IMPORTANT FARE AND POLICY INFORMATION, AND GENERAL REFERENCE NOTES Please take a few minutes to review these points.

How to book:

It's easy! Reservations can be made through your travel agent or by contacting us directly on our toll-free lines. Advise us or your agent of your cruise choice and stateroom preference as far in advance as possible. Please do not hesitate to check with us for last-minute bookings. Cancellations do occur and you may be accommodated.

Booking Deposits:

Your booking will be assigned a reservation file number at the time of booking. A follow-up deposit of \$200 per person will confirm your reservation. Your deposit should be mailed at time of booking. A confirmation and preboarding information booklet will be forwarded upon receipt. Fare balances are due at least 60 days prior to your cruise date and should be paid by cheque, bankdraft, cashiers check or by wire. Sorry, we do not accept credit cards as their processing fees to us are too expensive (2.5% and up). Your payments are protected and guaranteed under the Ontario Travel Act through its government agency TICO. Simply send your remittance by mail. Your booking will not be released because of slow mail. Bookings made within 60 days of sailing require full payment to confirm reservations and receive passes.

Cancellation Refunds:

If a passenger finds it necessary to cancel a cruise earlier than 60 days prior to the departure date, refunds will be made in full less a \$50 per person administrative cost. You will receive a \$50 voucher that can be used as a credit on your next reservation (good for two years). No refund in whole or in part can be made to passengers who do not complete the cruise once it has started. If a passenger cancels 60 to 46 days before sailing they will receive a 75% refund; 45 to 16 days before sailing, 50%; less than 15 days before sailing, no refund.

To avoid any unforeseen circumstances, St. Lawrence Cruise Lines **strongly** recommends the purchase of a comprehensive cancellation and interruption insurance package. St. Lawrence Cruise Lines Inc. reserves the right to cancel any cruise, in which event a refund of total deposits will be made.

Changes:

Connecting rail and hotel requirements should be finalized prior to final payment (no later than 60 days prior to departure). Passengers are encouraged to avoid making changes beyond this date. When confirmed arrangements are altered at traveller's or travel agent's request within 60 days prior to departure, changes may be subject to a \$25 administrative fee plus any necessary courier charges.

What your fare includes:

All rates are quoted as per person and are based on double occupancy. The per person fare includes passage aboard ship, meals on board, snacks and tours as noted in the cruise itinerary. Fares are inclusive and not subject to reductions for services or portions of the cruise declined by the passenger.

Fares do not include:

Sales taxes. These charges will be added to your confirmation. All known port taxes are included in the fares quoted.

Gratuities for the Crew:

The tradition of crew gratuities is appropriate and is at the discretion of guests. A guideline is provided on board.

Liability Disclaimer:

Cruise passage is subject to the terms on the regular Passage Ticket. St. Lawrence Cruise Lines Inc. holds itself free of any liability for any injury, damage, loss, or delay from whatever the cause. St. Lawrence Cruise Lines Inc. will endeavour to follow the scheduled itinerary as closely as possible; however, it reserves the right, whether or not for causes beyond its control, to consume extra days, to abandon the cruise, or cut the cruise short, to change the itinerary, sailing dates, embarkation hours, to omit any of the ports listed in the cruise, to commence, conclude or continue the cruise by bus, and to withdraw the cruise before sailing date without obligation or liability to the passenger for any loss, damage or expense other than to refund to the passenger, in whole or in part, any amounts paid to the company on account of passage money. In accord with Maritime tradition, passengers will be required to sign the usual Passage Ticket and Waiver at embarkation.

Physical Health:

Any person with significant hearing, physical or visual impairment should be accompanied by and share a stateroom with a person without such impairment. Our ship does not staff doctors or nurses and is not equipped with a pharmacy. Our ship is equipped with excellent radio and marine telephone facilities, and is never more than a few miles from shore so that aid in an emergency can be called. Persons with partial mobility impairments are welcome and should inquire about the most appropriate accommodation.

With sufficient notice our ship can be made available for charter, seminars, conventions, meetings and special events. Please inquire.

LIFE ON THE RIVER DAY AND NIGHT

Perhaps there is nothing quite as exquisite as enjoying a delicious breakfast while your ship passes by ever-changing panoramic scenery, all of which is a mere glance away through the windows that surround your dining saloon. A great way to start the day!

Follow breakfast with a splendid menu of activities to keep a good thing going. There are numerous shipboard games and events awaiting you. Perhaps you'll try your hand at kite flying! The traditional shuffleboard court is ready to enjoy, as well as 'giant checkers.' Your cruise director will host a variety of unregimented, voluntary activities where everyone can have fun. On the longer cruises, one of the highlights is the evening of big band sounds and dancing. On other evenings, light professional and fun-loving entertainment will add just the right touch to your cruise experience. Music, starlight and good company seem just a little more special when you enjoy them aboard ship.

Our listed shore excursions to special places along our rivers are included at no additional cost (and all gratuities for local tour guides and drivers are handled by the cruise line). You will have access to river charts, hear appropriate commentaries, and enjoy our daily newsletter. Our cruise directors are specialists in gracious thoroughness and kind attention to special events. What a pleasant way to touch the past, sense the present, and experience the vitality of our great rivers. Whether briefly on shore for one of the many excellent excursion opportunities or back on board, the atmosphere of your ship is accented by informality, grace and friendship; all this in an ambience of excellence and real value for any world traveller.

Service comes with pride...

The fresh, clean river air enhances the appetite.

Our passengers love the wholesome, generous and home-cooked meals, presented in our comfortable dining saloon. To make mealtimes even more pleasant, easy informality of unassigned seating is complemented by a menu that is announced in advance and that takes advantage of fresh in-season fruits and vegetables, including fresh bread collected from the pioneer ovens at Upper Canada Village.

We proudly bring wholesome pleasures to your table. Delicious desserts are prepared with pride and care. Coffee, beverages and snacks are available 24 hours a day. We will also do whatever we can to accommodate restricted diet requirements (let us know at the time of booking). Breakfast, lunch, dinner, teas and in between treats; all presentations are compelling. We are, you see, eager to please the palate as well as the eye. We know how to make our ship your home on the river. You can count on us.

Our Grand Saloon and decks provide a complete range of choices for quiet comfort and open activity. And, your Canadian crew is a special group of well trained, meticulously groomed people who do everything necessary to make your shipboard experience truly memorable.

RIVER STEAMBOATING

Your ship will carry you through the very heart of central Canada's most beautiful scenery on routes specifically selected for their stunningly rich gifts of history, natural beauty and modern vitality. Calm-water cruising on a replica steamboat is your rewarding adventure into an old tradition.

SEE the real Canada, as unspoiled as when the voyageurs moved up and down its waterways, as modern as the great St. Lawrence International Seaway with its spectacular locks and man-made canals.

SAIL on a replica steamboat. The Canadian Empress is a grand ship with a warm and friendly personality. The interior is designed in charming early heritage style. Whether it is heritage furnishings, or the brass handrails complemented by ornate metal ceilings, your ship recaptures the grace of early 1900's lifestyle.

EXPERIENCE the marriage of classic steamboat style to modern technology against a backdrop of interesting ports of call, a congenial crew committed to excellence in comfort and service, modern conveniences and amenities expected by today's traveller, a very real comradeship among passengers, and always, the rivers. We regard travel as one of life's special experiences, to be savoured, to be recalled with a special feeling. So, we keep you informed every nautical mile of the journey.

Calm water cruising...

The Canadian Empress takes full advantage in sailing the calm, quiet, safe waters along her routes. So as not to miss any of the ever changing panorama of the rivers, overnights are spent at anchor or alongside in safe, quiet harbours,

"And when the time comes for sleep, sleep comes easily on a ship surrounded by a thousand islands and a million stars."

THE SEASONS

Spring In May and early June each year the river is a very special place. It is coming awake. You can feel and see shores alive with a riot of floral colour, birds and small animals frisky with spring fun. You will understand exactly why the

pioneers of these river lands welcomed the greening, welcomed the new cycle of life on the river. These precious spring weeks beckon with ideal sailing temperatures of 65-75° F on uncrowded, history-laden calm waters unequalled in this hemisphere.

Summer With the warming of temperatures in July and August comes an increase in activity on the river. Pleasure boaters and vacationers hasten to capture the warming rays of the sun along these magnificent rivers.

Cumberland Heritage Village is an historic village committed to preserving the rich agricultural heritage of the early 1900's. Among other things, you'll see the oldest surviving example of an original Imperial Oil station.

At **Parc Oméga**, in the comfort and safety of a bus you will wind through 10 kilometers of beautiful, natural landscape coming face-to-face with many species of Canada's wild animals ...

"like a trip through an enchanted forest!"

A few questions, a few answers about calm-water cruising on the St. Lawrence and Ottawa Rivers...

Whether you're a seasoned ship traveller or just starting out on your first trip on water, there are a number of inquiries our passengers often have.

Why is calm-water cruising on the Canadian Empress so special? Your ship is unique. It is a recreated early 1900's St. Lawrence River cruise ship designed specifically to ply the water of the St. Lawrence River, its 1000 Island region, its Seaway and connecting small lakes and its major tributary, the Ottawa River as well.

Will I get seasick? Not likely. That's one of the reasons inland cruising has become so popular. There is none of the "heave-ho" of ocean, open lake and coast-line cruising in our sheltered waters, as we avoid large bodies of open water.

What exactly is included in the cruise fare? We don't have any hidden costs on board. Your cruise is all-inclusive. Your passage covers full onboard accommodation with maid service in every riverboat stateroom as well as all onboard entertainment, tours and admissions during the cruise. Transportation required for shore tours is included along with all meals and snacks. A self-serve coffee/juice bar is free and open 24 hrs/day.

There must be some things not included in the cruise fare? At ports of embarkation and disembarkation you are responsible for private transportation to and from the ship as well as any onboard gratuities, bar expenditures and sales taxes if they apply. That's it!

How much luggage should I bring? Storage space for luggage is somewhat limited. A tote bag and two medium-sized weekender suitcases are just about right for a couple.

What should I bring to wear? Men's clothing might include a sport shirt and slacks, a sport coat or sweater. Women will find resort wear (dresses, sweaters, slacks and pantsuits) most appropriate. For the final evening, most gentlemen wear a sport coat and tie and ladies wear a dress or dressy pantsuit. Other dinner attire is informal. You will want to be cool and comfortable during the day and warm on some cool evenings. An iron and ironing board can be made available for your use. For activities above decks and touring on shore, sun hats and comfortable walking shoes are good choices. Tailor your needs to the season and the kinds of activities you'll be enjoying on board. Don't forget your cameras and binoculars!

Can I use my light grooming appliances? Yes. There is ample power on board for this purpose. The electrical system is 110 volt AC and there is a hair dryer in each stateroom.

As Autumn unfolds, the shores and islands ignite with a blaze of colour and travellers come from far

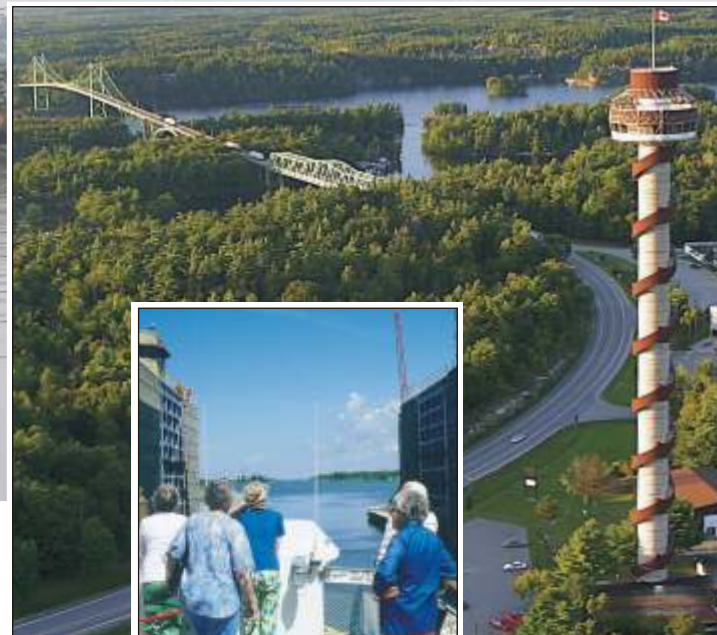

Fall and wide to take in this passing parade of colour as our ship cruises the quiet and peaceful shores. In late October, the emerald green of the Jack Pines is strikingly accented by the deep golden rust of the oaks and vivid reds of the blueberry bushes on the floor of the island forests.

Calm, clear water ...

a palette of changing autumn colours ...

verdant evergreens ...

all bathed in warm sunshine. And, oh, so quiet.

What if the company fails and my tickets are not honoured? Firstly, the company is family owned and managed, in its 32nd year of operation and is financially stable. That aside, the Government of Ontario, under the Travel Industry Act, guarantees your money through its crown agency TICO. There are no fees to you for this protection.

What's there to do on a cruise? Our passengers are never without something to watch from our on-deck chaise lounges and comfortable deck chairs. Not only that, there are onboard sports activities, group games, evening entertainment, interesting shore excursions, some of the best historical and natural scenery in the world and the delight of meeting fellow passengers from many different places around the world. On our ship you are the happy master of how you spend your time. You do what you want to do. It's your vacation and the officers and crew will do everything they can to make it a comfortable, happy and memorable one.

Will we receive information about the history of the region? You bet. During your cruise there is a virtual cornucopia of information available about the river and its history and attractions. A splendid souvenir "SHIP'S LOG" gives a precise and thorough account of every stop and every part of the journey. In addition, you will find

- **American Express Magazine**

"People are pampered every step of the way." - **The Globe and Mail**

"The personal attention to needs far exceeded anything we have ever experienced in more than thirty years of travel" - **C. Gambell, Maine**

"There was a kind of magic woven throughout the trip which seemed to join all parts of the experience together into a journey which has left us feeling refreshed, enriched and renewed." - **B. Titherington, Ontario**

"Watch the Thousand Islands slip past as you relax in turn-of-the-century luxury"
- **National Geographic Traveler**

"It's fun to wake up, lift the bedroom curtain and see an island drifting by."
- **Los Angeles Times**

"Not only is your cruise a 'best buy', it is exactly what a cruise should be: relaxing and fun."
- **Breitz, Ohio**

"The Canadian Empress has acquired a well-deserved reputation for its ambience. Word has spread among those 'in the know' and space should be booked early."
- **Detroit News**

"This has been the most wonderful vacation I have ever taken - thanks to the exemplary service you have provided. The first night, you promised you would spoil us, and you did! You said we would have a fantastic time, and we did! What you didn't mention was how much we would regret having the cruise end, and we do regret that. And that's why you'll be seeing us again! Everyone I spoke with echoed those same sentiments."
- **P. Bartel, NY**

"This was the most memorable experience of our lives. The scenic beauty was surpassed only by the hospitality and professionalism of the entire staff. I can't say enough about them, they were superb. Each and every one."
- **M. Viscuso, Florida**

a flow of information through the public address system at appropriate spots along the way. Orientation information is abundant and useful. The daily newsletter will keep you right up to date on each day's activities.

Are passports required? As the voyage is all Canadian, no ID is required enroute. Homeland security measures in North America are exercised along the river. Air, land and water travel between U.S.A., other offshore countries and Canada does require passports.

What rules govern smoking aboard ship? In the interest of safety and good health, and as a courtesy to non-smoking passengers, smoking is permitted on the upper sundeck only and downwind of other guests and crew.

What currency is used on board? Preferred currency and pricing onboard is Canadian, but U.S. currency is accepted. Personal cheques, Mastercard and Visa can be used for on board purchases. We are not able to accept debit cards - sorry.

What language is used on board? English is the standard language on board.
Can I book a round trip? You sure can. We have a variety of round trip packages available and you can save money too! See page 11 for details.
