia itself, its 18th-century depiction and its most recent reincarnation. **ARHU, MSC**

10 a.m.-1 p.m.
Create a "Box City"
Great Space, Architecture Building
Recreate College Park, Md., (or make your own dream neighborhood) with tissue boxes, cereal boxes and oatmeal canisters through a miniature "box city." Urban Planning students will be on hand to help you think like a city planner (ages 6 and up). **ARCH** 😊

10 a.m.-2 p.m.
Exhibits on Movement and Space
Kibel Gallery, lower level, across from O204 Architecture Building
"The Collaborative Legacy of Merce Cunningham" reflects on the nature of the work between him and the artists, composers and designers with whom he created "in space and time." The Robert Siegel Architect exhibit "Movement" shows movement and ritual in architecture, and includes a conceptual approach to sustainable design. **ARCH**

AG DAY AVENUE

An Urban Oasis

Indoor Research Greenhouse

Tour the Department of Plant Science and Landscape Architecture's Research Greenhouse Complex. Learn about green roofs and current research projects. Receive a free plant. **AGNR**

SPORTS & REC ROW

9-10:30 a.m.

Emeritus Breakfast

Maryland Club, Riggs Alumni Center

Members of the Class of 1962 and prior are invited to a continental breakfast in the Maryland Club. Emeritus alumni will share breakfast and reunite. Life members are also invited. Enjoy a multimedia presentation of memories from your days on campus. RSVP to Heather Gleason at hgleason@umd.edu or 301.405.1019 by April 20. **ALUM** 🎉

9 a.m.-noon

Madieu Williams Football Clinic

Outside, Comcast Center

San Francisco 49er Madieu Williams '03 will offer a football clinic for children ages 8-13. Pre-registration is required and there is a 300-participant limit. Register at tinyurl.com/madieucamp. **SPH** 😊

10-11 a.m.

Panel Discussion: Undergraduate Degrees in the School of Public Health

1304 School of Public Health Building

Discover a career helping individuals and families choose healthy and active lifestyles. If you want variety in courses and career options, enjoy promoting healthy lives and communities, and are looking for excitement in school, come and learn about majors in community health, family science and kinesiology. **SPH** 🌿

10-11:30 a.m.

Aging with Panache: Our Love-Hate Relationship with Age

Crist Boardroom, Riggs Alumni Center

Dr. Nancy Schlossberg will lead a seminar on aging with panache. The saying goes, "You are as old as you feel," but there are two conflicting beliefs. Can one age from 30 on with style, or is it all downhill after 40? Which version of aging is your version? Could your view on aging be the secret to a longer, more fulfilling life? Space is limited. RSVP to Heather Gleason at hgleason@umd.edu or 301.405.1019 by April 20. **ALUM**

10 a.m.-noon

Early Childhood Green Festival

Center for Young Children

Join us for "Little Red Riding Hood and the Little Red Hen Go Green," presented by Kaydee Puppets at 10:30 a.m. A sing-along with CYC's own "Mr. M," Eric Maring, follows at about 11:15 a.m. **CYC, EDUC** 😊

10 a.m.-1 p.m.

Terp to Terp Marketplace

Orem Alumni Hall, Riggs Alumni Center

Orem Alumni Hall will be transformed into a marketplace showcasing dozens of alumni and student businesses. Alumni Association members are invited to enjoy complimentary light refreshments in the adjoining membership hospitality suite. **ALUM** 🎉

10 a.m.-1 p.m.

Terptitivites

Orem Alumni Hall, Riggs Alumni Center

Terp-themed crafts and games will be available for future Terps and kids at heart. A face painter will also be present! **ALUM** 😊 🎉

10 a.m.-3 p.m.

Climb the Beast

Adventure Complex, Eppley Recreation Center

Like climbing trees? Try our 60-foot-high climbing wall. Never climbed? Don't worry—this is a safe environment with experienced staff on hand to help. Participants must be at least 48 inches tall. Sign-up ends at 3 p.m. to allow time to complete the activities. **CRS** 😊

10 a.m.-3 p.m.

Conquer the Tower

Adventure Complex, Eppley Recreation Center

Try out elements of Campus Recreation Services' Outdoor Recreation Center. The Tower is fun and challenging. Set your sights, grab the ropes and conquer. Participants must be at least 48 inches tall. Sign-up ends at 3 p.m. to allow time to complete the activities. **CRS** 😊

11 a.m.-noon

Football Autograph Session

Concourse, Capital One Field at Byrd Stadium

Meet Head Coach Randy Edsall and your favorite Terrapins at the autograph session. Limit one item per person. Gates open at 10:30 a.m. **ICA**

11:30 a.m.-3 p.m.

College Park Scholars Arts Festival 2012

Cambridge Community Center

Join the students of the College Park Scholars Arts program in a creative exhibition of solo and ensemble creative artwork featuring live music, vocal performances, acting, original short films, fine art galleries, an art raffle, refreshments and more. Join us for this annual celebration of art and community. **ARHU, CPSA, UGST**

Noon-1 p.m.

Men's Basketball Team Autograph Session

Comcast Center

Join members of the team for a photo and autograph session. One photo and autograph per person; the line will be limited to the first 500 people. Doors open at 10 a.m. **ICA**

Noon-1 p.m.

Women's Basketball Team Autograph Session

Comcast Center

Join members of the team for a photo and autograph session. One photo and autograph per person; the line will be limited to the first 500 people. Doors open at 10 a.m. **ICA**

2-4 p.m.

Young Alumni Barbecue

Moxley Gardens Riggs Alumni Center

Alumni from classes 2001 through 2011 are invited to a free barbecue (while supplies last) and reunion. This event will be for alumni association members only. Young alumni can purchase memberships at the door to gain entry to this event. Guest tickets can be purchased for adults and children ages 5-10. Admission is free for children under age 5. RSVP for quick entry to the event at www.alumni.umd.edu. **ALUM** 🎉

ALL-DAY EVENTS: 10 a.m.-4 p.m.

April POOLS Day

Outdoor Aquatic Center, Eppley Recreation Center

Enjoy the Outdoor Aquatic Center and learn how to be safe in and around swimming pools. Enjoy games, demonstrations and prizes. **CRS** 😊

Arboretum Spotlight

Arboretum Outreach Center

Talk plants with staff/volunteers as you explore the H. Edward Reiley Rhododendron and Azalea Collection and learn about the campuswide Arboretum and Botanical Garden. Continuous displays and refreshments. **FMGT**

Bocce!

Front lawn, Cole Student Activities Building

The Department of Public Safety serves the community by partnering with Special Olympics Maryland. Join athletes and celebrate the spirit of competition by playing bocce. **UMDPS**

Child Safety Seat Checks

Front, Cole Student Activities Building

The Department of Public Safety will conduct child safety checks and provide information on preventing childhood injuries. Call 301.405.3555 for reservations. **UMDPS** 😊

Comcast Center Tours

Comcast Center

Tour the home of the Terrapins. Learn about the men and women who have forged the Maryland Athletics program among the nation's elite as you stroll through the Terrapin Walk of Fame. **ICA**

Deamonte Driver Dental Project

Front lawn, Cole Student Activities Building

The Deamonte Driver Dental Project is a community partnership for children's oral health. Visit us at our mobile unit for free dental health screening. **SPH** 😊

Flatwater Kyaking

Outdoor Aquatic Center, Eppley Recreation Center

Ever been kayaking? Try out a kayak in a shallow, nonthreatening environment. Skilled users are on site to help. **CRS** 😊

LaPlata Beach Party

LaPlata Beach, Eppley Recreation Center

Don't be a beach bum, come join us for activities and prizes on LaPlata Beach. Test your skills at outdoor basketball, volleyball, soccer and more. **CRS**

Visit the Public Health Garden

Between Eppley Recreation Center and School of Public Health Building

Visit the new Public Health Garden. Children can plant seeds and learn about how they grow. Look at the progress of the construction of the garden. Learn about sustainable agriculture and how community gardens can improve environmental, community and public health. **SPH** 😊

Noon.-2 p.m.

Maryland Men's Lacrosse Game

Capital One Field at Byrd Stadium

See Maryland men's lacrosse in action! The Terps host Bellarmine in their final home game of the season and invite fans to attend for free. Gates open at noon. **ICA**

Cole Fun House

Arena floor, Cole Student Activities Building

Join us in the historic former Cole Field House for a number of cool activities including football, soccer and Wii games on the big screen and other fun games kids will love. **CRS** 😊
